Funded debt outstanding consisted, June 30, 1893, of—

1st mortgage 4 p. c. 30-year gold bonds, due July 1, 1917, interest January and July	\$9,700,000
2d mortgage 5 p. c. 50-year \$1,000 coupon bonds, due May 1, 1941, interest May and November	3,500,000
1st mtge. (P. N. C. & L. E. RR.) 7 p. c. 20-year coupon bonds, due June 1, 1898, interest June and December	219,000
1st mtge. (old P. & W. RR.) 6 p. c. 20-year coupon bonds, due Oct. 15, 1900, interest April 15 and October 15	81,000
Real estate mortgages, 6 p. c.	322,375

The authorized issue of the *1st mtge. 4 p. c. gold bonds* is \$10,000,000, of which \$200,000 are specifically reserved to take up the divisional bonds, and the balance is reserved by the company for equipments, betterments, etc. These bonds are of the denomination of \$1,000 each, in coupon form, with privilege of registration of principal, and are secured by a mortgage bearing date of July 1, 1887, made to the Mercantile Trust Co., as trustee, covering all the railways, real estate, terminal facilities, leases, equipment, and other property now owned or hereafter acquired by the railway company. There have also been deposited with the trustee of said mortgage, as part security therefor, \$375,000 of the capital stock and \$150,000 bonds of the Trumbull and Mahoning RR. (being part of the \$500,000 stock and \$250,000 bonds referred to above), same having been issued in payment for lands at Youngstown, deeded to the latter company by the Pittsburgh and Western Ry. Co.

The first issue of bonds under the *2d mtge.* (authorized issue, \$3,500,000) was for \$2,000,000, made July 1, 1891. Of this amount \$1,620,000 were used in paying off the entire floating debt of the company; \$120,000 in payment for equipment, and the remaining \$280,000 were used in rebuilding and straightening the line, reducing grades, etc. On Oct. 14, 1892, \$1,500,000 additional were issued, of which \$900,000 were used in double-tracking the line, \$431,000 in payment of car trusts, and the remainder of the issue in providing funds to make improvements on terminal properties. The mortgage securing these bonds is a first lien on large and valuable terminals in Youngstown and on a double-track road under construction to avoid delay caused by the numerous grade crossings in and about Youngstown. This new line crosses the Mahoning River at Haselton, O., and follows the south bank of the river for 12 miles, recrossing the river at Niles, O. The mortgage is also further secured by deposits with the Mercantile Trust Co., the trustee, of all the common and two-thirds of the preferred stock of the Pittsburgh, Painesville and Fairport Ry. Co., and is a second lien on all the property of the company.

During the past fiscal year the common stock was increased \$1,500,000 for the purchase of \$960,000 stock of the Pittsburgh, Painesville and Fairport Ry. Co., \$1,300,000 (of the \$1,500,000) stock of the Allegheny and Lawrence RR. Co. (see page 331), and \$382,500 securities of the Trumbull and Mahoning RR. Co.; and on June 30, 1893, the capital stock consisted of \$7,980,000 common stock and \$5,000,000 5 p. c. non-cumulative preferred stock, all in \$50 shares.

Annual meeting, 1st Monday in May. Interest payable in Pittsburgh and at office of Drexel, Morgan & Co., New York. Bonds registered at office of Drexel, Morgan & Co., New York, N. Y. BALTIMORE AND OHIO SOUTHWESTERN RAILWAY COMPANY.

History.—Consolidation, Nov. 1, 1893, of the Baltimore & Ohio Southwestern RR. Co., and the Ohio & Mississippi Ry. Co. (See statements for those companies following. For plan of consolidation in detail, see MANUAL for 1893, page 502.) The capitalization of the consolidated company is as follows: Common stock, \$10,000,000; non-cumulative 7 p. c. pref. stock, \$20,000,000; 1st consol. mtge. 4½ p. c. 100-yr. bonds, due July 1, 1993, interest Jan. & July, \$36,000,000; Baltimore & Ohio Southwestern Terminal Co.'s guar. 1st mtge. 5 p. c. 50-yr. \$1,000 gold bonds, due May 1, 1942, interest May & Nov., not exceeding \$1,500,000; income

mtge. 5 p. c. non-cumulative 150-yr. gold bonds, due July 1, 2043, with coupons attached, to be issued in two series—Class A, for \$8,750,000; and Class B, for \$10,000,000—total capitalization, \$86,250,000.

Of the new consols, \$25,000,000 will be used for the conversion of the existing mortgage bonds (chiefly currency) of the Ohio & Mississippi, and the payments to be made in such consols under the plan, leaving a balance of about \$4,500,000 in the treasury available for improvements, equipment, and for other purposes. The remaining \$11,000,000 consols will be issued only to retire an equal amount of existing Baltimore & Ohio Southwestern 4½ p. c. 1sts of Jan. 1, 1990, which are guaranteed, both principal and interest, by the B. & O. RR. Co. The mortgage securing the \$36,000,000 consols will provide for an additional amount of the bonds for terminals, double and additional tracks and equipment; and the principal and interest are guaranteed by the B. & O. RR. Co.

Controlled by the B. & O. RR. Co. through ownership of the entire common stock.

Capital Stock.—The share capital was increased from \$7,000,000 at the close of the fiscal year 1888-89 to \$16,297,744 at the end of 1889-90 by the operations of the consolidation agreement of May 9, 1890. (See MANUAL for 1891.) On June 24, 1891, the stockholders authorized the issue of 46,564 shares of new stock, for which shareholders were privileged to subscribe at par in proportion to their holdings. This increased the authorized amount of capital to \$20,954,000, and subsequent increases were in acquisition of the leased lines purchased during the past two years, etc., etc.

Bonded Debt.—In 1892 the company made an issue of \$2,500,000 4 p. c. bonds (see bond statement), of which \$1,500,000 was set apart to retire \$1,500,000 7s, that matured Jan. 1, 1893; the remaining \$1,000,000 was used for improvements, etc. In Dec., 1892, an issue of \$2,000,000 4 p. c. bonds was authorized, but at a special meeting of the stockholders in Nov., 1893, it was decided to increase the rate of interest to not exceeding 5 p. c., and to make the principal and interest payable in sterling or gold coin. An issue of \$4,000,000 bonds of the same character, additional, was also authorized at the Nov., 1893, meeting. Under the authority so granted there have been issued \$6,000,000 4½ p. c. plain 50-yr. gold \$1,000 bonds, due Jan. 1, 1944, interest payable Jan. & July. With a portion of these bonds the 7s of 1894 have been replaced, and the remainder will be used in discharging the floating debt.

The \$594,800 Charleston land mortgage notes, which appear among the liabilities in the balance sheet, bear 4½ p. c. interest, and are payable Jan., Feb., and Mar., 1895.

History.—Consol. Dec. 1, 1872, of the Central and the Macon and Western RR. Co.'s. (See MANUAL for 1891.) On June 1, 1891, the railroad and steamship lines, but not the banking business, were leased for 99 years to the Georgia Pacific Ry. Co., and were operated on account of that company by the Richmond & Danville RR. Co. On Mar. 4, 1892, the pro-

perties were placed in the hands of the president of the company as temporary receiver, and the lease to the Georgia Pacific was annulled. On Mar. 28, 1892, the receivership was made permanent, the board of directors being appointed receivers. In this way the property was managed till July 15, 1892, when H. M. Comer was made sole receiver. On Oct. 7, 1893, R. S. Hayes was appointed co-receiver. Road to be sold under foreclosure of the tripartite mortgage on September 1, 1894. For terms under which the leased lines are operated, see appended statements. For statement of the several divisions in which the company's lines are operated see MANUAL for 1893.

The Macon and Northern RR. was leased jointly by this company and the Richmond and Danville on June 15, 1891, and after the appointment of permanent receivers for the Central, an arrangement was made with the R. & D. for a joint neutral management of the road. The R. & R. failed to advance its half of the rental due Sept. 1, 1892, and the full rental was paid by the receiver of the Central. Application was then made to the court, and an order was granted placing the Macon and Northern under the control of the receiver of the Central. On March 24, 1893, N. E. Harris was appointed receiver.

Collateral Trust Gold Bonds.....	1887	5	May & Nov.	May 1, 1937	4,880,000	244,000

Provision has been made for an issue of \$13,000,000 5 p. c. consols., due April 1, 1937. A sufficient number of the bonds will be reserved to pay off the 1st mtge. bonds, due Jan. 1, 1893; \$2,000,000 are to be used in paying off the floating debt, and the remainder of the bonds will be issued from time to time only as required for the purposes of the company. They are redeemable (any or all of them) at any time on three months' notice at 110 and interest. On Nov. 1, 1891, the floating debt was adjusted by a loan of \$3,500,000 made for one year by a syndicate (Speyer Syndicate) on pledge of \$7,000,000 of these bonds. This loan was paid off at maturity with \$3,889,206.84 borrowed until July 1, 1893, from another syndicate.

The *certificates of indebtedness* were issued in 1881, bear 6 p. c. interest, and can be called in and paid any time after 1891. They were intended as a distributor of net earnings not paid on previous dividends. The amount so distributed equalled 40 p. c. on the share capital of the Central, and 32 p. c. on the share capital of the Southwestern (leased).

The *collateral trust bonds* are an issue of \$5,000,000 gold 5 p. c. 50-yr. \$1,000 coup. bonds, with provision for registration of principal, due May 1, 1937. These bonds are a direct obligation of the Company, and are additionally secured by deposit with the trustee of the following securities :

The proceeds of these bonds were used to provide for the extension of the Columbus and Western RR. and other extensions, for new equipment, to extinguish the floating debt created by purchase of Port Royal and Western Carolina RR., and to provide additional capital for banking. The C. RR. of Ga. has the right to redeem these bonds at 110 and accrued interest at any time upon six months' notice.

Interest on general mortgage bonds payable at New York, N. Y., and Savannah, Ga.; on certificates of indebtedness, at Savannah, Ga.; on trust bonds, at office of trustee, the Central Trust Co. of New York, N. Y.; and on equipment notes, at the Atlantic Trust Co., New York.

The Georgia Co., the entire capital stock of which is owned by the Richmond and West Point Terminal Ry. and Warehouse Co., owns \$4,000,000 of the capital stock of this company, and an additional \$220,000 is held by the Terminal Co. in its own name. The latter, therefore, holds a majority of the capital stock. But it was decided in April, 1892, that the Terminal Co., being a competing interest, has no right to vote the stock held by it, and in Sept., 1892, suit was brought by the receiver of the Central to cancel the agreement under which the Terminal Co. obtained possession of the \$4,000,000 stock held in the name of the Georgia Co.

LEHIGH AND SUSQUEHANNA DIVISION.

LEHIGH AND SUSQUEHANNA RR. (THE LEHIGH COAL AND NAVIGATION CO.)—For mileage and termini of the several lines of railroad owned by this company (aggregating 161.71 miles), see page 365. The company also leases the *Nequehoning Valley R.R.*, 16.66; *Treksno R.R.*, 7.56; *Wilkesbarre and Scranton Rr.*, 4.89—total, 29.07 miles. Total owned and leased, 190.73 m. The company also operates, jointly with the D. & H. Canal Co., the Union R.R., from Union Junction, to Minooka Junction, 9.60 m.; 2d track, 9.66 miles. Gauge, 4 ft. 8½ in. Rail (steel, 459.79 m.), 60, 62½, and 65 lbs.

These roads are the property of the Lehigh Coal and Navigation Co., chartered Feb. 13, 1822. (See MANUAL for 1893.) The railroad was leased for 999 years from Mar. 31, 1871, to the C. R. R. Co. of N. J., at an annual rental of 33½ p. c. of the gross receipts. On Jan. 1, 1887, a new agreement was made by which the lessee acknowledged the obligation imposed by the contracts of Mar. 31, 1871, and May 29, 1883, and further agreed to deposit an equal amount of its new general mtge. bonds for the better security of the \$2,310,000 gold loan of this company guaranteed by the Central. The Central Co. further agreed to lease the Wilkesbarre and Scranton Rr. at an annual rental of 6 p. c. on its cost, free of all charges. (For statements of income account, general balance sheet, etc., see GENERAL INDEX.)

ALLENTOWN TERMINAL RR.—East Allentown to Main Line (C. R. R. of N. J.), 2.69 miles. Second track, 2.69; sidings, 4.45. Organized Aug. 17, 1888; opened Mar. 17, 1890. Leased for 999 years to the P. & R. C. R.R. Co. of N. J. by assignment from L. C. & N. Co., at a rental equal to interest on bonds and 5 p. c. on stock. *Financial Statement*, Dec. 31, 1893.—Capital stock (par), \$150,000; funded debt (1st mtge. 4 p. c. 80-yr. \$1,000 bonds, due July 1, 1919, interest Jan. & July, at New York, N. Y.), \$450,000; current liabilities, \$81,541; accrued interest on bonds, etc., \$9,020—total, \$790,561. *Assets*: Cost of road, \$979,582; cash and current assets, \$10,979—total, \$990,561. MAUCH CHUNK, SUMMIT HILL AND SWITCHBACK RR.—Mauch Chunk, Pa., to Summit Hill, Pa., 9 m. This gravity road was built in 1826 for the transportation of coal from Summit Hill to the Lehigh River at Mauch Chunk. The empty cars were hauled back by mules, brought down in a car for that purpose with the coal. For the return of the empty cars there were built in 1844 two inclined planes—Mt. Pisgah, 2,322 feet long and 900 feet high above Mauch Chunk, and Mt. Jefferson, 2,070 feet long and 462 feet rise—making an entire circuit of 18 m. It was abandoned for transportation of coal in 1870, and has since been operated exclusively as a pleasure road. It is leased from the owners, the C. R. R. Co. of N. J., by T. L. and H. J. Mumford, of Mauch Chunk, and is operated from May 15 to Nov. 1 each year. *Equipment*: 18 8-wh. passenger cars, 7 4-wh. passenger cars, 4 8-wh. coal cars, 1 8-wh. flat car, 1 8-wh. water car, and 3 4-wh. workmen's trucks. *Earnings*, year ending Dec. 31, 1893, \$18,844; expenses and taxes, \$13,315; net earnings, \$3,539. T. L. MUMFORD, *Manager*, Mauch Chunk, Pa.

NESQUEHONING VALLEY RR.—Nesquehoning Junc. to Tamanend, Pa., 16.66 m. Hauto and Lansford, 1.12 m.—total, 17.78 miles. Second track, 7.93; sidings, 5.56 m. Opened in 1870. Leased Nov. 4, 1868, to Lehigh Coal and Navigation Co., for 999 years. The main line of the road is included in the lease of the L. & S. RR., made March 31, 1871, to the C. RR. Co. of N. J., and is now operated by that company. Rental under the lease was 10 p. c. on the capital stock, the lessee having the right to commute the rental by the purchase (at par and accrued interest, of the share capital) of the lessor company. On the 24th of June, 1879, when about to exercise this right, a supplementary agreement was entered into, whereby the lessee agreed to suspend such option until Sept. 1, 1884, the rental during that period being reduced to 7 p. c. On Feb. 29, 1884, a second agreement was made by which the lessee's option was further suspended for a period of 20 years from Sept. 1, 1884, the rental during that time to be guaranteed at the rate of 5 p. c. per annum, free of all taxes. Rent and taxes, 1893, \$79,307. Dividends Mar. and Sept. at 226 South Third Street, Philadelphia, Pa. Capital stock, \$1,418,600. Cost of road, etc., \$1,418,756. J. W. WOOLSTON, *Pres.*; C. F. Howell, *Sec. & Treas.*, Philadelphia, Pa. CORPORATE OFFICE, 226 So. 3d St., Philadelphia, Pa.

TRESCOW RR.—Silverbrook to Audenreid, Pa., 7.56 m. Sidings, 7.77 m. Incorp. May 26, 1870; opened in 1872. Leased to Lehigh Coal and Navigation Co., and included in the lease of the L. & S. RR., made Mar. 31, 1871, to the C. RR. Co. of N. J., and is now operated by that company. Capital stock (par, \$50), \$130,000; floating debt, \$142,580—total, representing cost, etc., \$272,580. E. History.—Reorganization without foreclosure, Oct. 1, 1888, of a company of the same name, whose property had been in the hands of a receiver since Oct. 28, 1887. (See MANUAL for 1888, page 603; also MANUAL for 1891, page 104.) The mileage and operations of the Kentucky & South Atlantic Ry., from Mt. Sterling to Rothwell, Ky., 19.44 miles, are, beginning with July 1, 1893, included in the accounts of the Chesapeake & Ohio Ry. Co. The Kinniconick branch, 19.7 miles, is operated for account of the *Kinniconick and Freestone R.R. Co.*, and accounts are kept separately. The lease of the Virginia Midland from Gordonsville to Orange dates from March 1, 1891, and the trackage arrangement for the use of the rest of the Washington Division (for through traffic only) from April 1, 1891.

CONTRACTS, AGREEMENTS, ETC.—The company has contracts and agreements with other companies as follows : With Adams Express Co., from whom it receives \$60,000 per annum, payable monthly; with Pullman's Palace Car Co., by which it maintains its own cars and retains all earnings under \$7,500 per annum, paying all running expenses except salaries; with the Kanawha Dispatch, a co-operative fast freight line over C. & O. and several western roads, each company furnishing cars, and receiving and paying its pro rata of earnings and expenses; with Richmond & Danville R.R. Co., lease for 99 years and one month from March 1, 1891, of the line from Gordonsville to Orange, Va., 9 miles, for \$6,000 per annum; with the same company, for 99 years from April 1, 1891, for use of tracks from Orange to Alexandria, 77.8 miles, the C. & O., to pay its proportion, based upon car and engine wheelage, of \$125,000 (being interest at 5 p. c. upon valuation of said 77.8 miles of road and appurtenances), provided that proportion shall not in any year be less than \$31,250, and of the further payment of its proportion upon the same basis of cost of maintenance of said 77.8 miles and salaries of employees; with the Washington Southern Ry. Co., securing right to run trains for 25 years from June 13, 1891, from Alexandria to Long Bridge, in consideration of payment of its proportion upon car and engine wheelage, of cost of maintenance and salaries of employees, and interest at 5 p. c. upon \$250,000, valuation of track; with Baltimore & Potomac R.R. Co., securing right to run trains from south end of Long Bridge to depot in Washington, for 10 years from June 30, 1891, in consideration of payment of proportion, based upon car and engine wheelage, of cost of maintenance of track and wages of employees; with the M. & T. Co., running lines of steam-

ers from Newport News to Boston and Providence, receiving for freight from Chesapeake and Ohio local points, certain specified revenue, and upon freights from competitive points, a pro rate of the through revenue, based upon relation of its 300 miles to entire length of haul; with the Old Dominion Steamship Co., running a line of steamers from Newport News to New York, and receiving from Chesapeake and Ohio local points certain specified rates, and from competitive points, a pro rate of the through revenue, based upon relation of its 160 miles to entire haul; with the Furness Steamship Co., running a line of steamers from Newport News to London, accepting usual ocean rates of freight and passage, for 5 years from May 1, 1891; with Western Union Telegraph Co., owning lines on the Chesapeake & Ohio RR., and giving this company 25 p. c. of receipts from all commercial business done at C. & O. stations, and telegraphing to the extent of \$14,500 per annum free, the Chesapeake & Ohio hauling freight free for the telegraph company to the extent of \$1,200, each company maintaining its own lines.

Rolling Stock, June 30, 1893.—Locomotives, 356. Cars—passenger, 150; baggage, etc., 54; freight (box, 5,229; stock, 478; flat, 1,045; coal (100 leased), 6,175), 12,927; caboose, 179; other, 438—total cars, 13,748. *Floating Equipment.*—Passenger steamer, 1; tugs, 3; car floats, 2; barges, 4; and 4 Ohio River ferry-boats.

The *Purchase Money Funding bonds* were issued in exchange for purchase money obligations, and are secured by a mortgage upon the property and franchises of the company between Richmond and Huntington. Trustees, Joseph Bryan and Henry T. Wickham. RR. covered, 418.95 m.; average per mile, \$5,458.88.

The *first mortgage gold bonds* of 1903, Series A, are secured by a mortgage on the main line between Newport News, Va., and Richmond, subject to the prior lien of the Purchase Money bonds. Trustees, Central Trust Co. of New York. Series A: RR. covered, 493.95 m.; average per mile, \$4,048.99. Series B: RR. covered, 418.95 m.; average per mile, \$90.51.

The *Peninsula Extension bonds* are secured on the line from Phebus to Richmond, 75 miles. They are \$1,000 coupon bonds, with provision for registration of principal. They were issued to provide means for the extension of the road from Richmond to Newport News. Trustees, John Hillhouse and E. St. John. RR. covered, 75.10 m.; average per mile, \$26,631.15.

The *Terminal bonds* are secured on the extension from Newport News to Phebus and a part of the terminals at the former place. They are \$500 and \$1,000 bonds, in coupon form, with provision for registration of principal. Trustees, J. P. Lloyd and F. H. Davis.

The *Equipment Trust bonds* were issued and are payable at various dates, and bear 6 p. c. interest, payable also at various dates. Trustees, Metropolitan Trust Co., New York.

The *first consolidated mortgage bonds* were issued under the provisions of the plan of reorganization, and cover the entire old line of the company, and also (by deposit with trustee of the stocks and bonds issued by the companies owning them and belonging to the C. & O., as before stated) the extension from Ashland to Covington and the bridge across the Ohio River from Covington to Cincinnati. Of the total issue, \$6,979,000 are reserved to meet all of the before described divisional liens. The coupon bonds are for \$1,000 each, and may be registered as to principal, or may be exchanged for full registered bonds of \$500, \$1,000 and \$10,000 each. Trustee of mortgage and registrar of transfers of registered bonds, Central Trust Co., New York. RR. covered, 658.59 m.; average per mile, \$35,429.72.

The *first and second consolidated mortgage bonds* on Richmond and Allegheny Ry. Division (now called James River Division) were issued as part of the purchase price of the R. & A. Ry. and property. They are \$1,000 each, with provision for registration of principal. Trustees of both mortgages, Central Trust Co., of New York, N. Y., and Henry T. Wickham. RR. covered (each), 253.32 m.; average p. m., 1st consol., \$19,737.88; 1st and 2d consol., \$3,947.57.

The *Craig Valley Branch bonds* were issued for the Craig Valley Extension. They are \$1,000 gold coupon bonds, with provision for registration of principal. Trustees, Central Trust Co., of New York, N. Y., and Decatur Axtell, Richmond, Va. RR. covered, 26.06 m.; average per mile, \$24,942.44.

The *Warm Springs Branch bonds* are secured on the line from Covington to Hot Springs, Va., 25 miles. They are for \$1,000 gold each, in coupon form, and are convertible into registered bonds. Trustee, Central Trust Co. of New York. RR. covered, 24.43 m.; average per mile, \$16,373.71.

The *R. & A. Div. bonds* are secured in the order of their priority on the line from Richmond to Clifton Forge, Va., with branch from Balcony Falls to Lexington, together about 254 miles. The bonds are for \$1,000 each, in coupon form, with privilege of registration of principal; principal and interest payable in gold. Of the *firsts*, \$5,000,000 (Nos. 1,001 to 6,000) bear 2 p. c. till Jan. 1, 1894, and 4 p. c. thereafter. The *seconds* bore 3 p. c. interest for the first year and then 4 p. c. annually. Trustees, Central Trust Co. of New York and Henry T. Wickham, of Richmond.

The *Elizabethtown, Lexington and Big Sandy bonds* are secured by an absolute first mortgage on the Lexington Division, from Denton to Lexington, Ky., 102.31 miles. The bonds are for \$1,000 each, in coupon form, with privilege of registration; principal and interest payable in gold. They were originally 6 p. c. bonds, but interest was reduced to 5 p. c. in consideration of the C. & O. Ry. Co. guaranteeing the payment of principal and interest. The guarantee is endorsed on each bond, and in addition the following is printed across the face and across the back: "The rate of interest on this bond has been reduced to 5 p. c. per annum from July 1, 1892." The original amount was \$3,500,000, but \$218,000 have been retired by sinking fund and \$275,000 are owned by the C. & O. Ry. Co. and deposited as security for its general mortgage. A sufficient amount of the latter is reserved for the retirement of the bonds outstanding. Trustees, Philo C. Calhoun and William K. Kitchen. RR. covered, 109.72 m.; average per mile, \$27,406.12.

The *general mortgage bonds* were issued under the terms of a mortgage made under date of Feb. 23, 1892, to the Central Trust Co. of New York and Henry T. Wickham, as trustees. The bonds are for \$1,000 each, in coupon form, but may be registered as to principal at the agency of the company in New York, or they may be exchanged for full registered bonds of \$1,000 and \$10,000 each at the Central Trust Co. of New York. Listed on the New York Stock Exchange. The amount of the mortgage is \$70,000,000 (subject to an additional amount for double tracking, as explained hereafter), and the bonds can be used only as follows: \$1,500,000 for general purposes of the company; \$32,691,000 to be reserved for prior liens; \$12,667,000 to be issued in exchange for first and second preferred stock, as explained elsewhere; and \$23,142,000 to be reserved for improvements, additions, etc., and to be issued to an amount not exceeding \$2,000,000 in any calendar year. In addition to this amount of \$70,000,000, a further amount of bonds having equal *pro rata* security under the mortgage, may be issued from time to time to provide for the actual cost of double tracking the road (not to exceed an average of \$25,000 per mile of double track), but not over \$1,500,000 shall be issued for this purpose in any one year, and no section of double track shall be less than 3 miles, unless it is to connect two other sections. This general mortgage is a lien (subject to the existing liens, all of which are provided for in it except the R. & A. Div. bonds) on all the lines of railway of the C. & O. Ry. Co.; also the company's leasehold and trackage rights for reaching Washington; also on all property of any description hereafter acquired by use of the bonds. In the case of additional lines of railway so acquired, the mortgage is to be a first lien, or if any prior liens be outstanding, a like amount of these bonds (out of the \$70,000,000) is to be reserved. The bonds are additionally secured by deposit with the Central Trust Co. of the following securities owned by the C. & O. Ry. Co.: All of the stock and bonds of the Kentucky and South Atlantic, all but 210 shares of stock and all bonds of the Ohio and Big Sandy, all of the stock, \$275,000 1st mtge. bonds, \$550,000 2d mtge. bonds, and \$489,000 debenture bonds of the Elizabethtown, Lexington and Big Sandy.

The terms of exchange of preferred stock were: For first preferred, two-thirds in new general mortgage bonds and one-third in common stock; and for second preferred, one-third in new general mortgage bonds and two-thirds in common stock. The conversion was practically completed during the past fiscal year. The converted shares are deposited in trust and held alive for the present.

The first mortgage bonds of the Chicago & Indiana Coal Ry. Co. are secured by 1st lien on the line from Brazil, Ind. to La Crosse, Ind., the link from Percy, Ind., to Illinois State Line, and the 9.67 miles of coal branches, a total of 174.30 miles. They are coup. bonds for \$1,000 each, and are limited in issue to \$18,000 per mile of single track road and \$7,000 per mile for equipment, with provision for a further issue of \$8,000 per mile for double track. Guaranteed, principal and interest, by the Chicago and Eastern Illinois RR. Co. Trustees, Metropolitan Trust Co., New York, N. Y., and R. B. F. Pierce, Crawfordsville, Ind. Interest payable at the office of the Metropolitan Trust Co., New York.

The first mortgage C. & E. I. bonds are secured by 1st lien on the main line from Dolton to Danville, Ill., 107.21 miles. They are coup. bonds, with privilege of registration, and are issued in denominations of \$100, \$500 and \$1,000. Provision was made for the accumulation, after 1885, of a sinking fund of \$30,000 a year for the redemption of these bonds; total accumulations to June 30, 1893, \$185,000. Trustee, Central Trust Co., New York. Interest payable at Fourth National Bank, New York, N. Y., or Globe National Bank, Boston, Mass.

The Danville and Grape Creek bonds are a 1st lien on 7 miles of road, from Danville to Westville, Ill. Interest payable at the Globe National Bank, Boston, Mass.

The Chicago and Eastern Illinois Extension bonds are a 1st lien on the line from Grape Creek to Sidell's Grove, Ill., 15.4 miles. Interest payable at Fourth National Bank, New York, N. Y.

The first consolidated mortgage bonds are a lien on all the property of whatever description owned by the company prior to consolidation with the Strawn and Indiana State Line and the Chicago, Danville and St. Louis RR. Cos., Nov. 12, 1887. The trustee holds an amount of the bonds sufficient for the retirement of prior liens. They are \$1,000 bonds, principal and interest payable in gold. Trustee, Central Trust Co., New York. Interest payable at the Central Trust Co., New York, or Globe National Bank, Boston, Mass.

The general consolidated first mortgage bonds are a lien on all the property acquired by the company since the consolidation of Nov. 12, 1887, and are also a lien on all the company's property, of whatever name or nature, subject, however, to prior liens. They are limited in issue to \$18,000 per mile of single track, \$8,000 per mile additional for double track, and \$7,000 per mile for equipment, the issue under the last-named provision, however, not to exceed the actual cost of equipment. They are \$1,000 coup. bonds, with provision for conversion into reg. bonds. In Nov., 1893, there were issued \$946,000 additional of these bonds for the following purposes: Construction from Rossville to Sidell, 34.29 miles, \$616,000; 2d track, Pittwood to Woodland, 10.03 miles, \$80,000; equipment, \$250,000—total, \$946,000. Trustee, Central Trust Co., New York. Sufficient of these bonds are held in trust for retirement of prior issues.

Annual meeting, in Chicago, on the 1st Wednesday in June. Dividends payable at Hanover National Bank, New York. By the terms of the leases the C. & E. Ill. RR. Co. guarantees the interest on the bonds of the E., T. H. & C. Ry. (\$1,250,000) and of the Indiana Block Coal RR. (\$150,000). Total, \$1,400,000; annual charge, \$85,500.

CONTRACTS AND AGREEMENTS.—The company has contracts and agreements with other railroad companies, as follows : With the Chicago, Burlington & Quincy, securing to that company the joint use of the bridge over the Mississippi River at Clinton, Ia., at an annual rental of \$20,000 ; with the company just named and the Chicago, Rock Island and Pacific, giving them joint use with this company of certain sidings in Council Bluffs, Ia.; with the Union Pacific Ry. Co., agreement of Oct. 18, 1889, for the establishment of a joint through line over the lines of both parties, to be in force for 10 years from Nov. 1, 1889; with the Chicago, St. Paul, Minneapolis & Omaha, providing for joint running arrangements between Chicago and St. Paul and division of earnings upon a pro rata p. m. ; and with the Duluth, Red Wing & Southern, by which that company acquires the joint use of certain tracks and buildings in Zumbrota, Minn.

History.—This company was organized in 1859 as successor to the Chicago, St. Paul and Fond du Lac RR. Co., which had 176.80 miles of railroad in operation. The rest of the mileage was built chiefly through medium of proprietary companies, all the stocks and bonds of which were owned by the Chicago and Northwestern and all of which have been absorbed by that company with the exception of the Dakota Central Ry. Co., the Princeton and Western Ry. Co. and the Winona and St. Peter RR. Co. (See MANUAL for 1885, page 656.)

The company owns the entire share capital of the Fremont, Elkhorn and Missouri Valley RR. Co., and also that of the Milwaukee, Lake Shore and Western Ry. Co., and a majority interest in the Sioux City and Pacific RR. Co., and Chicago, St. Paul, Minneapolis and Omaha Ry. Co. On Sept. 1, 1893, the Milwaukee, Lake Shore and Western Ry. Co. was merged into the Chicago and Northwestern Ry. Co., and is now operated as the Ashland Division.

NOTE.—The bonds marked *—\$13,235,000—were issued for the Fremont, Elkhorn and Missouri Valley, and Wyoming Central Railway Companies in exchange for their first mortgage bonds; bonds marked †—\$9,800,000—were issued for purchase of Chicago, St. Paul, Minneapolis and Omaha Ry. Co. stocks; of the bonds marked †, \$1,066,500 were issued for purchase of Fremont, Elkhorn and Missouri Valley RR. stock. These several issues, amounting to \$25,001,500, deducted from the total amount outstanding (\$114,972,000), leaves \$89,970,500 (or \$21,055.24 per mile) as the net amount issued to cover the 4,273.07 miles of the Chicago and Northwestern Ry.

The consolidated sinking fund currency bonds are secured by a first mortgage lien on road and equipment, as follows: Chicago to Clinton, 137 m.; Chicago to Freeport, 121 m.; Elgin to Richmond, 34.54 m.; Belvidere to Madison,

68.90 m.; Chicago to Fort Howard, 245.83 m.; Escanaba to Negaunee, Mich., and Iron Mines, 108.85 m.; Rockford to Kenosha, 72.10 m.—total, 788.22 miles. These bonds have voting power. Under the provisions of the trust deed further issues may be made for retirement of prior liens: the only one now remaining being the \$128,000 Peninsula RR. bonds. The bonds are in coupon form for \$1,000 each, dated Jan. 16, 1865, due Feb. 20, 1915, principal and interest payable in New York. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The 4 p. c. extension bonds of 1886 are limited in issue to \$20,000 per mile, or a total of \$80,000,000. They are a direct obligation of the company, and were issued on pledge of collateral bonds, which are secured by first mortgages (maturing same date as this mortgage) on lines from Mapleton to Onawa, Ia., from Lake City to Wall Lake, Ia., from Columbia, S. D., to Oakes, N. D., from Redfield to Gettysburg, S. D., from Doland to Groton, S. D., from Janesville to Evansville, Wis., Kinsley to Merville, Ia., cut-off at Cedar Rapids, Ia., from Iron River to Watersmeet, Mich., from Ishpeming, Mich., to Michigamme, including branch, from Lake Geneva to Williams Bay, Wis., from Montrose to North Evanston, Ill., and from Crystal Falls to Anama, Mich., the total mileage being 317.29; and also of \$10,675,000 F. & M. V. consols and \$2,560,000 Wy. Central 1st mtge. bonds, both of which are deposited with the trustee as collateral. They are coupon or registered bonds—coupon, \$1,000, and registered, \$1,000, \$5,000, and \$10,000. Coupon bonds are exchangeable into registered bonds and registered into other registered bonds. The bonds are dated April 15, 1886; principal and interest payable at the office of the company in New York. Trustee, Union Trust Co., New York.

The general consolidated gold 7s of 1872-1902 are secured by mtge. lien on 1,669.92 miles of railroad (Chicago, Ill., to Ishpeming, Mich., including branches to mines; Chicago, Ill., to the Missouri River opposite Omaha, Neb.; Chicago to Freeport, Ill.; Chicago, Ill., to Fond du Lac, Wis.; Belvidere, Ill., to Winona, Minn.; Elgin, Ill., to Lake Geneva, Wis.; Kenosha, Wis., to Rockford, Ill.; Clinton to Anamosa, Ia.; Stanwood to Tipton, Ia.; Geneva to Batavia, Ill.; Geneva to St. Charles, Ill.; also the South Chicago Branch track and the Montrose Cut-off track), together with all the equipment, depot grounds, shops, machinery, leaseholds and proceeds of land grant, subject to prior liens. The bonds are in coupon or registered form—coupon \$500 and \$1,000, and registered \$1,000, \$5,000, \$10,000. Coupon bonds are exchangeable into registered certificates. A sinking fund of 1 p. c. per annum began on June 1, 1874, and is to be applied to the purchase of bonds at not above par. The amount of bonds provided for under the mtge. was \$48,000,000, of which the company reserved \$35,319,000 for the retirement of an equal amount of prior lien bonds, and it was provided that the remaining \$12,681,000 should be issued from time to time as needed for additions and improvements. Trustee, Union Trust Company, New York. Principal and interest are payable in gold at the office of the company in New York, or at its agency in London.

The sinking fund debentures of 1903 were issued to provide means for the purchase of a controlling interest in the Chicago, St. Paul, Minneapolis and Omaha Ry. Co. The C. & N. W. Ry. Co. guarantees that no increased mortgage debt, except for improvements, extensions, etc., shall be issued upon the same property without providing equal security for these bonds. There is a sinking fund (after May 1, 1888), of \$200,000 per annum for purchase of bonds at not exceeding 105 and interest. The bonds are in coupon form for \$1,000 each, or registered for \$1,000, \$5,000 and \$10,000. The coupon bonds may be registered as to principal, or may be surrendered and cancelled, and an equal amount of full registered bonds issued in place of them.

The sinking fund bonds of 1879-1929 are for \$1,000 each, and are in coupon or registered form. Principal and interest payable in New York. Trustee, Farmers' Loan and Trust Co., New York. The bonds are not mortgage, but are a direct obligation of the company, and are secured by deposit of an equal amount of first mortgage bonds (maturing same date as these bonds) of roads built or acquired by the company, and secured on 1,041.50 miles of railroad, as follows: Tracy, Minn., to South Dakota State Line, 58.12 miles; Eyota to Chatfield, Minn., 26.47 miles; Stanwood to Tipton, Ia., 8.5 miles; Michigan State Line, near Spread Eagle, to Wisconsin State Line, near Stager, 13.73 miles; Sheboygan to Princeton, Wis., 78.40 miles; Janesville to Afton, Wis., 6.10 miles; Carroll to Kirkman, Ia., 34.81 miles; Manning to Audubon, Ia., 17 miles; Wisconsin State Line to Iron River, Mich., 21 miles; Stager to Crystal Falls, Mich., 9.10; branches to mines, 68.76; Trempealeau to Galesville, Wis., 6.71 miles; Sycamore to Cortland, Ill., 4.64 miles; Tama to Elmore, Ia., 164.66 miles; Eagle Grove to Hawarden, Ia., 145.20 miles; Minnesota State Line near Elkton to Pierre, S. D., 209.11 miles; Huron to Columbia, S. D., 97 miles; Brookings to Watertown, S. D., 43.83 miles; Centerville to Yankton, S. D., 28.46 miles. The total authorized issue of the bonds is \$15,000,000, or at a rate of not exceeding \$15,000 per mile. Sinking fund provision of 1 p. c. per annum after 1884. Trustee, Farmers' Loan and Trust Co., New York.

The 30 year debentures are authorized to the amount of \$10,000,000, and it is stipulated in the trust agreement that no increased mortgage debt, except for improvements, extension, or the like, shall be created without providing for these bonds equal security with any additional bonds secured on the same property. The bonds are in coupon form for \$1,000 each. They may be registered as coupon bonds as to principal only, or they may be surrendered and cancelled, and registered bonds without coupons, in denominations of \$1,000, \$5,000, and \$10,000, issued in place of them; and any registered bonds may be transferred and cancelled and other registered bonds issued in their stead. Trustee, Union Trust Company, New York.

The Escanaba and Lake Superior 6s of 1901 are \$1,000 coupon bonds; principal and interest payable in New York. They are secured on 36 miles of road, from Escanaba, Mich., to Felch Mountain Iron Mines. Trustee, James H. Howe, Kenosha, Wis.

The Milwaukee and Madison bonds are secured on 80 miles of railroad, from Milwaukee to Madison, Wis.; also by guarantee of the Chicago and Northwestern Ry. Co., which guarantee is executed under seal upon each bond. They are coupon bonds for \$1,000 each; principal and interest payable in New York. Trustee, Farmers' Loan and Trust Co., New York.

The Des Moines and Minneapolis 1st 7s of 1907 are \$1,000 coupon bonds; principal and interest payable in New York. Trustee, Farmers' Loan and Trust Co., New York.

The Ottumwa, Cedar Falls and St. Paul 1st 5s of 1900 are secured on 64 miles of road, from Belle Plaine to Muskatine, Ia., and also by guarantee of the C. & N. W. Ry. Co. They are \$1,000 coupon bonds; principal and interest payable in New York. Trustee, Union Trust Co., New York.

The Northern Illinois 1st 5s are \$1,000 coupon bonds, dated April 1, 1885, due Mar. 1, 1910; principal and interest payable in New York. Trustee, Union Trust Co., New York.

The 5 p. c. 25-yr. debenture bonds of 1909 were issued for purchase of capital stock of the Fremont, Elkhorn and Missouri Valley RR. Co., and for construction and equipment. They are \$1,000 coupon bonds, dated July 1, 1884, due Nov. 1, 1909. The coupon bonds may be registered as to principal, or may be surrendered and cancelled, and registered bonds in denominations of \$1,000, \$5,000, and \$10,000 issued in place of them. All registered bonds may be surrendered and cancelled, and other registered bonds issued in their stead. Principal and interest payable in New York. Trustee, Union Trust Co., New York.

The Chicago and Tomah RR. bonds are secured on the lines of the Galena & Wisconsin and Chicago & Tomah RRs. (Galena, Ill., to Woodman, Wis.; Montfort, Wis., to Madison, Wis.; Ipswich, Wis., to Plattville, Wis.; and Lancaster Junction to Lancaster). In all 151.76 miles, together with depots, grounds and all other property appertaining to those lines. The bonds are in coupon form for \$1,000 each, both principal and interest being unconditionally guaranteed by the Chicago and Northwestern Ry. Co., and payable at its office in New York. Trustee, Farmers' Loan and Trust Co., New York.

The 1st mortgage bonds of the Peninsula RR. of Michigan, are convertible into either common or preferred stock of the C. & N. W. Ry. Co.

The Iowa Division bonds are part of an issue of \$1,411,000, authorized to provide for the payment of an equal amount of 7 p. c. bonds. The bonds outstanding are dated April 1, 1891, and were issued to retire \$700,000 Cedar Rapids and Missouri River 1st Division 1st mtge. bonds, and \$129,000 Chicago, Iowa and Nebraska 7 p. c. bonds.

The remaining \$382,000 are reserved for the retirement of the Cedar Rapids and Missouri River 2d Division 1st mtge. bonds maturing Feb. 1, 1894.

The Winona & St. Peter 2d (now 1st) mtge. Ts of 1907 are dated Nov. 1, 1887. They are \$1,000 coupon bonds, interest payable in New York. These bonds are secured on the line from Winona to St. Peter, Minn., 139 miles, and also by guarantee of the Chicago and Northwestern Ry. Co., the guarantee being endorsed on each bond.

Annual meeting, 1st Thursday in June; books close about 30 days in advance, and remain closed until a few days after the meeting. Stock may be voted at the meeting if owned prior to the closing of the books. Books close for dividends about 15 days previous to dividend days and remain closed about 20 days, or as the directors determine. Dividends are payable on preferred stock in Mar., June, Sept., & Dec.; on common stock, in June & Dec. For list of payments since the organization of the company, see page 384. Interest and dividends payable at the company's New York office. Interest on certain of the bond issues, as shown in the preceding notes, is also payable in London. Registrar of stock, Farmers' Loan and Trust Co. of New York. Stock transfers are made at the New York office.

The sales from the several grants during the year amounted to 47,016.04 acres, and 1,386 lots for \$629,446.89. There were 38,976.79 acres sold from the Minnesota grant of the Winona and St. Peter RR. Co., at an average price of \$9.42 per acre; 6,272.98 acres were sold from the Michigan grant at an average of \$3.22 per acre, and 1,766.27 acres were sold from the Wisconsin grant at an average of \$2.63 per acre. Other sales of miscellaneous parcels of lands not required by the company, nor embraced in any of the grants, were made during the year, and the amount received therefor was credited to construction account. The entire net receipts for lands and lots sold were \$551,632.77, of which \$104,665.77 was received from miscellaneous lands, and \$446,967 from land grant lands and town site properties. The amount unpaid on outstanding contracts for sales made prior to May 31, 1893, was \$1,488,914.30—for lands, \$1,312,471.64, and for lots, \$176,442.66. Sales contracts covering 222 lots were cancelled during the year for breach of conditions, and 21 lots were donated as sites for churches and schools, and for other educational and public purposes.

The \$7,725,000 consols are outstanding. The \$10,675,000 of consol. and \$2,560,000 Wyoming Central bonds, were taken by the Chicago and Northwestern Ry. Co. and deposited with the Union Trust Co., trustee, as collateral security for an equal amount of Chicago and Northwestern 4 p. c. bonds, the proceeds of which were used for the construction of this road. The interest upon the 4 p. c. so issued is chargeable to, and reimbursed by, the Fremont, Elkhorn and Missouri Valley RR. Co., in satisfaction of the interest upon the collateral bonds so deposited in the trust. See C. & N. bond statement on page 389.

Annual meeting, Friday succeeding third Wednesday in May. Principal and interest of bonds guaranteed by the Chicago and Northwestern Ry. Co., and payable at the office of that company in New York.

History.—For full sketch of corporate history of this company and the lines purchased or merged with it, statement showing the progress of construction on all lines, etc., reference should be made to the **MANUAL** for 1888, pp. 379-382.

In 1868 the company began the construction of numerous branch lines, which are nominally leased but really owned by the Chicago, Burlington and Quincy RR. Co., and are wholly incorporated into its system. The roads thus built, in the order in which they were added to the Chicago, Burlington and Quincy System, are as follows:

NAME OF ROAD.	Length.	Date of Opening.	When and How Acquired by C. & Q. System.
American Central.....	50.59	April 25, 1869	Leased for 999 years from completion.
Keokuk and St. Paul.....	42.28	Oct. 27, 1869	Perpetual lease from completion.
Peoria and Hannibal.....	32.61	July 18, 1869	Owned.
Dixon, Peoria and Hannibal.....	44.51	Feb. 1, 1870	Leased for 99 years from completion.
Carthage and Burlington.....	30.41	Jan. 16, 1870	Leased for 99 years from completion.
Quincy and Warsaw.....	39.95	Dec. 25, 1870	Perpetual lease from completion.
Ottawa, Oswego and Fox River Valley.....	68.14	May 1, 1871	Perpetual lease from completion.
Albia, Knoxville and Des Moines.....	32.92	Nov. 17, 1875	Perpetual lease from completion.
Illinois Grand Trunk.....	65.38	July 23, 1872	Perpetual lease from completion.
Quincy, Alton and St. Louis.....	49.77	Dec. 22, 1871	Feb. 1, 1876. Perpetual lease at \$42,000 per year.
St. Louis, Rock Island and Chicago*.....	286.17	Nov. 21, 1870	October 1, 1876. Perpetual lease.
Chicago and Rock River.....	48.15	{ 0.67 m. in '71 { 46.80 m. in '72 { 0.68 m. in '73	In 1871, by purchase of all bonds and a majority of stock. Formally opened between Shabbona and Rock Falls, 46.80 miles, October 16, 1872, and from Rock Falls to Sterling, 0.68 mile, October 8, 1883, and leased in perpetuity to the C., B. & Q. RR. Co.
Chicago and Iowa.....	73.44		By lease, dated January 1, 1892. In 1882 the C., B. & Q. purchased this road and its leased line, the Chicago, Rockford and Northern, and began to operate them in connection with its outside system, or those lines which are owned by the C., B. & Q., but operated separately. (See below; see also MANUAL for 1892, page 125.)
Chicago, Rockford and Northern.....	23.50		Aug., 1875

* Exclusive of lines operated under trackage contract. In 1876, 5.71 miles of line were built, and in 1880, 6.59 miles, securing an independent line into Rock Island, the use of the Chicago, Rock Island and Pacific RR. Co.'s line being discontinued at the same time.

(For "Contingent Liabilities" of the Chicago, Burlington and Quincy RR. Co., for branch roads, reference should be made to General Balance Sheet; for termini and length of lines, see statement of mileage on page 392.)

In addition to the mileage owned and operated directly by the C., B. & Q. RR. Co. (see page 392), the company controls and practically owns the following lines: Hannibal and St. Joseph RR.; St. Louis, Keokuk and Northwestern RR.; Chicago, Burlington and Kansas City RR.; Kansas City, St. Joseph and Council Bluffs RR.; and also owns a one-half interest in the Humeston and Shenandoah RR., 113 miles, the Wabash RR. Co. owning the other half interest.

The properties controlled by this company, whose operations and mileage are not embraced in this report, consist of 1,035 miles of standard-gauge railroad and 169 miles of narrow-gauge railroad owned, and 87 miles of standard-gauge leased and operated jointly with other companies. (The increase in mileage of the controlled roads from that stated in the report for 1892 is due to the completion of 25 miles of the St. Louis extension of the St. Louis, Keokuk and Northwestern RR., which was opened for business on July 21, 1893.) They earned, gross, for the year 1893: From freight, \$4,510,271.91; from passengers, \$1,766,301.72; from mail, express and miscellaneous, \$1,006,939.79—total, \$7,513,513.42. The operating expenses and charges have been as follows: operating expenses, \$4,579,757.52; taxes, \$153,425.09; rent of tracks and depots, \$214,559.89; sinking funds, \$21,000; interest on bonds not owned by the C., B. & Q. RR. Co., \$948,189.67—total, \$5,916,962.17; interest on debt owed by the C., B. & Q. RR. Co., \$411,942.84—total, \$6,328,905.01; leaving net earnings, \$984,608.41. Add for interest and exchange, \$23,373.27; net receipts of H. & Sr. J. R.R. Land Department, \$18,216.61—total, \$1,026,203.29. Out of which have been paid dividends on stock, \$1,021,956.90—leaving surplus for the year, \$4,246.39.

Out of the above amounts paid for interest and dividends, the Chicago, Burlington and Quincy RR. Co. received, for interest on securities held by it, \$11,942.84, and for dividends on stocks, \$1,021,777.00, which are included in the item "Dividends and Interest on the Securities of Controlled Roads" (see income account on page 395).

The total outstanding debt of all these properties, not owned by the Chicago, Burlington and Quincy RR. Co. on Dec. 31, 1893, was \$13,545,000. The decrease from the amount stated in the report for 1892 is due to the purchase and cancellation of \$21,006 of Nodaway Valley and Tarkio Valley bonds and the transfer to the C., B. & Q. treasury of \$1,300,000 of the bonds of the St. Louis, Keokuk and Northwestern Company, received from the trustees of the Iowa Land Grant Sinking Fund.

The operations and mileage of the Chicago, Burlington and Northern RR. are not included in this statement. That road in 1893 showed a deficit of \$37,946.61 against a deficit of \$73,653.85 in 1892, after paying expenses and interest.

In the **MANUAL** for 1888, on page 382, was published a statement showing the additions made to the system from 1878 to 1887; and in the **MANUALS** for 1889 to 1893, the subsequent

yearly additions to the close of 1892 were shown. In 1893 an increase of 39.5 miles was made as follows: In South Dakota an extension of the Grand Island and Wyoming Central RR., from Englewood to Spearfish, 31.9 miles, opened Dec. 11, 1893, and in Wyoming an extension of the Grand Island and Northern Wyoming RR., from Sheridan to Alger, 7.6 miles, opened July 14, 1893. Added to the 5,556.21 miles in operation at the close of 1892, this makes the mileage in operation Dec. 31, 1893, 5,595.71 miles, as shown in the mileage statement on page 392.

The following amounts were expended for construction and equipment during the year ending Dec. 31, 1893:

<i>Construction.</i>		<i>Construction (continued).</i>	
C. B. & Q., and branches in Illinois.....	\$217,592 42	Deduct for excess of discount over premium on bonds purchased for sinking funds and cancelled.....	\$82,885 83

During its existence the company has paid (to the close of 1893) a total of ninety seven regular cash dividends, aggregating 236 p. c., or \$94,092,205.

The following distributions of stock were also made: Nov. 15, 1862, \$946,900; May, 1864, \$745,600; Oct. 31, 1865, \$1,675,300; Sept. 15, 1867, \$2,079,800; Mar. 15, 1869, \$1,254,390—total stock dividends, \$6,701,990.

The capital stock of the C. B. & Q. on Dec. 31, 1892, was \$76,407,000; sold to stockholders under circular of Jan. 23, 1893 (see page 396), \$5,595,300; issued during year on account of 5 p. c. bonds of 1903 converted, \$400—\$82,002,700; capital stock of the B. & M. R. RR. Co. (Ia.), Dec. 31, 1893, \$1,500; aggregate of capital stock on Dec. 31, 1893, \$82,004,200. The

funded debt of this company on Dec. 31, 1892, including contingent liabilities for its branch roads, was \$123,963,630.84. There were issued during the year 1893: C., B. & Q. consol. 7s of 1903, sold to stockholders under circular of Jan. 28, 1893 (see below), \$5,532,000; bond scrip of Jan. 28, 1893, \$63,300; less amount purchased and cancelled, \$300—\$63,000—total, \$5,595,000. The reductions during the year were: B. & M. R. RR. (Ia.) land grant 7s of 1893, paid at maturity, \$3,542,550; B. & M. R. RR. (Ia.) 8s of 1894, purchased and cancelled, \$3,500. Purchased for sinking funds and cancelled: C., B. & Q. 5s of 1901 (St. L., R. I. & C. RR.), \$1,000; C., B. & Q. 5s of 1919 (Ia. Div.), \$31,000; C., B. & Q. 4s of 1919 (Ia. Div.), \$182,000; C., B. & Q. 4s of 1927 (Neb. Ex.), \$335,000. Converted into stock: C., B. & Q. 5s of 1903, \$400. There have been deducted from "contingent liabilities for branch roads," the following bonds received from the trustees of the B. & M. R. RR. (Ia.) land grant sinking fund, which have ceased to be outstanding debts, but are held in the treasury: Chicago & Ia. 8s of 1900, \$600,000; Chicago & Ia. 8s of 1901, \$1,150,000; Chic., Rock & N. 8s of 1895, \$250,000; Atchison & Neb. 6s of 1927, \$901,280.84—\$6,996,730.84; net decrease of funded debt during the year, \$1,401,730.84; total funded debt, Dec. 31, 1893, \$122,561,900; whole amount of stock and bonds, Dec. 31, 1893, \$204,566,100.

In addition to the bonds deducted from contingent liabilities for branch roads, as above, the trustees of the B. & M. R. RR. (Iowa) Land Grant Sinking Fund surrendered to the company the following bonds, viz.:—B. & M. R. RR. in Neb. 6 p. c. bonds, \$1,352,000; Rep. Valley RR. 6 p. c. bonds, \$71,600; Ottawa, Oswego & Fox River Val. RR. 8 do., \$72,000; Atchison & Nebraska RR. 7 p. c. bonds, \$71,300; Quincy, Alton & St. Louis RR. 5 p. c. bonds, \$41,000; K. C., St. J. & C. B. RR. 7 p. c. bonds, \$17,000; Nodaway Valley RR. 7 p. c. bonds, \$99,000; Tarkio Valley RR. 7 p. c. bonds, \$129,000; C., B. & N. Equipment 5 p. c. bonds, \$582,000—\$2,434,900; which have been added to "Sundry Available Securities" (see general balance sheet on page 397), and also St. Louis, Keokuk & Northwestern 6 p. c. bonds amounting to \$1,300,000 which have been added to the other bonds of that company held in the treasury, and are included in the item entitled "Cost of Investments in Hannibal & St. Joseph," etc., as shown in general balance sheet on page 397.

Under date of Jan. 28, 1893, the company issued a circular to its stockholders stating that for the purpose of providing new equipment and for various improvement and construction expenditures, including terminals at St. Louis and a bridge over the Missouri (requiring in all about \$3,000,000), and also for retiring \$3,542,500 7 p. c. bonds of the B. & M. R. RR. Co. (in Ia.), which matured Oct. 1, 1892, it would issue capital stock and 7 p. c. consols of 1903, in blocks of \$1,000 of each issue (scrip for less than \$1,000 bonds) and multiples thereof. The mortgage securing the consols has become, by the retirement of underlying issues, a first and only lien upon the entire terminal property in Chicago, and upon 750 miles of main line and branches in Illinois. Those issued under this plan drew interest from July 1, 1893.

Following is a detailed description of the several issues of bonds noted in the preceding statement of funded debt :

- (1) These are for \$1,000 each, in coupon form with privilege of registration, interest payable at the company's office in Boston, or at Bank of Commerce, New York. They are plain bonds, issued in 1872, and mature Jan. 1, 1896.
- (2) Consolidated mtge. \$1,000 coup. bonds (\$23,832,000), and bond scrip (\$63,000) secured on 825.25 m. of road in Illinois, subject to prior mtges. amounting to \$1,076,000, for the redemption of which, and for other purposes, the balance of the authorized issue of \$30,000,000 of these bonds is reserved. Any part of the \$30,000,000 may be, at the discretion of the directors, issued in gold 6s; but none of that description have yet been issued. Principal of coupon bonds may be registered. Trustees: Sidney Bartlett, John W. Brooks, H. Hollis Hunnewell, Boston, Mass. Interest payable at the National Bank of Commerce, New York, and in Boston, Mass.
- (3) These bonds were issued for the Albia, Knoxville and Des Moines RR. when that road was acquired. They are secured on the line from Albia to Knoxville, 32.9 m. They are \$1,000 coup. bonds, redeemable by action of a sinking fund. Principal and interest payable at the company's office in Boston.
- (4) These bonds were issued for the St. Louis, Rock Island and Chicago RR. when that road was acquired. They are \$1,000 coup. bonds, dated October 2, 1876, redeemable by the action of a sinking fund; principal and interest payable at the company's office in Boston. These bonds are secured by \$2,500,000 St. L., R. I. & C. RR. Co.'s 1st 7s, deposited with the trustee. The last-named road (270 m. in length) is leased to the C., B. & Q. RR. Co. for 25 years, subject to renewals, the lessee paying an annual rental of \$175,000, but reserving from that sum sufficient to pay interest on bonds, and paying the balance to the New England Trust Co., which contracts to apply it to a sinking fund and to buy, semi-annually, at or under par and interest, bonds of this issue. Trustee, New England Trust Co. of Boston.
- (5) These bonds (\$9,000,000) and bond scrip (\$157.86) were issued for Hannibal and St. Joseph RR. Co. stock. They are \$1,000 debentures, in coupon form, with privilege of registration. These bonds are not secured by any mtge. upon the property, nor is there any sinking fund provided.
- (6) and (7) These are \$1,000 bonds, and are in coupon form, with privilege of registration. They are secured by a trust mortgage on 787 m. of road in Iowa, at the rate of \$16,000 p. m. of single track, main line, and \$14,000 p. m. of double track, subject to \$62,500 prior mortgages. Annual sinking fund, of 1½ p. c. on bonds issued, to be applied to purchase of 5 p. c. bonds, at not exceeding 5 p. c. premium and accrued interest, or of 4 p. c. bonds at not more than par and accrued interest; bonds to be drawn at 105 and at par, respectively, and cancelled in case of an insufficient offering. All the bonds are dated Oct. 1, 1879, and mature Oct. 1, 1919. Bonds may be registered at the Bank of Commerce, New York, or at the company's office in Boston. Trustees: George Tyson, Francis Bartlett, and William J. Ladd.
- (8) These bonds were issued in 1881 for the acquirement of the Burlington and Southwestern RR., now Chicago, Burlington and Kansas City RR. They are \$1,000 coup. bonds, dated Sept. 1, 1881, interest Mar. and Sept., at the National Bank of Commerce, New York. Trustee, the New England Trust Co., Boston, Mass. There is a sinking fund of 1 p. c. per annum, payable in Aug., for purchase of bonds at par and interest, any deficiency to be drawn by lot.
- (9) These bonds are not mortgage, but are a direct obligation of the company, secured by deposit with the trustee, of an equal amount of 5 p. c. 1st mtge. bonds of the Republican Valley RR., extending from Beatrice, Neb., to Nemaha City, 69 m.; from Blue Springs to Nemaha City, 59 m., and from the westerly line of Red Willow County to westerly line of Dundy County, 73 m. (total, 201 m.), and the Burlington and Colorado RR., extending from Wild County, Col., to Denver, Col., 170 m., with branch from main line to coal fields, 30 m. (aggregate for both roads, 401 m.), at the rate of not exceeding \$20,000 p. m. of single track and \$10,000 p. m. additional of double track. There is a sinking fund of 1 p. c. per annum for the purchase, semi-annually, Jan. and July, of bonds of this issue at par and accrued interest, any deficiency to be drawn by lot. They are \$1,000 coup. bonds, interest payable at the National Bank of Commerce, New York, and in Boston, Mass. Trustee, New England Trust Co., Boston, Mass.
- (10) These are \$1,000 coup. bonds, dated May 2, 1887, with privilege of registration of principal, but not of coupons, in sums of \$5,000; authorized issue being limited to \$20,000 p. m. of main track and \$10,000 p. m. additional for second track. Total authorized issue, \$45,000,000. The bonds are not secured by mortgage, but by deposit aggregating \$28,997,000 of 1st mtge. bonds of Nebraska branch roads, at the rate of \$20,000 p. m. There is a sinking fund of one p. c. per annum, for the retirement of the bonds, provided they can be bought at 110 and accrued interest; but there can be no drawing of bonds or compulsory retirement. Interest payable at the Bank of Commerce, New York and Boston. Trustee, New England Trust Co., Boston, Mass.
- (11) These bonds are for \$100, \$500 and \$1,000 each, and are dated Sept. 1, 1890. They are convertible into stock at any time within twelve years after Dec. 1, 1890. The proceeds were applied to refunding and to new construction. Interest payable Mar. and Sept., in New York, N. Y., and at the company's office in Boston, Mass.
- (12) These are 1st mtge. convertible bonds, 6th series, secured on 39.29 m. of road, from Red Oak to Hamburg. They are for \$500 and \$1,000 each, in coupon form; interest payable at the company's office in Boston, Mass.
- (13) These are \$600 and \$1,000 bonds, dated 1878, and are secured on 628 m. of road, interest payable at the Bank of Commerce, Boston, Mass. Authorized issue, \$14,000,000; sinking fund payments ceased June 1, 1888, and interest on bonds in fund is invested annually. Of the amount outstanding \$5,000,000 are "exempt." These bonds are redeemable at 100, but this provision applies to the exempt bonds only after 1908.
- (14) These are \$1,000 coup. bonds, interest payable at office of trustee, New England Trust Co., Boston, Mass.
- (15) These are \$1,000 coup. bonds, secured on 89.90 m. of road, and are dated 1879; interest payable at National Bank of Commerce, Boston, Mass.

Land Department.—The Iowa grant, made under the Act of May 15, 1856, and acquired by a consolidation with the Burlington and Missouri RR., consists of six sections per mile. The Nebraska grant, made under Act of July 2, 1862, and acquired by a consolidation with the B. & M. RR. of Nebraska, consists of 20 sections to the mile of line. The Iowa lands are all sold and the accounts closed.

The sales in Nebraska in 1893 were 18,116.64 acres for \$101,993.64, an average of \$5.63 per acre; lands reverted, 550.82 acres, representing \$2,800; leaving, as the net result of year's operations, sales of 17,565.82 acres for \$99,193.64, an average price of \$5.64 per acre. Cash receipts in 1893, \$128,106.31; disbursements—taxes and tax expenses, \$7,386.24; legal expenses, \$1,954.16; salaries and office expenses, \$7,275.94; advertising and commissions, \$3,067.44—total, \$19,683.78. Surplus paid treasurer, \$108,422.53. *Assets*, Dec. 31, 1893.—Principal, represented by contracts on hand, \$438,992.55; interest, represented by contracts on hand, \$76,949.23; due from tax delinquents, and other assets, \$5,930.72; town lots unsold, Firth, \$1,000; and 46,535 acres unsold land, estimated at \$4 per acre, \$186,140—total, \$709,012.50; or less partial payments (\$8,208.24), \$700,804.26.

Funded debt consists of \$8,428,500 1st mtge. 5 p. c., \$500 and \$1,000 coup. bonds, dated Dec. 1, 1885, and due April 1, 1926, interest payable April & Oct. ; \$935,000 6 p. c. 10-yr. \$1,000 coup. debentures, due Dec. 1, 1896, interest payable June & Dec. ; \$908,000 5 p. c. \$1,000 coup. equipment bonds, dated Feb. 1, 1888, due Feb. 1, 1903, interest Feb. & Aug., \$2,215,000 2d mtge. 6 p. c. 30-yr. \$1,000 coup. bonds, due June 1, 1919, interest June & Dec.

The *1st mtge. bonds* are secured on road and equipment, and also on all the stock and bonds of the C., B. and N. RR. of Illinois, the mileage of which is included in the preceding statement. The Chicago, Burlington and Quincy and the Chicago and Iowa RR. Cos. guarantee for twenty years one-half of net earnings derived from traffic over the road, the amount to be not less than \$100,000 per annum, and to be devoted to purchase or withdrawal, at 105, of these bonds, which shall be exchanged at par for stock. The bonds are further subject to purchase on and after April 1, 1906, at 105, by giving six months' previous notice.

The *2d mtge. bonds* are secured on the same property as the 1st mtge. bonds, but are subject to that mtge. The bonds were issued to fund the floating debt, and \$2,250,000 were reserved for the debentures, which might be exchanged for them till April 17, 1889. The authorized issue of stock is \$12,000,000, of which the trustees now hold \$2,522,000 to be exchanged for 1st mtge. bonds as they are bought and cancelled under the contract. Trustees: 1st mtge. bonds, Henry Parkman, J. Malcolm Forbes, and T. J. Coolidge, Jr.; 2d mtge. bonds, American Loan and Trust Co., Boston, Mass.; equipment mtge., F. Peabody, Jr., E. V. R. Thayer, Nathaniel H. Stone.

The *debentures* are subject to the 1st mtge., and it is provided that any further mtge. made by the company shall be limited to \$10,000 per mile.

The *equipment* 7 p. c. bonds were called for payment on Feb. 1, 1893, at 103, but holders were given the privilege of retaining their bonds at the reduced rate of 5 p. c. and the absence of the sinking fund provision.

History.—Chartered Feb. 16, 1847; opened Feb. 14, 1859. The branches were built under separate charters. The company received a land grant under which 603,906 acres have been certified—all of which, with the exception of about 20,000 acres, have been sold. The bridge across the Missouri River at Kansas City is owned by this company, and makes a part of the Kansas City and Cameron Line. In 1880 a second track was laid between the bridge and Union Depot, and is used jointly with the Chicago and Alton RR. Co., which pays for the use

thereof a rental of \$9,500 a year. The Missouri Pacific Ry. Co. uses the road between St. Joseph and Atchison, together with the terminal facilities at St. Joseph. The Chicago, Rock Island and Pacific Ry. Co. pays rental for running its trains between Cameron and Kansas City.

During 1882 a controlling interest in this road was purchased by the Chicago, Burlington and Quincy RR. Co., that company paying par for the preferred stock and \$43.66 per share for the common in its 5 p. c. bonds.

Total mileage at the close of the fiscal year, 5,724.13 miles. Lines in Wisconsin, 1,377.41 miles; in Illinois, 318.08 miles; in Iowa, 1,553.25 miles; in Minnesota, 1,120.09 miles; in North Dakota, 118.21 miles; in South Dakota, 1,096.82 miles; in Missouri, 140.27 miles.

History.—Organized May 5, 1863, under the name of the Milwaukee and St. Paul Ry. Co. Name changed under legislative authority Feb. 14, 1874, to Chicago, Milwaukee and St. Paul Ry. Co. See MANUAL for 1892; also MANUAL for 1883, pages 390, 391. The capital stock of the Milwaukee and Northern RR. Co. was acquired by this company Oct. 1, 1890 (see MANUAL for 1892) and on July 1, 1893, the railway and other property of that company was absorbed into this company's system, and is now operated as the Lake Superior Division as follows: North Milwaukee to Champion, Mich., 254.20 miles; Channing to Ontonagon, 93.05 miles; Oconto Junction to Oconto, 12.5 miles; Ellis Junction to Menominee, 24.44 miles; Hilbert to Nenah and Appleton, 22 miles; three other branches, 20.11 miles—total, 426.30 miles, making the total mileage operated from July 1, 1893, 6,150.43 miles.

Trains run into Kansas City over the Belt Ry. of Missouri, in which this company has a one-fifth interest. This company, the Wisconsin Central, and the Milwaukee and Northern have equal access to the Milwaukee passenger station. The Wisconsin Central Lines use the tracks of this company's Northern Division from Rugby to Milwaukee, 27.6 miles, and terminal facilities at Milwaukee, including access to the industries reached by the tracks of this company.

Under a contract made in 1890, to run for 999 years, the company has equal right to the use of the Union Pacific tracks from Council Bluffs, Ia., to Omaha, Neb., including the bridge over the Missouri River at Omaha and the Union Passenger Station in Omaha.

The 1st mtge. bonds are a lien on all lines owned by the company, except those covered by the extension and collateral, and the Chicago and Southwestern bonds (see below). They are \$1,000 coup. bonds, convertible in sums of \$5,000 into reg. bonds. Trustee, United States Trust Co., New York.

The extension and collateral bonds are anth. at the rate of \$15,000 per mile for single track, \$5,000 per mile for equipment, and \$7,500 additional per mile for double track. The bonds are redeemable in numerical order, beginning with the lowest number, after July 1, 1894, at 105 and interest. They are \$1,000 coup. bonds, convertible in sums of \$5,000 into reg. bonds, at the option of the holder. They are secured by 1st mtge. on the branches from Des Moines to Indianola and Winterset, Ia., 47.07 m.; from Edgerton Junc., Mo., to Winthorp, Mo., 29 m.; from Menlo to Guthrie Center, Ia., 14.58 m.; from Altamont, Mo., to St. Joseph, Mo., 49.66 m.; from South St. Joseph to Rushville, Mo., 14.70 m.; from Kansas City to Armourdale, Kan., 2.4 m.; from South Omaha, to Jansen, Neb., 107.05 m.; from Elwood to Liberal, Kan., 439.54 m.; from Herington, Kan., to Terral, I. T., 349.07 m.; from Herington to Salina, Kan., 49.30 m.; from Horton, Kan., to Roswell, Col., 568.65 m.; from Fairbury to Nelson, Neb., 51.53 m.; from McFarland to Belleville,

Kan., 103.98 m.; from Dodge City to Bucklin, Kan., 26.64 m.; a total of 1,853.17 miles; also upon all extensions or branches hereafter to be built, and by deposit of \$3,228,000 1st mtge. 6 p. c. bonds of the Wisconsin, Minnesota and Pacific Ry. Co. Since the close of the fiscal year \$1,722,000 of these bonds were issued, \$1,365,000 of which are secured by an equal amount of Chicago, Rock Island and Texas Ry. 6 p. c. bonds. The balance, \$357,000, was issued for additional equipment. Trustee, United States Trust Co., New York, N. Y. Interest payable at the company's office in New York, N. Y.

The *debenture* bonds are for \$1,000 each, in coup. and reg. forms; interest payable at the company's office, New York, N. Y. Authorized amount, \$10,000,000. These bonds were issued to pay for terminals and betterments as needed and they are redeemable any coupon day on notice at 105. Trustee, United States Trust Co., New York, N. Y.

The C., R. I. & P. guarantees the principal and interest of the bonds of the *Chicago and Southwestern*, formerly the Iowa Southern and Missouri Northern, and now an integral part of the C., R. I. & P. Ry. These bonds are secured by a 1st mtge. on the old Chicago and Southwestern R.R., from Washington, Ia., to a point on the Missouri River, opposite Leavenworth, Kan., 263 miles. They are in coupon form, for \$100, \$50, or \$1,000 each. Interest payable at New York office of Chicago, Rock Island and Pacific Ry. Co. A sufficient amount of the extension and collateral bonds is reserved to retire these bonds at maturity.

For statement showing the amounts and rates of dividends paid by the present company, from its organization to the close of the year 1887, see MANUAL for 1888. In 1888 dividends were paid as follows: Feb. & May, $1\frac{1}{2}$ p. c. each; Aug. & Nov., $1\frac{1}{2}$ p. c. each. In 1889, 1890 and 1892, quarterly dividends of 1 p. c. each were paid; in 1891, Feb. & May, 1 p. c. each; Aug. & Nov., $\frac{1}{2}$ p. c. each; in 1892 and in 1893 quarterly dividends of 1 p. c. each.

Statement of operations of the Chicago, Rock Island and Pacific Ry. proper for three years (1887-1889) and of the entire system for four years (1890-93); also capital account of the C., R. I. & P. Ry. Co. for seven years ending March 31:

(1) *The Indianapolis, Cincinnati and Lafayette bonds* are secured on the line from Lawrenceburg to Lafayette, Ind., 154.30 miles. They are \$1,000 coupon bonds.

(2) *The 1st consolidated mortgage bonds of the Cincinnati, Indianapolis, St. Louis and Chicago* are secured on the line from Cincinnati, O., to Lafayette, Ind., 174.80 miles, subject to the liens of the C. & I. and the I. C. & L. bonds. Trustees, Harvey Bates, Indianapolis, Ind., and George T. Bliss, New York.

(3) *The general first mortgage bonds of the C., I., S. L. & C.* are secured on the line from Cincinnati, O., to Lafayette, Ind., 174.80 miles, subject to the liens of the first consols and the I., C. & L. bonds, for the retirement of all which a sufficient amount of these bonds is held in trust. As additional security the company has deposited in trust the securities of the Vernon, Greensburg and Rushville, the Columbus, Hope and Greensburg, the Cincinnati, Lafayette and Chicago, the Fairland, Franklin and Martinsville, the Harrison Branch, and the Kankakee and Seneca RRs., owned by it, and the 100-year contract for the use of the Illinois Central tracks from Kankakee to Chicago. The bonds are in coupon or registered form—coupon \$1,000 each, and registered \$1,000, \$5,000, or \$10,000. Coupon bonds are exchangeable for registered bonds at the office of the Central Trust Co. Trustees, Central Trust Co. of New York and Harvey Bates, of Indianapolis.

(4) *The Bellefontaine and Indiana bonds* are secured on the line from Gallon, O., to the Indiana State Line, 119 miles. The bonds are for \$1,000 each, and are payable part yearly on the 1st of January from 1894 to 1899.

(5) *The C., C. & I. 1st mortgage sinking fund bonds* are for \$1,000 each. They are secured on the lines from Cleveland to Columbus, 138 miles; from Delaware to Springfield, 50 miles; from Indianapolis to Union City (State Line), 84 miles; and (subject to the lien of the B. & I. bonds) from Union City to Gallon, O., 119 miles; a total of 391 miles.

(6) *The C., C., C. & I. 1st consols* have the same security, but are subject to the lien of the 1st mtge. sinking fund bonds of 1899. They are coupon bonds for \$1,000 or \$200 each, and are payable in London or New York by the operation of a sinking fund of 1 per cent. applied to annual drawings in March. They may be freed of the sinking fund provision on presentation at the United States Trust Co., New York, or at the office of J. S. Morgan & Co., London. Interest is payable at the rate of 7 p. c. in New York, or 6 p. c. sterling in London, at the option of the holder. Trustees, Henry F. Vail and Charles E. Tracy. The principal is payable in gold, but interest is payable, at the option of the holder, in lawful money in New York at 7 p. c., or in sterling at 6 p. c. in London.

(7) *The general consolidated mortgage bonds of the C., C., C. & I. Ry.* are subject in lien to the sinking fund bonds of 1899, and the 1st consols of 1914 on the 391 miles of road before mentioned. They are coupon or registered bonds for \$1,000 gold each, coupon bonds being exchangeable for registered bonds in sums of \$1,000 or multiple thereof. The authorized issue is \$12,000,000, and a sufficient amount of the bonds is held in trust for the retirement of the B. & I. bonds, the sinking fund bonds of 1899, and the consols of 1914. Trustee, United States Trust Co., New York.

(8 and 9) *The Indianapolis and St. Louis bonds* are secured in the order of their priority on the line from Indianapolis to Terre Haute, Ind., 72 miles. The *firsts* are in three series—Series A, \$667,000, interest payable Jan. & July; Series B, \$667,000, interest payable Mar. & Sept.; Series C, \$666,000, interest payable May & Nov. The *seconds* (\$2,000,000 auth.) are gold bonds. Both issues are in coupon form for \$1,000 each. Trustee, United States Trust Co., New York.

(10) *The Calvo Division bonds* are secured on the line from Cairo to Tilton, Ill., 259 miles, and branch from St. Francisville, Ill., to Vincennes, Ind., 8 miles. They were issued, as to \$3,857,000, dollar for dollar, for the old 5 p. c. bonds of the Cairo and Vincennes. They are for \$1,000 gold each, and are coupon, with privilege of registration. Trustee, Central Trust Co. of New York.

(11) *The Springfield Division bonds* are secured on the line from Columbus to Springfield, O., 45 miles. The authorized issue is \$1,250,000, and \$1,200,000 of them were set aside to retire \$1,000,000 7 p. c. bonds and \$89,530 scrip of the Columbus, Springfield and Cincinnati RR. Nos. 1 to 1,200 are for \$1,000 each; Nos. 1,201 to 1,800, \$500 each. Trustee, Central Trust Co. of New York.

(12) *The Cincinnati, Sandusky and Cleveland consols* are secured on the line from Sandusky to Dayton, O., and the branch from Carey to Findlay, together 169.76 miles. They are \$1,000 coupon bonds, interest payable in Boston and New York. Principal payable in Boston. Trustee, American Loan and Trust Co., Boston.

(13 and 14) *The Cincinnati and Springfield bonds* are secured in the order of their priority on the line from Ludlow Grove (6.23 miles from Cincinnati) to Dayton, O., 48.05 miles. They are \$1,000 coupon bonds. Interest on the *firsts* is guaranteed one-half each by the Lake Shore and Michigan Southern Ry. Co. and the C., O., C. & I. Ry. Co., and the guarantee is endorsed on each bond. Trustees, 1st mtge., Union Trust Co., New York; 2d mtge., Oscar Townsend, Cleveland, O. Interest on 1sts payable at the office of the trustee; on 2ds, at the office of Drexel, Morgan & Co., New York, N. Y.

(15) *The Cincinnati, Lafayette and Chicago bonds* are secured on the line from Templeton, Ind., to Kankakee, Ill., 56.74 miles. They are \$1,000 gold coupon bonds.

(16) *The White Water Valley Division bonds* are secured by purchase money mtge. on the line from Harrison,

O., to Hagerstown, Ind., 62.40 miles. They are \$1,000 gold coupon bonds, with provision for registration of principal. Trustees, Central Trust Co. of New York and J. Alfred Barnard.

(17) *The St. Louis Division 1st collateral trust mortgage bonds* are for \$1,000 each, coupon or registered. Coupon bonds are exchangeable for registered bonds in sums of \$1,000 or multiples thereof. The St. Louis, Alton and Terre Haute RR. Co. on Nov. 1, 1890, sold its railroad from Terre Haute, Ind., to East St. Louis and Alton, Ill., 194.20 miles, to the Cairo, Vincennes and Chicago Ry. Co., receiving therefor a 4 p. c. 100-yr. purchase money bond of C. V. & C. Co. for \$10,000,000. This bond was assigned to the C., C., & St. L. Ry. Co. and the collateral trust mtge. bonds issued in place of it, the C., V. & C. bond being deposited in trust as collateral security for the new issue. Of these new bonds \$2,750,000 were delivered to the St. L., A. & T. H. RR. Co., and \$6,710,000 deposited with the United States Trust Co. to provide for the bonds of the St. L., A. & T. H., of which there were outstanding \$6,700,000, less about \$1,260,000 bonds and cash in the sinking fund. After all the bonds of the St. L., A. & T. H. are retired, any surplus of collateral trust bonds or cash goes to that company. As additional security for bonds of the Terre Haute Co., \$290,000 of the new bonds are deposited with the United States Trust Co., and the remaining \$250,000 are deposited with the Central Trust Co., to be held as a sinking fund, and interest on them applied to purchase of bonds at 105 and interest. All bonds so purchased go to increase the sinking fund. The bonds cannot be compulsorily drawn before maturity, and if bonds cannot be bought at the specified price within 60 days, the interest on the bonds in sinking fund goes to the C., C., & St. L. Ry. Co. The St. Louis, Alton & Terre Haute bonds mature July 1, 1894, and the \$6,710,000 of these bonds deposited to provide for them were placed with a New York syndicate in Dec., 1893.

(18) *The Cincinnati, Wabash and Michigan Division bonds* were issued under a joint mortgage given by the C., C., & St. L. and the C. W. & M. Ry. Cos., and are secured on the line of the latter company from Rushville, Ind., to Benton Harbor, and St. Joseph, Mich., 203.6 miles. Also upon all property of every description, including real estate, rolling stock, etc., now owned or hereafter to be acquired. They are \$1,000 gold coupon bonds, with privilege of registration. Trustee, United States Trust Co., New York, N. Y.

(19) The general mtge. gold bonds of 1993 are authorized to the amount of \$50,000,000, of which \$29,253,000 are reserved for retirement prior lien bonds now outstanding (with the exception of those secured on the Cairo, Peoria and Michigan Divisions and on that portion of the St. Louis Division lying west of Terre Haute) and \$15,748,000 can only be issued after July 1, 1894, and then not exceeding \$1,000,000 yearly, for construction, equipment, and double track. Of the remaining \$5,000,000, bonds to the amount of \$2,000,000 have been sold since the close of the fiscal year and the proceeds applied to the reduction of the floating debt, and \$3,000,000 are still in the treasury of the company. The bonds are for \$1,000 each, in coupon and registered forms, coupon bonds having registration privilege.

Dividends and interest on all bonds, except where otherwise specified in the foregoing summary, payable at office of Drexel, Morgan & Co., New York, N. Y. Preferred stock is entitled to non-cumulative dividends (payable Jan., April, July, & Oct.) aggregating 5 p. c. per annum before any dividend can be paid in same year upon common stock. Dividends on common stock in 1890, 3 p. c. and 1 p. c. extra; in 1891, Jan. & July, 1½ p. c. each; in 1892, Jan. 11 and Aug. 1, 1½ p. c. each. Annual meeting, last Wednesday in Oct. Books close 10 days in advance of annual meeting and of dividend days. Registrar of stocks, Central Trust Co., New York, N. Y.

Line of Road.—Mt. Gilead to Edison, O2 miles.
Sidings, 0.53 mile. Gauge, 4 ft. 8½ in. Rail (steel), 56 lbs.

History.—Built by trustees appointed under Acts of the Legislature of Ohio, April 16, 1879, Mar. 30, 1880, and Mar. 11, 1881, authorizing the village of Mt. Gilead to issue bonds to

the amount of \$24,000 running 15 years and redeemable after three years. Said bonds were issued bearing interest at 6 p. c. per annum, payable semi-annually, and secured by the pledge of faith, and a tax to be levied annually upon the real and personal property of said village, until principal and interest is all paid. Of these bonds there were outstanding on June 30, 1889, \$17,400 due within 15 years. The C., C., C. & St. L. Ry. Co. leases the road for 20 years from April 15, 1880, renewable for one, two, or three like terms, but not to exceed the aggregate 99 years, at a rental equal to one-third of net earnings. Operations reported separately.

Operations, year ending June 30, 1893.—Trains run (mixed), 19,372 miles. Passengers carried, 22,355; carried one mile, 44,710. Tons freight moved, 11,056; moved one mile, 22,112. Sidings, 90.82 miles. Gauge, 4 ft. 8½ in. Rail (steel, 341.43 miles),—lbs.

History.—Reorganization Feb. 22, 1890, of the Ohio, Indiana and Western Ry. Co. That company's line extended from Springfield, O., via Indianapolis, Ind., to Pekin, Ill., 341.43 miles; the portion of the line from Indianapolis, Ind., to Pekin, Ill., is the present Peoria and Eastern Ry., the remaining portion, from Indianapolis, Ind., to Springfield, O., 139.77 miles, was conveyed by the purchasers of the O., I. & W. to the Cleveland, Cincinnati, Chicago & St. Louis, Ry. Co. for the sum of \$5,000,000, payable in 50 years, which sum, carrying with it the annual net income of the property up to \$200,000 per annum, was reserved and declared as a purchase-money lien in the conveyance so made. Leased till April 1, 1940, to the C., C., C. & St. L. Ry. Co. (which guarantees the interest, but not the principal, of the first consols) at cost, and it is provided that if the net earnings therefrom and the income from the purchase-money lien mentioned should not be sufficient to provide for the interest on the bonded debt of the Peoria & Eastern Ry. Co. (other than its income bonds) the lessee would supply the deficiency, and would look only to future surplus, net earnings and income (over and above interest requirements) for the money so advanced. Operations reported separately.

Co. represent deficit in operating and construction accounts to date. The lessee owns one-half of the capital stock. Interest payable at the office of Drexel, Morgan & Co., New York City. Trustees of bonds, Central Trust Co., New York, and C. W. Fairbanks, Indianapolis, Ind.

The *consol. 1sts* are a first lien on the railway from Indianapolis, Ind., to Pekin, Ill., 201.66 miles, and are further secured by an assignment to the trustees of \$5,000,000 purchase-money lien on the line between Indianapolis, Ind., and Springfield, O., by an agreement dated Mar. 25, 1890, between the Peoria & Eastern and the C., C., C. & St. L. Ry. Co. and the trustee of the mortgage. It is agreed that in case of default under either of the first or income mortgages the purchase-money lien may, at the option of the trustee, at once become due and payable, and may either be sold as a part of the mortgaged premises or the trustee may proceed to foreclose the property in respect to which the lien was declared and reserved.

History.—The Delaware and Hudson Canal Company was chartered by the New York Legislature, April 23, 1823, to construct a canal and railroad from the coal fields of Pennsylvania to the Hudson River at Rondout, N. Y. The canal, extending from Honesdale to Rondout, was completed in Oct., 1828, the State of New York having in 1827 loaned its credit to the enterprise to the amount of \$500,000, and again in 1829 for \$200,000. The Gravity Railroad was completed in 1829. The coal product then amounted to 7,000 tons.

The company is largely engaged in mining and sale of coal. The total output of coal in 1893 was 43,089,537 tons. Coal produced from company's mines, 4,467,346.07; transported for others, 1,710,312.13—total, 6,177,659 tons. The gross receipts of the entire system during the year equalled \$20,672,317.67; expenses, \$14,050,131.19; net earnings, \$6,622,186.48. Paid taxes, interest and rentals, \$3,407,637.76. Balance surplus, \$3,214,548.72.

The company operates in the State of New York, under the name of the Northern Rail-

road Department (see pages 435 to 438), the Albany and Susquehanna, the Rensselaer and Saratoga, and the New York and Canada RRs., with their branches and leased lines. The Rome and Clinton and the Utica, Clinton and Binghamton RRs. are leased by this company, but were sub-leased June 1, 1886, for 35 years, to the New York, Ontario and Western Ry. Co., at a minimum rental of \$70,000 per annum (see GENERAL INDEX). In June, 1889, control of the Adirondack Ry. Co. was acquired. The road is operated separately. In Nov., 1887, a majority of the stock of the Rutland RR. Co. was acquired, with the intention of leasing that company's road, but in Dec., 1890, this company consented to a renewal of the lease of the Rutland to the Central Vermont. RR Co.

Funded debt outstanding (\$9,829,000) consisted, December 31, 1893, of—

Debenture (coupon and registered) 7 per cent. 20-year bonds, due 1894, interest April and October.....\$4,829,000

1st mortgage coupon and registered (Pa. Division) 7 per cent. 40-year bonds, due 1917, interest M. & S. 5,000,000

The bonds secured by mortgage upon the Pennsylvania property are \$10,000,000 in amount, of which \$5,000,000, maturing in 1894, and called "debenture" bonds, are of the denomination of \$1,000 each. Numbers 1 to 1,000, and 3,001 to 5,000 are coupon bonds, with provision for registration of principal. Numbers 1,001 to 3,000 are registered bonds. These bonds contain a covenant to the effect that if the property of the company in Pennsylvania should at any time before their maturity become mortgaged, such mortgage shall include and cover these bonds and the debt represented by them. The remaining \$5,000,000, maturing in 1917, were originally issued as coupon bonds of \$1,000 each, with the privilege of registration in sums of \$5,000. Of these a considerable number have already been converted into registered bonds.

The authorized amount of the 7s of 1917 is \$10,000,000, of which \$5,000,000 are reserved to retire the debentures at maturity. The bonds are secured by mortgage on the real estate, coal lands, railroads, etc., of the company in the State of Pennsylvania to the Union Trust Co. of New York, as trustee. They are in coupon or registered form, bonds

numbered from 1 to 5,000 being coupon. The registered bonds, into which coupon bonds are convertible, are for \$5,000 each, dated when issued, and transferable on the books of the company.

DIVIDENDS.—During the year 1893 the company paid four quarterly dividends of $1\frac{1}{2}$ per cent. each, amounting to \$2,100,000. The total amount paid in dividends from the organization of the company to the close of the year 1893 equalled \$60,748,495, of which \$54,104,995 was paid in cash and \$6,643,500 in stock. Payments are made quarterly, on the 15th days of March, June, September, and December; books close about the 25th of the preceding months. (For statement showing increase of capital stock and amount and rate of dividends paid from 1826 to 1883, see MANUAL for 1884, page 247.

 Gauge, 4 ft. 8½ in. Rail (steel, 1,819.57 miles), 60 to 80 lbs.

History.—Originally the Ligetts Gap RR., incorporated by special act of Pennsylvania Legislature, approved April 7, 1832, chartered Mar. 19, 1849, name changed by special act of Pennsylvania Legislature, approved April 14, 1851, to Lackawanna and Western. Consolidated April 30, 1853, with the Delaware and Cobbs Gap RR. (chartered Dec. 4, 1850), and name changed to "The Delaware, Lackawanna and Western RR. Company." Road opened from Scranton to Great Bend, Oct. 20, 1851, and from Scranton to the Delaware River, May 27, 1856. In 1857 a lease was taken of the Warren RR., extending from the Delaware River to a junction with the Central RR. of New Jersey, the latter line being used up to 1875 as an outlet to the Hudson River. In 1868 a lease was taken of the Morris and Essex RR., which now, with the Warren RR., forms this company's line to the Hudson. In 1855 a perpetual lease was taken of the Cayuga and Susquehanna RR. In 1869 a lease was taken of the Oswego and Syracuse RR. In 1869 control was obtained of the Syracuse, Binghamton and New York RR. by the purchase of the major part of its stock. In 1871 the Valley RR., extending from Great Bend to Binghamton, was built in order to form a connection with the Syracuse, Binghamton and New York RR., the Greene, and the Utica, Chenango and Susquehanna Valley RR. leased lines. In 1873 the D., L. & W., and the Lackawanna and Bloomsburg RR. Cos. were consolidated. In September, 1881, the company obtained control of the Sussex RR. of New Jersey, by the purchase of a major part of its stock. In Oct., 1882, a lease was taken of the New York, Lackawanna and Western Ry., which extended the line to Buffalo, and in Nov. following of the Passaic and Delaware RR. in New Jersey.

In May, 1889, an operating contract was made with the Morris and Essex Extension RR., 1.91 miles, to the city of Paterson. In May, 1890, an operating contract was made with the Passaic and Delaware Extension RR., extending from Bernardsville to Gladstone, N. J., 7.40 m.

Work was begun late in 1892 on an extension of the Crested Butte Branch from Crested Butte to the Ruby-Anthracoite coal mines, about 11 miles, and was completed Sept. 30, 1893. The expenditure on this line to the close of the fiscal year amounted to \$111,615.32, and it was estimated that the total cost would be about \$225,000, which will be met by an issue of consolidated mortgage and improvement mortgage bonds.

The Union Pacific, Denver and Gulf R.R. has joint use of the portion of the line between Pueblo, Walsenberg and Trinidad, 100 miles, and the Chicago, Kansas and Nebraska of the portion between Denver and Pueblo, 120 miles. The company operates jointly branches of the Union Pacific, Denver and Gulf, as follows: From Chicosa, Col., to Forbes, Berwind, Hastings and Aguilar, and from Trinidad to Sopris. The line from Grand Junction, Col., to Crevasse, 18 miles, is leased to the Rio Grande Western Ry. Co.

Cars from the narrow gauge districts and branches are run into Denver by means of a third rail in track between Denver and Leadville. From Pueblo to Trinidad and La Veta (with intervening branches), and from Leadville to Aspen and Grand Junction, the gauge is 4 ft. 8½ in.

exclusively. Gauge in detail as follows: 4 ft. 8½ in.—main line, 303.71 miles; sidings, 78.14 miles—total, 381.85 miles; third rail track, or 4 ft. 8½ in. and 3 ft. combined—main track, 296.05 miles; second track, 33.21 miles; sidings, 138.27 miles—total, 467.53 miles. The remainder of the system is of 3 ft. gauge. The mileage here specified does not include the 18 miles leased to the Rio Grande Western Ry. Co., nor the Rio Grande Junction Ry., both of which are standard gauge.

The funded debt outstanding (\$42,867,500) consisted, June 30, 1893, of—

1st mtg. (main line) 30-year 7 p. c. \$500 and \$1,000 coupon bonds, due Nov. 1, 1900, int. May and Nov....	\$6,382,500
1st consol. intge. 50-year 4 per cent. \$500 and \$1,000 coupon bonds, due Nov. 1, 1936, int. Jan. and July....	28,435,000
Improvement mtg. 40-year 5 per cent. \$500 coupon and reg. bonds, due June 1, 1928, int. June and Dec....	8,050,000

The first mortgage is secured on the line from Denver to Alamosa and El Moro. 294 miles. The bonds are for \$500 and \$1,000 (1 to 6,258 for \$1,000; 1 to 249 for \$500), and are dated April 13, 1871. Principal payable in New York or London; interest in New York, London, or Amsterdam; principal and interest in gold, free of all taxes.

The consolidated mortgage bonds are secured on the entire property, subject, however, to the lien of the 1st mortgage. The authorized amount is \$42,000,000, of which \$6,382,500 are reserved to retire the 1sts, and \$6,900,000 to acquire the property of the Denver and Rio Grande Western Ry. or to construct a line to Ogden. There were \$282,500 of the balance remaining unissued at the close of the fiscal year, and it was proposed to sell sufficient of these to meet the cost of the extension from Crested Butte to the Ruby-Anthracite coal mines, referred to elsewhere in this statement. The bonds to be issued for the firsts may bear interest at a rate not exceeding 7 p. c. Denominations—\$41,000,000 in \$1,000, and \$1,000,000 in \$500 bonds. Interest and principal payable in gold in New York City. Bonds are in coupon form, with privilege of registration, either as to principal alone, or upon surrender of coupons, as to principal and interest. Trustee, United States Trust Co., New York.

The improvement mortgage is subject to the lien of the consolidated mortgage. The bonds were issued to provide means for laying third rail, and for other improvements. Authorized at the rate of \$5,000 per mile on constructed road. Interest and principal payable in gold in New York City. These bonds are in coupon form, with privilege of registration, either as to principal only, or upon surrender of coupons, as to both principal and interest. Trustee, United States Trust Co., New York, N. Y.

Securities Owned by the Company June 30, 1893.—In general fund there are 1,189 Rio Grande Southern Ry. 5 p. c. bonds of the par value of \$1,189,000, costing \$911,900; 1 Rio Grande Gunnison Ry. 6 p. c. bond of the par value of \$100,000, costing \$87,000, and other securities of the par value of \$1,206,150, costing \$201,715; total par value, \$2,495,150, and the total cost, \$1,200,615. In renewal fund there are 266 Rio Grande Southern Ry. 5 p. c. \$1,000 bonds, costing \$202,800; 357 Denver and Rio Grande improvement 5 p. c. \$500 bonds, costing \$149,180.30, and \$45,502.25 in cash to be invested; a total par value of \$490,002.25, and a total cost of \$397,482.55. The aggregate of securities in both funds equals \$2,985,152.25 in par value, costing \$1,598,097.55.

Preferred stock is entitled to 5 p. c. dividends, non-cumulative. Dividends on preferred stock: 1887, 2½ p. c.; 1888, 2½ p. c. in cash and 1½ in scrip, subsequently redeemed in cash; Feb., 1890, 1½ p. c.; Aug., 1890, 1½ p. c.; Feb. 16, 1891, 2½ p. c.; 1893, Feb. & May, 1 p. c. each. Total mileage operated, June 30, 1893..... 233.12 "

NOTE.—The main line as above is composed of the main line of the Syracuse, Geneva and Corning Ry., from Geneva to Corning, N. Y., 57.75 miles; a portion of the main line of the Fall Brook Ry., from Corning, N. Y., to Stokesdale Junction, Pa., 35 miles, the remaining 18 miles, from Stokesdale Junction to Antrim, Pa., being operated as a branch of the system; and the Pine Creek Ry., from Stokesdale Junction to Newberry Junction, 74.80 miles. At Geneva connection is made with the Geneva and Lyons Branch of the New York Central and Hudson River RR.; at Jersey Shore, Pa., with the Beech Creek RR., and on the Southern end of the line with the Philadelphia and Reading System. Under a contract entered into on Feb. 4, 1882, and to endure for 900 years, the lines of this system and of the Philadelphia and Reading and New York Central Cos. are used for the interchange of local and through traffic as a system of connecting lines, forming one through line from Philadelphia to Buffalo.

The collateral trust bonds were issued to provide the means for completing the Pacific Coast Extension. They are 4 p. c. 10-yr. bonds, due Sept. 1, 1902, but redeemable, any or all of them, at par and accrued interest, at any time after Sept. 1, 1893, on three months' notice. Interest payable Mar. and Sept., at the company's office in New York City; principal and interest in gold. The bonds are secured by deposit with the trustees, the Minneapolis Trust Co. of Minneapolis, Minn., of £3,000,000 St. Paul, Minneapolis and Manitoba Ry. Co. 1st mtg. 4 p. c. Pacific Extension bonds.

The authorized share capital is \$40,000,000—half common and half preferred. None of the common stock has been issued. The preferred stock was issued to Manitoba stockholders at 50 p. c. of its face, the other 50 p. c. being paid for by transfer of all securities owned by the Manitoba Co., amounting to over \$22,000,000. The stocks of proprietary lines were deposited in trust to secure the unity of the system. Since the close of the fiscal year, \$5,600,000 additional preferred stock has been issued to provide for additions to the equipment of the railways and to the steamship lines controlled by the company, and for dock and other terminal facilities. Further issues can only be made with the consent of 75 p. c. of the outstanding preferred stock.

DIVIDENDS.—The following dividends have been paid on preferred stock: In Nov., 1890, 1 p. c.; in 1891 $4\frac{1}{2}$ p. c.; in 1892 and 1893, 5 p. c. each; and in Feb., 1894, $1\frac{1}{2}$ p. c. Dividends are payable on the 1st days of Feb., May, Aug., and Nov., at 40 Wall Street, New York City.

Land Department.—Report of the Minneapolis and St. Cloud Land Grant for year ending June 30, 1893.—Total grant, Hinckley branch, 425,664 acres; total grant, Willmar branch, 51,200—aggregate, 476,864 acres. Total acreage selected to date, 156,910.45; total acreage deeded to company, 128,055 acres. Total acreage sold prior to June 30, 1893, 60,584.37 acres; value of same, \$178,543.61; average price per acre, \$2.95. Remaining unsold, June 30, 1893, 416,279.63 acres. Of the selected lands, 39,269.64 acres, and of deeded lands, 13,214.57 acres, included in previous reports, were awarded to the Duluth and Iron Range Ry. by the Supreme Court of Minnesota, leaving balances as stated before. During the past fiscal year, 2,720.71 acres of land were sold for \$11,543.56, being an average of \$4.24 per acre. Disbursements during the same period were \$5,048.94. RAILROADS OPERATED UNDER LEASE BY THE GREAT NORTHERN RY. CO.

ST. PAUL, MINNEAPOLIS AND MANITOBA RY.—Organized May 23, 1879, and purchased at foreclosure sale the several lines of the St. Paul & Pacific RR. (1st Div.) Co. and their northern extensions. (See MANUAL for 1884.) The company then acquired 640 miles of road, and that mileage was increased yearly by the construction of branches and extensions, as shown in detail in previous issues of the MANUAL until the mileage equalled 2,872.54 miles on June 30, 1892. During the fiscal year ending June 30, 1893, the St. Hilaire Branch was extended from St. Hilaire north to Thief River, Minn., 7.59 miles, and south to Red Lake Falls, Minn., 10.13 miles; and the Pacific Extension was completed from Pacific Junction, Mont., to Lowell, Washn., 818.83 miles; a total additional mileage of 836.55 miles. There were also built 3.87 miles of main track in the city of Minneapolis, and 1.82 miles in St. Paul, but they are not included in the following statement of mileage.

Montana Extension 4 per cent. 50-year gold £ bonds, July 1, 1940, interest January and July.....	14545,454.54

The 1st mtge. sinking fund bonds are redeemable at or under 105 and accrued interest, from proceeds of land sales. They are \$100, \$500, and \$1,000 bonds, interest payable Jan. and July, principal and interest payable in gold, in New York or in London. Trustees, John S. Kennedy, A. Roosevelt, and John S. Barnes. The 2d mtge. bonds are for \$1,000 each, and are payable in gold, in New York; interest payable April & Oct. in New York. Trustees, John S. Kennedy and Samuel Thorne. The Dakota Extension bonds were issued in Nov., 1880, and are secured on all lines in Dakota and on the Morris & Brown's Valley and the Barnesville & Moorhead branches in Minnesota. They are limited to an issue of \$6,000,000, at the rate of \$12,000 per mile of single track. They are \$1,000 gold coup. bonds, with privilege of registration; principal and interest payable in New York; interest payable May and Nov. Trustee, Central Trust Co., New York.

Land grant bonds may be exchanged at par for consol. 4½ p. c. bonds, holders receiving a bonus of 5 p. c. in cash—the same premium at which the bonds may be redeemed by operation of the sinking fund.

The authorized issue of consols. is \$50,000,000, of which \$19,426,000 are reserved to retire prior liens, \$574,000 were sold, \$10,000,000 were issued to stockholders at 10 p. c. of their par value in the nature of a dividend, for the purpose of returning to the stockholders the net revenue which had been diverted to construction; and the remaining \$20,000,000 were reserved to be issued only on new road at the rate of \$15,000 per mile of main track and \$12,000 per mile additional for second track. They are \$1,000 bonds, coup. and reg., with privilege for registration of coup. bonds; principal and interest payable in New York. Trustee, Central Trust Co., New York.

The authorized issue of Montana Extension bonds is \$25,000,000, and \$19,118,000 of them have been issued. Of this amount, however, \$11,502,000 are in the hands of the trustees of the Pacific Extension mtge., leaving only \$7,616,000 outstanding. These bonds are coup. (\$1,000) or reg. (\$1,000 and \$5,000), with provision for registration of coup. certificates. Principal and interest payable in gold at the New York office. Trustee, Central Trust Co., New York.

The Pacific Extension coupon bonds are for £100, £500, and £1,000 each; the registered bonds £1,000 each. They are authorized at the rate of \$6,000 per mile of single main track completed and equipped for the portion of the line in Montana, and £7,000 per mile west of Montana, with £3,000 per mile for 2d track and £30 per lineal foot of tunnel in the Cascade Mountains. Principal and interest guaranteed by the Great Northern Ry. Co. and payable at the office of Baring Bros. & Co., London, Eng., or the company's agency in New York. Trustee, Central Trust Co. of New York.

Land Department.—Total grant (10 sections per mile), 3,848,900 acres, of which certified 3,479,611.35 acres. Total acreage decreed to the company prior to June 30, 1893, 3,190,573.37; less decreed to the Northern Pacific by U. S. Supreme Court, Mar. 2, 1891, 365,890.92 acres; leaving net acreage decreed, 2,833,717.45. Sold to June 30, 1893, 2,181,257.88 acres; contracts cancelled, 196,535.42 acres; unsold, 1,494,908.00 acres.  2d, 3d, 4th, 5th, and 6th tracks, 161.22 miles. Sidings, 688.85 miles. Gauge, 4 ft. 8½ in.
 Rail (steel, 3,093.12 miles), 52 to 75 lbs.

History.—Chartered Feb. 10, 1851. Dubuque Line opened June 11, 1855 ; through line to Cairo, Sept. 27, 1856. (See MANUAL for 1889, pp. 439 to 445.)

The charter exempts the company's property from taxation, but in lieu thereof requires a payment to the State of 7 p. c. of the gross receipts of the original railroad, 705.50 miles. The sum so paid during the years from 1855 to June 30, 1893, inclusive, was \$13,925,521.76. During the same period the stockholders received \$70,542,361.59 in cash dividends.

All the lines of railroad operated by the company in connection with its main lines are controlled by it nominally under lease or through stock ownership, but are practically parts of the Illinois Central property. For this reason no separate statements of those lines are published in the MANUAL. For details of history, see MANUAL for 1889 and preceding numbers.

In Oct., 1893, the Louisville, New Orleans & Texas RR. Co., practically all of the securities of which had previously been purchased by this company, was consolidated with the Yazoo & Mississippi Valley RR. Co., and since Nov. 1, 1892, that railway has been operated by and for the account of the Yazoo & Mississippi Valley RR. Co. Its operations are not included in this statement, but the results for the 8 months from Nov. 1, 1892, to June 30, 1893, are shown in the statement on page 473.

The "*Leased Line Four Per Cent. Stock*" of this company, \$10,000,000 in amount, was issued at par in exchange for the stock of the Chicago, St. Louis and New Orleans RR. Co. A guaranteed annual dividend of 4 p. c., secured by the rental paid to C., St. L. & N. O. RR. Co., is paid half yearly, Jan. 1 & July 1.

The 6 p. c. sterling bonds of 1895, the 5 p. c. sterling bonds of 1905, the sterling sinking fund 5s of 1903, the 4 p. c. 1st mtge. gold bonds of 1951, and the 3½ p. c. 1st mtge. gold bonds of 1951 are equally secured by a mtge. dated Aug. 10 1874, covering the main line of railroad from Chicago to Cairo, and from Centralia to East Dubuque, 705.5 miles, executed in favor of the United States Trust Co., as trustee. The authorized issue under this mtge. is \$15,000,000; actually issued, \$12,500,000; retired by sinking fund and cancelled, \$1,401,000, leaving outstanding, \$11,099,000.

The *Springfield Division bonds* are for \$1,000 each. Total authorized issue, \$2,000,000; actually issued, \$1,600,000. Trustees, George S. Bowdoin and Stuyvesant Fish.

The *Middle Division 1sts* are registered currency bonds for \$1,000 each, secured on the Kankakee and Southwestern RR., 131.26 miles. Total authorized issue, \$1,000,000; actually issued, \$968,000. Trustees, L. V. F. Randolph and Stuyvesant Fish.

The 3½ per cent. sterling bonds of 1950 are for £200 each, and are secured under a trust agreement, dated July 21, 1886, between the railroad company and the United States Trust Co. of New York, and are part of an authorized issue of \$9,000,000, of the denomination of \$1,000 or £200 per bond, or part for \$1,000 and part for £200; interest not to exceed 4 per cent. Bonds are secured by a deposit of an equal amount of 5 p. c. gold bonds of C., St. L. & N. O. RR. Co., secured under its mortgage of Mar. 15, 1881, which are to be delivered to the holders of the 3½ p. c. bonds in case of default. In the trust agreement it is provided that no mortgage shall be made on the Illinois Central RR., or the C., St. L. & N. O. RR., until the 3½ p. c. bonds are secured by a mortgage on those roads. Principal and interest of bonds payable in London.

The *Illinois Central 4 per cent. gold bonds* of 1892-1950 are a first mortgage on the Illinois approach to the Cairo Bridge, and are additionally secured by deposit of an equal amount of C., St. L. & N. O. RR. 5 per cent. Cairo Bridge bonds of 1890-1950. The bonds are for \$1,000 each, in coupon form, with privilege of registration as to principal, or they may be exchanged for full registered bonds, at the office of the company in New York. Trustee, United States Trust Co. of New York. Principal and interest payable at the company's office in New York. For terms of registration, see note in reference to 4 p. c. gold bonds of 1952 following.

The *4 per cent. gold bonds* of 1952 are for \$500 or \$1,000 each, Nos. 1 to 13,000 being \$1,000 bonds, and 13,001 to 17,000, \$500 bonds; interest payable in New York. Trustee, United States Trust Co. of New York.

They are secured by deposit of the following 1st mtge. 5 p. c. bonds of subsidiary lines.

Exclusive of interest, the sum of money advanced by the Illinois Central to the above companies for the construction and equipment of their railways exceeds \$16,350,000.

The holder of any coupon bonds may have the ownership of such bonds registered on the books of the company, such registry being noted on the bond, after which no transfer shall be valid unless made on the books by the registered holder in person, or by his attorney duly authorized, and noted on the bond, but the bond may be discharged from registry by being in like manner transferred to bearer, after which it shall be transferable by delivery. Any coupon bond, whether so partially registered or not, is convertible into a registered bond, at the option of the holder, upon surrender to the company, for cancellation, of all the coupons attached thereto not then due. Registered bonds are transferable only on the books of the company, and the interest thereon semi-annually, and the principal thereof, when due, shall be payable only to the registered holder thereof or his legal representative or assigns. A registered bond is not convertible into, or exchangeable for, a coupon bond. The bonds are transferable and registerable at the office of the company in New York.

The *4 per cent. gold bonds* of 1953 are for \$500 and \$1,000, in coupon form, with the same provisions for registration as obtained in the case of the 4 per cent. gold bonds of 1952. (See preceding paragraph.) Trustee, United States Trust Co., New York, N. Y. Principal and interest payable at the company's office in New York. Of the \$25,000,000 as authorized, \$20,000,000 were issued as payment (together with \$5,000,000 cash) for securities of the Louisville, New Orleans & Texas RR. Co., referred to hereafter, and are secured by deposit of those securities in trust, and the remaining \$5,000,000 were retained by the Illinois Central RR. Co. The company still holds \$3,576,000 of the bonds, having disposed of \$1,424,000, so that the amount of the bonds actually outstanding at the close of the fiscal year was \$21,424,000.

The securities pledged for the \$25,000,000 gold bonds of 1953 are as follows:

The 1st mortgage bonds of the C., St. L. & N. O. RR. Co. are a first lien on the line from East Cairo, Ky., to New Orleans, La., 547.30 miles, and branch from Durand to Kosciusko, Miss., 18.86 miles. About \$540,000, numbered from 1 forward, are prior lien, known as "Tennessee Lien" bonds. The 2d mortgage bonds are secured on the same road. Bonds of both issues are in coupon form, for \$1,000 each. Trustees: 1sts, Adolph Schreiber, James Fentress, and Lewis V. F. Randolph; 2ds, W. K. Ackerman and Stuyvesant Fish.

The gold 5s of 1901 are secured on the same road, but are subject in lien to the above described 1st and 2d mortgage bonds. The authorized issue is \$18,000,000, and a sufficient amount is reserved to discharge prior liens. Interest is payable June 15 and December 15, and is guaranteed by the Illinois Central RR. Co. the guaranty being indorsed upon each bond. The bonds are for \$1,000 gold each, in coupon form, but the same conditions as to registration apply to these as the Illinois Central bonds. The same is true of the Memphis Division bonds, noted below. Trustees, Lewis V. F. Randolph and Lynde A. Catlin. New York, N. Y.

The Memphis Division bonds are secured on the line from Memphis, Tenn., to Grenada, Miss., 100.49 miles. The bonds are \$1,000 gold each, in coupon form, with provision for registration. They are guaranteed by the Illinois Central RR. Co. by endorsement on each bond. Trustee, United States Trust Co., New York, N. Y.

The bridge bonds are secured on the Cairo Bridge and approaches, 2.27 miles. They are all owned by the Illinois Central, and are pledged as security for that company's 4 p. c. Cairo Bridge bonds. Trustee, Stuyvesant Fish and Walther Luttigen, New York, N. Y.

* The statistics of traffic operations given in Table No. 3 cover the entire mileage operated, including the Iowa lines; but the earnings, etc., of the latter lines are not included in Table No. 4 from Oct. 1, 1887, to June 30, 1890, nor in Table No. 5 from Oct. 1, 1887, to June 30, 1893.

EXTRACT FROM THE COMPANY'S REPORT FOR 1893.

Although the number of locomotive engines and of freight cars had been doubled during the preceding decade, and the capacity of the motive power to haul and of the cars to carry tonnage had been increased in a greater ratio, there remained in service at the beginning of the year a large number of old, light engines and cars of small capacity, unsuited to modern requirements. With a view to saving the expense incident to the continued use of these inadequate appliances, your Directors ordered the condemnation, or sale, of 58 old engines and 2,500 small freight cars, and the purchase of a like number of new engines and cars of the present standards.

The cost of the new equipment, estimated at \$1,815,000, has been charged to Profit and Loss. The proceeds of sale of the old engines and cars, or of the material in them, will be applied in the purchase of additional equipment. On the other hand, there has been credited to that account, in addition to the usual contribution from the year's income of \$50,000 (£10,000) for the payment of Illinois Central Sterling Bonds of 1903 drawn and cancelled, the sum of \$106,000, being the equivalent of \$39,300 of Illinois Central 3½ p. c. Sterling Bonds, which were received from the Donnell & Dubuque Bridge Company as a dividend on shares of that company owned by the Illinois Central Railroad Company, thus reducing the net charge to Profit and Loss to \$1,599,000.

Of the equipment in service on June 30, 1893, of 595 engines, 640 passenger, and 17,191 freight and other cars, only 130 engines, 88 passenger cars, and 2,620 freight and other cars are covered by the liens on any part of the railway, leaving unencumbered and free from mortgage or other liens 465 engines, 552 passenger cars, and 14,561 freight and other cars.

Of the large expenditures on Capital Account outlined in the last report, nearly all are completed or approaching completion.

The new station in Chicago was thrown open to the public in April, although not then entirely completed. The Michigan Central Railroad Company has been admitted to the use of the station, and negotiations are pending with that corporation for a permanent lease for a fixed annual rent and a due proportion of the expenses of the operation and maintenance.

The office building adjoining the passenger station, although not completed at the close of the fiscal year, is now occupied by the company.

The Weldon shops have been removed to Burnside, new buildings erected there, and new tools purchased, the land at Weldon being used in connection with the passenger station.

The elevation of the tracks in the neighborhood of Jackson Park, in the city of Chicago, is enabling the company to render quick, safe, and convenient service to and from the World's Columbian Exposition at a low cost to the public and with satisfactory profits.

Toward the cost of this improvement the company received from other interests benefited thereby the sum of \$250,000.

The outlay on capital account has been as follows:

Illinois Central Railroad	\$4,324,409 65, less \$350,000 (as above)	\$3,974,409 65
Chicago & Springfield Railroad		2,884 81

\$4,107,075 18

With a view to economy and convenience, the terminals in New Orleans and in Memphis, which had theretofore been operated by the Illinois Central Railroad Company and by the Louisville, New Orleans & Texas Railway Company separately, have, during the past year, been put under the control of a single set of officers in each of those cities, with very gratifying results. In carrying this out it was found advisable to sell to the Yazoo & Mississippi Valley Railroad Company the passenger station and grounds in New Orleans for the sum of \$580,000. Of this sum there was credited to the Chicago, St. Louis & New Orleans Railroad Company the amount heretofore charged to that company for the land purchased and the improvements made in recent years, \$366,295 01.

CEDAR FALLS AND MINNESOTA RR.—Cedar Falls June, Ia., to Minn. State Line, 75.58 m.; total track (steel, 10.25 m.), 80.28 m.; rail, 40 to 50 lbs. Road opened May 31, 1870. Leased to the D. & S. C. R.R. Co. for 40 years from Jan. 1, 1867, at \$7,500 per mile, and a contingent 35 p. c. of gross earnings from \$3,500 to \$7,000 p. m., and of 30 p. c. of gross earnings over \$7,000 p. m. (See statement for D. & S. C. R.R. Co.) The validity of the lease was denied by the lessee, which brought suit to cancel and annul it. In Oct., 1890, a decision was handed down confirming the validity of the lease and ordering the rental paid to the trustee for the bondholders. From this decision an appeal has been taken to the Supreme Court, and the case is still pending. In the meantime an amount equal to the rental, under an order in the case, will be deposited and disposed of as the court may direct. The road is operated by the Illinois Central R.R. Co. as lessee of the D. & S. C. R.R. *Financial Statement*, June 30, 1886 (*Interest rendered*).—Capital stock, \$1,546,500; funded debt, 1st mtg. Financial Statement, June 30, 1893.—Capital stock (auth., \$15,000,000) issued, \$5,643,400; funded debt (mtg. bonds, \$25,936,000; income bonds, \$10,000,000), \$35,936,000. *Contra*: Cost of road and equipment (\$49,326.04 p. m.), \$46,752,868.39.

The Yazoo and Mississippi Valley RR. Co. owns the Yazoo Division of the Illinois Central RR. Co. (see page 464), but the returns of that mileage are not included in the statement for the Illinois Central. It is leased to the Illinois Central RR. Co. from Mar. 31, 1888, to June 1, 1892, the rental being the net earnings of the road, guaranteed to be at least \$100,000 per annum. The capital stock prior to the consolidation amounted to \$500,000, and the bonded debt (see statement on page 468 for particulars) to \$2,800,000.

The bonded debt of the Louisville, New Orleans & Texas RR. Co. amounts to \$35,524,000, as follows:

1-t mtge. 4 p. c. 48-yr. \$1,000 gold coup. bonds, due Sept. 1, 1934, interest March and Sept.....	\$16,582,000
2d mtge. 5 p. c. (income cumulative) 48-yr. \$1,000 bonds, due Sept. 1, 1934, interest payable at the option of the company, after Sept. 1, 1888.....	9,104,000
Land grant income 50-yr. bonds, due Sept. 1, 1934, interest 1st Nov., if earned.....	9,838,000

The 1st mtge. bonds are auth. to the amount of \$10,000,000 in respect of the main line from Memphis to New Orleans, and \$20,000 additional for each mile of extension and branches, the whole issue, however, not to exceed \$16,000,000. The 2d mtge. bonds are auth. to the amount of \$7,899,000 in respect of the main line, together with such additional amounts as should justly represent the capitalization into those bonds of the difference between 5 p. c. interest payable semi-annually, and 6 p. c. interest payable semi-annually, for the remainder of the term of said bonds, upon \$30,000 per mile of road, up to an aggregate of 800 miles. Interest on 2d mtge. bonds began to accrue on Sept. 1, 1888, and is payable only out of net earnings applicable for that purpose, but such interest is cumulative.

These two issues of bonds are secured in the order of their priority on the entire property and franchises of the company, excepting the land grant, and are additionally secured by deposit in trust of old 1st mtge. 3 p. c. 50-yr. bonds of Sept. 1, 1884, to the amount of \$18,650,000. Trustee of both issues of bonds, Union Trust Co., New York, N. Y. Principal and interest payable in New York City: transfers made at the company's office.

The land grant income bonds are secured on the lands of the company, comprising about 750,000 acres, situated in the Yazoo Delta. They were issued under a deed of trust executed Aug. 27, 1884, in favor of Edward H. Pardee and Albert Collins, as trustees, and were used largely in retiring about \$9,100,000 income bonds of Sept. 1, 1884.

All three issues of bonds of the L. N. O. & T. RR. Co. are deposited in trust as collateral security for \$25,000,000 4 p. c. gold bonds of the Illinois Central RR. Co. (See page 468.)

At Laredo, a connection is made with a line from the Rio Grande to the city of Mexico.

History.—Consolidation, Sept. 23, 1873, of the International and the Houston & Great Northern RR. Cos. The road was sold under foreclosure in 1878, and the company reorganized in the interest of the 2d mtge. bondholders. (See MANUAL for 1888, page 770.)

In 1881 the stock of the company was purchased by the Mo., Kan. & Tex. Ry. Co., and a lease of the property was made to that company; but on May 2, 1888, the lease was cancelled, and in 1890 the stock was purchased by the present management.

Defaults were made in 1888, but the coupons were purchased for account of the company or of other interested parties. Receivers appointed Feb. 21, 1889, and company reorganized without foreclosure in 1892. Road turned over to the company July 11, 1892. (See **MANUAL** for 1892, page 746.)

The Galveston, Houston & Henderson RR. is leased from Jan. 1, 1883, for interest on its bonds, and any surplus over interest, taxes, and expenses. The operations of that line are not included in the statements following. (See **GENERAL INDEX**.)

The company's land grant, amounting to about 5,000,000 acres, was purchased by the New York & Texas Land Co. (See **MANUAL** for 1893.)

In the reorganization of 1892 the rate of interest on 2d mtge. bonds was reduced (from 6 p. c.) to 4½ p. c. per annum for the 6 years to and including Sept. 1, 1897, and to be at the rate of 5 p. c. per annum thereafter; provided, however, that in case of default continued for the period of 90 days in the payment of any now unmatured coupons upon the 2d mtge. bonds the original rate of interest (6 p. c.) shall be restored, and such coupons shall be collectible and enforceable at that rate.

The 3d mortgage bonds bear 4 p. c. interest, payable out of the net earnings of the company for the first 6 years, and thereafter absolutely at the same rate. Authorized amount, \$3,000,000 for \$500 and \$1,000 each, to be issued as stated on page 746 of the **MANUAL** for 1892.

The \$85,500 2d mortgage bonds (see bond statement) are in the hands of trustee to retire a like amount of 2d mtge. 8 p. c. income bonds outstanding.

The *certificates of indebtedness* (see balance sheet) are secured by 1st mtge. coupons held in trust; bear interest at the rate of 5 p. c. per annum; payable semi-annually, beginning Nov. 1, 1892, and due in six equal yearly instalments. (See MANUAL for 1892, page 746.)

The company is also responsible for \$225,000 7 p. c. 40-yr. \$1,000 sinking fund bonds of the Colorado Bridge Co., dated July 1, 1880, interest May & Nov. at the company's office, New York City, and guarantees \$2,000,000 5 p. c. 1st mtge. bonds of the Galv., Houst. & Hend. RR. Co.

The consolidated bonds (trustee, New England Trust Co., Boston, Mass.) will retire all the bonds except the Current River, Kansas City, Clinton and Springfield, and Kansas City Belt Ry. bonds, which are not covered by this mortgage. The guaranteed bonds of 1910 (excepting the M., K. & C. bonds, which have no sinking fund) have a sinking fund of 1 p. c. of whole issue annually, with which bonds are bought at 110, or if not offered are drawn at 107. In addition to the railroad from Kansas City, Mo., to Baxter Springs, Kan., 159.92 miles, the K. C., F. S. & G. 1sts of 1908 are a lien on 42 locomotives, 22 passenger cars, 1 combination car, 12 baggage, etc., cars, 437 box cars, 712 coal cars, 50 flat cars, 56 stock cars, 25 caboose cars, and 4 other cars, and also upon all the securities owned by the company at the time of the consolidation. The F. S., S. E. & M. bonds, are also secured on 5 locomotives, 50 stock cars, 300 coal cars, and 5 caboose cars, and the M., K. & C. bonds on 1 locomotive, 40 box cars, and 100 coal cars.

Sinking Fund Account, June 30, 1893, consisted of bonds and cash as follows: F. S., S. E. & M. RR., \$214,118.25; R. H. RR., \$47,394.93; S. C. & J. RR., \$44,093.14—total lines, \$305,606.32.

Annual meeting, 2d Wednesday in March. Preferred stock is entitled to 8 p. c. non-cumulative. Dividends and interest on 10-yr. coup. notes payable at the company's office, Boston, Mass.; interest on K. C., F. S. & G. 1sts of 1908 and guaranteed bonds, on consols of 1928, and on Kansas equipment bonds, at the National Webster Bank, Boston, Mass.; on plain bonds of 1894, at the National Union Bank, Boston, Mass.; and bonds of Kansas City and Memphis Ry. and Bridge Co., at the Second National Bank, Boston, Mass.

History.—Chartered as the Delaware, Lehigh, Schuylkill and Susquehanna RR. Co., Sept. 20, 1847; under existing title, Jan. 7, 1853. The main line in Pennsylvania was completed in Oct., 1855. The company absorbed the Beaver Meadow RR. in July, and the Penn Haven and White Haven RR. in Aug., 1864; the Lehigh and Mahanoy RR. in June, 1866; the Hazleton and the Lehigh Luzerne RRs. in June, 1868.

The Easton and Amboy RR. in New Jersey was opened in June, 1875. It was built under a separate charter, but is owned by the Lehigh Valley RR. Co. The Clinton Branch was opened Nov. 22, 1881, and the Flemington and Paper Mill Branches in 1884.

The company owns a controlling interest in the Pennsylvania and New York RR. (leased for 99 years from Dec. 1, 1888), and leases the Southern Central RR. of New York.

On Feb. 11, 1892, the railroads and other properties of this company (but not the properties of the Lehigh Valley Coal Co.) were leased for 999 years from Dec. 1, 1891, to the Philadelphia and Reading RR. Co. on terms given in the MANUAL for 1893, page 953. Lease terminated Aug. 8, 1893, and property reverted to the company as of Aug. 1, 1893.

EXTRACT FROM THE COMPANY'S REPORT FOR FISCAL YEAR ENDING IN 1893:

The lease to the Philadelphia and Reading RR. Co., dated Feb. 11, 1892, was terminated on Aug. 8 last, and on the same day the agreement for the sale of coal by the Lehigh Valley Coal Co. to the Philadelphia and Reading Coal and Iron Co. was also terminated. At the time the latter agreement was entered into the Phila. & Reading Coal and Iron Co. purchased in bulk, at market prices, all coal then in the stocking yards of the Lehigh Valley Coal Co. On Feb. 20, 1893, the P. & R. RR. Co. and the P. & R. C. & I. Co. passed into the hands of receivers. For sometime prior to the appointment of receivers the P. & R. C. & I. Co. had been dilatory in its monthly payments for coal. On Aug. 8 last, by written notice in accordance with the terms of the coal sales agreement, the Lehigh Valley Coal Co. terminated the said agreement because of default in payments thereunder, and on the same day the Lehigh Valley RR. Co. exercised affirmatively the option secured to it by the railroad lease, to terminate the lease if the coal sales agreement should be terminated for any reason whatsoever. The P. & R. RR. Co. being at that time in the hands of receivers, petitions were on Aug. 8 presented to the court asking for leave to re-enter, and orders were duly made by the court in accordance with the prayers of the petitions without prejudice to the rights of the Lehigh Valley Coal Co. and of the Lehigh Valley RR. Co. to an accounting, the accounts to be adjusted as of Aug. 1, 1893.

On Aug. 8, the indebtedness of the P. & R. C. & I. Co. to the Lehigh Valley Coal Co. was estimated at \$1,236,000. The amount of coal in our various stocking yards, the control of which was necessary in the conduct of the business, largely exceeded in value this debt. To secure this control and to discharge this debt, as well as to enable the Coal Company at once to meet the demands of its customers, all this coal was bought by the Lehigh Valley Coal Co. at market rates. Under the contract for its purchase the excess value over and above the debt due to the Lehigh Valley Coal Co. became payable monthly as the coal was sold. The larger part has already been sold, and the indebtedness to the P. & R. C. & I. Co., for the excess value proportionately discharged.

In regard to the railroad lease, the payments of rental applicable to dividends on our stock and interest on our bonded debt were made, up to and including the installments due and payable Aug. 1.

An arrangement has been effected with the receiver of the *Pennsylvania, Poughkeepsie and Boston RR.*, by which the portion of its line between Slatinton, Pa., and Hainsburg Junc., N. J., is operated by this company.

The *Easton and Northern RR. Co.*, in which this Company owns a controlling interest, has leased its line to the *Ranger and Portland Ry. Co.* for a term of five years from Aug. 1, 1893. This was prompted by the impracticability of operating this line as a part of the Lehigh Valley System so long as there is no physical connection with our line.

The extension of the *Williamport and North Branch RR.* has been completed to our line at Satterfield Junc., where traffic in both directions is being interchanged.

So much of the double tracking of the mountain cut-off as lies between Avoca and Jenkins Junc., the crossing of the Wilkesbarre and Eastern RR., has been authorized, and will be completed during the present season. At Jenkins Junc. coal and other freight are transferred to and from points on the New York, Susquehanna and Western RR. and its connections.

Arrangements have been effected during the past autumn for the interchange of business with the New York, New Haven and Hartford RR. by transfer of cars on floats between Jersey City and the Harlem River. This opens to the operators on our line a large and valuable territory for delivery of coal direct from the mines in cars throughout the New England States, in addition to that previously accessible by the Poughkeepsie Bridge route. Miscellaneous freights between New England and the West are also being interchanged by the same route.

\$48,400,000

The consolidated mortgage is for \$40,000,000, of which \$12,000,000 are reserved to retire the prior liens when due. The bonds are issued in three series, of which the sterling issue called "Class A" is subject to call at par in increasing amounts each year, being the amount payable Dec. 1, 1894. A second series is composed of the "coupon and registered" bonds, which are not subject to call, but which, prior to Nov. 13, 1893, had the right of conversion at option of holders. Into bonds of the third series, these last being annuity bonds and irredeemable, never falling due except in case of default. All these issues are equally secured. The sterling bonds are to bearer. In amounts of £200 or \$1,000 each, coupons payable June 1 and Dec. 1 at the office of J. S. Morgan & Co., London, Eng., or in Philadelphia, in gold. Principal payable Dec. 1, 1897, by the operation of an accumulative sinking fund of 2 p. c., applied by drawings in Sept. The sterling bonds and the bonds of 1923 are listed on the London Stock Exchange.

The 7 p. c. bonds of the Delano Land Co., amounting to \$1,900,000, guaranteed, principal and interest, by this company, matured Jan. 1, 1892. Those not retired by the sinking fund were replaced by \$1,200,000 of 5 p. c. bonds with the same guarantee issued under a new mortgage. The interest and sinking fund of these bonds are provided for by the income of the Delano Land Co. from royalties on coal mined from its property.

Dividends.—Dividends of 10 p. c. per annum have been paid regularly on preferred stock, quarterly—Jan. 15, April 15, July 15, and Oct. 15. The following statement shows all dividends paid on common stock:

LEHIGH VALLEY COAL CO.—Organized Jan. 11, 1881, to mine and sell coal. In 1884 the property of the Spring Mountain Coal Co. was purchased, and on June 1, 1884, 45,000 acres of land in Centre Co., Pa., known as the Snow Shoe property. Since then various additions have been made to the property, making an estimated total, at the present time, of 100,000 acres. Owned entirely by the L. V. RR. Co. This property was not included in the lease of Dec. 1, 1891, to the Philadelphia and Reading RR. Co. (See MANUAL for 1893, page 957.)

Comparative statement of operations for three years (1891-1893) ending Nov. 30 :

	1893	1892	1891
	Tons.	Tons.	Tons.
Amount of coal shipped from collieries owned and operated by this company	1,748,545	1,454,262	1,385,463

Total.....	4,906,477	4,550,533	4,663,095

"The business of the Lehigh Valley Coal Co. during the past year has resulted satisfactorily. The sales of anthracite coal produced by this company and purchased from individual operators have amounted to 3,116,44 tons, in addition to 360,010 tons sold on commission for other operators. The earnings of the Coal Co. are not included in the foregoing statements of the earnings of the RR. Co. for the past year. Of the bonds of the Coal Co. secured by the mortgage of 1893 for \$12,000,000, as stated in the report a year ago, \$4,000,000 have been guaranteed by the RR. Co. \$1,500,000 of these have been sold to individual coal operators, at par and interest. The remaining \$2,500,000, and the balance of the issue under the mortgage, \$8,000,000 (\$10,500,000 in all), have been bought by the Lehigh Valley RR. Co. in discharge of indebtedness of the Coal Co. These bonds form a valuable asset of the RR. Co., available for future extensions and developments of our railway lines and auxiliary properties. A part of these are in use as collateral for the floating debt of the RR. Co., which amounted at the close of the fiscal year without deduction of cash on hand, to \$3,870,000."

Financial Statement.—Funded debt consisted, April 1, 1894, of \$4,000,000 (authorized, \$12,000,000) 1st mtge. 5 p. c. 40 yr. \$1,000, etc., gold sinking fund bonds, due Jan. 1, 1933, interest Jan. & July, in New York, N. History.—Chartered April 24, 1834 ; main line opened from Jamaica to Greenport, July 19, 1844. The other lines were added from time to time by consolidation and otherwise, as shown in the MANUALS for 1888 and subsequent years. The Stewart R.R., 16.44 miles, previously operated under lease, was purchased in Feb., 1893.

In Jan., 1893, the company acquired a controlling interest in the Prospect Park and Coney Island R.R. Co. In consideration of a guarantee by this company, the interest on the greater part of the bonds of the P. P. & C. I. R.R. Co. has been reduced from 7 and 6 p. c. per annum to 4½ p. c. per annum. See statement on page 504.

* Interest only guaranteed.

The *1st mtge., main line bonds* are secured on the main line from Hunter's Point to Greenport, on 29.35 miles of the line to Sag Harbor out, from Eastport Junction, and on the branches from Mineola to Hempstead, from Hicksville to Northport, from Manor to Eastport Junction, from Floral Park to Creedmoor, and on 10.45 miles of the Locust Valley Branch, from Mineola to Locust Valley; in all, 158.40 miles. They are \$500 coupon bonds: there is a sinking fund sufficient to retire the bonds at maturity. Trustees, James M. Waterbury and W. F. Havemeyer. The *2d mtge. bonds* are secured on the same mileage covered by the 1st mtge. They are \$100, etc., coupon bonds, with privilege of registration.

The *1st consols.* are secured on the entire property owned by the company at the time of issuing the gen. mtge. bonds of 1888, subject to the lien of the 1st mtge. bonds and 2d mtge. bonds on the 158.40 miles of road mentioned above. They are also secured on the terminal property in Long Island City and in Brooklyn, and on all leasehold interest in leased lines. The trustee holds a sufficient amount of the bonds to retire the 1st and 2d mtge. bonds. The bonds are for \$1,000 each. Trustee, Central Trust Co. of New York.

The *gen. mtge. bonds* were issued to provide means for building the extension to Oyster Bay, and for new rolling stock and improvements, and are secured by 1st mtge. on the extension named and by genl. mtge. on the rest of the company's property. The bonds are for \$1,000 each. Trustee, Central Trust Co. of New York.

The *Brooklyn & Montauk bonds* are secured on the lines from Brooklyn to Eastport, from Valley Stream to Rockaway Beach, and from Fresh Pond to the junction with the New York & Flushing RR.; in all, 76.43 miles. They are gold bonds, for \$1,000 each, in coupon form, with privilege of registration. The rate of interest on the 1sts was originally 6 p. c., but after \$250,000 of the bonds (1 to 250) had been issued, the rate was reduced to 5 p. c. All the bonds are guaranteed by the Long Island RR. Co., both principal and interest. Trustee, Central Trust Co. of New York.

The *ferry 1st mtge. bonds* were issued in payment for the entire real estate and plant of the Metropolitan Ferry Co. On the purchase of that property, its entire capital stock was also transferred to the control of this company. The bonds are of the denomination of \$1,000 each; principal and interest payable in gold. These bonds are a direct obligation of the Long Island RR. Co., and are additionally secured by a mtge. upon all the real and personal property of the ferries operated by that company (34th St. and James Slip ferries), subject to a lien of \$1,250,000 outstanding 5 p. c. bonds, to retire which at or before maturity an equal amount of these bonds is reserved. The ferry property includes real estate of great value in New York and in Long Island City, nine ferry-boats, ferry-houses, etc. Authorized issue, \$2,750,000, all of which are outstanding. Trustee, Central Trust Co. of New York.

The *Stewart Line mtge. bonds* were issued in the purchase of the Stewart RR. The authorized issue is \$500,000, and the Central Trust Co., trustee of the mtge., retains the remaining \$175,000, which will be issued only for double tracking and other important improvements.

Annual meeting, 2d Tuesday in April, at Jamaica, N. Y. Transfer books close 30 days in advance of annual meeting, and 15 days in advance of dividend days. Sixty dividend payments were made to the close of the last fiscal year. All bonds are in coup. form, with privilege of registration as to principal. Interest and dividends payable at the Corbin Banking Co., 192 Broadway; interest on consols is also payable in London. Registrar of stock, D. S. Voorhees, 192 Broadway, N. Y.

The cost of road has been charged with the amount expended on construction account, the cost of the Clarksville Mineral Branch (completed), and also the discount on \$1,993,000 unified 50-yr. 4 p. c. bonds, making the sum of \$1,834,756.02 added to the cost of road during the year, which, added to the cost of road June 30, 1892, \$102,993,406.34, makes the total cost of road to June 30, 1893, \$104,828,162.36.			
During the year there were 130.74 miles of track relaid with new steel rails, to replace old steel, at a cost of \$204,615.99. Of this amount, \$123,639.82 has been charged to operating expenses, and \$80,976.17 to construction account for the difference in weight of rails which were replaced with heavier rails.

In the preceding statement are included bonds to the following amounts, which have been drawn for sinking fund, but not presented for redemption: \$13,000 Cecilia Branch bonds, interest ceased Sept. 1, 1892, and \$40,000 Cecilia Branch bonds, interest ceased Sept. 1, 1893; \$1,000 Evansville, Henderson and Nashville Division bonds, interest ceased Dec. 1, 1891, and \$4,000 ditto, interest ceased Dec. 1, 1892; \$3,000 general mortgage bonds, interest ceased June 1, 1892, and \$59,000 of the same issue, interest ceased June 1, 1893.

During the past fiscal year the bonded debt was increased by the issuing of \$2,226,000 unified bonds, and was diminished by the cancellation for sinking fund of \$207,000 general mortgage bonds, \$28,000 Cecilia Branch bonds, \$26,000 Evansville, Henderson and Nashville Division bonds, and \$32,000 Pensacola and Atlantic RR. bonds; a net increase of \$1,953,000.

The consolidated 1st mtge. sinking fund bonds are part of an issue of \$8,000,000. They are secured by 1st mtge. on the main stem and branches of the Louisville and Nashville RR. The bonds are for \$1,000 each, in coupon form, with privilege of registration: principal and interest payable at the office of the company in New York. Trustees, James Punnett and Junius B. Alexander.

The Louisville, Cincinnati & Lexington 1st mtge. bonds were known originally as Louisville & Frankfort and Lexington & Frankfort, Cincinnati Branch, joint bonds. The 2d mtge. bonds were issued by the Louisville, Cincinnati & Lexington RR. Co. Both are secured in the order of their priority, on the Cincinnati Division and Lexington Branch, together 175.96 miles. They are coupon bonds, with privilege of registration: the firsts being for \$1,000 each and the seconds for \$100, \$500, or \$1,000. Both issues have sinking fund provisions, but bonds are not drawn. Principal and interest payable at the office of the Louisville and Nashville RR. Co. in New York. Trustees—of 1st, Marvin Green; of 2d, Joshua Speed.

The L., C. & Lex. general mtge. bonds were issued by the Louisville and Nashville RR. Co. in payment for the L. & L. Ry. They are authorized to the amount of \$7,000,000, and are secured by a general mtge. on the Cincinnati

Division and Lexington Branch. A sufficient amount of the bonds is reserved for the retirement of prior lien bonds secured on the same property. The bonds are for \$1,000 each, in coupon form, with privilege of registration. Principal and interest payable in gold at the New York office of the Louisville and Nashville RR. Co. Trustee, Mercantile Trust Co., New York, N. Y.

The *Memphis and Ohio Division* bonds are secured by 1st mtge. on the line from Memphis to Paris, Tenn., 129.77 miles, purchased by the Louisville and Nashville RR. Co. in 1872, and now forming a part of the Memphis Line. The bonds are for \$1,000 or £200 each, in coupon form. Principal and interest payable in gold, at the office of the Louisville and Nashville RR. Co., in New York, or at the office of Baring Bros. & Co., Ltd., 8 Bishopsgate Street, Within, London, E. C. Trustees, John B. Smith and Junius B. Alexander.

The *Memphis, Clarksville and Louisville* bonds are secured on the portion of the Memphis Line between Paris, Tenn., and the Kentucky State Line, 82.25 miles. They are for £200 each, in coupon form; principal and interest payable at the office of Baring Bros. & Co., Ltd., 8 Bishopsgate Street, Within, London, E. C. The principal is redeemable by means of a sinking fund of 1 p. c. per annum, which is applied to the purchase of bonds, if they can be obtained below par, but which is invested in other securities if the bonds are above par. Trustees, John B. Smith and Junius B. Alexander.

The *Cecilian Branch* bonds are for \$1,000 each, in coupon form, but they may be registered at the office of Drexel, Morgan & Co., New York, N. Y. There is a sinking fund for retirement of the bonds at par, and if they cannot be purchased at that price they are drawn by lot. Principal and interest payable in New York. Trustee, Union Trust Co., New York, N. Y.

The *Evansville, Henderson and Nashville Division* bonds are secured by 1st mtge. on the Henderson Division and Madisonville Branch. They are \$1,000 coupon bonds, but may be registered at the office of Drexel, Morgan & Co., New York, N. Y. There is a sinking fund (commenced in 1885) for purchase of the bonds at not over 110, but if bonds cannot be obtained at that price an amount sufficient to exhaust the annual sinking fund is subject to call at 10 per cent. premium. Principal and interest (free of taxes) payable in gold at the New York office of the Louisville and Nashville RR. Co. Trustee, Central Trust Co. of New York.

The *general mtge. bonds* of 1890 are part of an authorized issue of \$20,000,000, and are secured on the main stem and the Bardstown, Lebanon-Knoxville, Richmond and Memphis Branches, aggregating 453.57 miles. The consols of 1865 and the bonds of the city of Louisville, in aid of the Lebanon Branch Extension, are prior liens on the mileage specified, and a sufficient amount of the general mortgage bonds was reserved for the retirement of those issues. The bonds are also secured on the portion of the Memphis Line, between Guthrie (Kentucky Line) and Memphis, and on the Cecilia Branch and the Henderson Division and Madisonville Branch, subject to the prior liens of the Memphis and Ohio, the Memphis, Clarksville and Louisville, the Evansville, Henderson and Nashville, and the Cecilian Branch mortgages. So that upon the retirement of the consols of 1865 and the Louisville city loan the general mortgage bonds will be a first lien on the main stem and branches, and a secondary lien on the other lines mentioned. The bonds are for \$1,000 each, and are in coupon form, but they may be registered at the office of Drexel, Morgan & Co., New York, N. Y. Principal and interest payable in gold, in New York, N. Y. The mortgage provides for a sinking fund sufficient to retire the bonds before maturity, the company having the right to draw bonds by lot at 110 and interest. Trustee, Central Trust Co., New York, N. Y.

The *Pensacola Division* bonds are for \$1,000 each, in coupon form, with privilege of registration. Principal and interest payable in gold, in New York, N. Y. There is a sinking fund of \$5,000 yearly till 1900, then \$10,000 yearly, and increasing at stated periods till all the bonds are paid off. The sinking fund is applied to purchase of bonds at 105, but if they cannot be obtained at that price, the bonds are drawn by lot at 5 per cent. premium. Trustees, Henry F. Vail, H. Victor Newcomb, Martin F. Sullivan.

The *St. Louis Division 1st mtge. bonds* are for \$1,000 each, and are in coupon form, but they may be registered at the office of Drexel, Morgan & Co., New York, N. Y. Principal and interest payable in gold, in New York, N. Y. Trustees, Henry W. Smithers, William F. Whitehouse, and Noble C. Butler. Except as to date and term of mortgage, rate of interest and priority of lien, these and the *St. Louis Division 2d mtge. bonds* are alike in all respects.

The *New Orleans and Mobile Division 1st mtge. bonds* are issued under a mortgage dated May 8, 1880, to the Farmers' Loan and Trust Co. of New York, as trustee, and are secured on the line from Mobile, Ala., to New Orleans, La., 140.36 miles. They are \$1,000 coupon bonds, but may be registered at the office of Drexel, Morgan & Co., New York, N. Y. Principal and interest payable in gold, in New York, N. Y.

The *New Orleans and Mobile Division 2d mtge. bonds* were issued in lien of \$3,000,000 New Orleans, Mobile and Texas RR. 2d mtge. income debentures. They are dated October 5, 1881; the debentures bore the same date as the N. O. & M. Div. 1sts—May 8, 1880. The bonds are for \$1,000 each, in coupon form, with privilege of registration. Principal and interest payable in gold, in New York, N. Y. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The *Pensacola and Atlantic* bonds are secured by 1st mortgage on the railroad from Pensacola to River Junction, Fla., 160.25 miles, and upon all property appertaining to that line. The bonds are for \$1,000 each, in coupon form, with privilege of registration. They are guaranteed, principal and interest, by the Louisville & Nashville RR. Co., and the guarantee is endorsed on each bond. Principal and interest payable in gold, at the office of the Louisville & Nashville RR. Co., in New York, N. Y. There is a yearly sinking fund (commenced February 1, 1892), of 1 1/10 per cent., for redemption of the bonds, by purchases or drawings, at 10 per cent. premium. Trustees, Edmund D. Randolph, John L. Cadwalader, New York, N. Y.

The *10-40 adjustment mtge. bonds* are secured, subject to prior liens, on the main stem, Bardstown Branch, Lebanon-Knoxville Branch, Memphis Line, Evansville, Henderson and Nashville Division and Madisonville Branch, aggregating 783.23 miles, and are further secured by deposit in trust of securities of auxiliary lines of an aggregate par value of \$23,162,700, as shown in the *MANUAL* for 1883. They are also a 1st lien on certain equipment mentioned in the car trust agreement of Mar. 30, 1892, the car trust certificates having been paid off. The bonds are for \$1,000 each, in coupon form, with privilege of registration. They are dated Oct. 2, 1884, due Nov. 1, 1924, but are subject to call at any time after Nov. 1, 1894. Bonds intended to be paid in any year before maturity, if less than the entire issue, are to be drawn by lot, and interest on them will cease on the following interest day. Principal and interest payable in gold, in New York, N. Y. Trustee, Central Trust Co., New York, N. Y.

The *1st mtge. 5 p. c. 50-yr. gold bonds* of 1937 were issued to cover the cost of the extension of the Cumberland Valley Branch from Corbin to Pineville, Ky., 32 miles, and the cost of completion of the line from Clarksville, Tenn., to Princeton, Ky., 54 miles, and are a lien upon such lines and also upon certain branches named in the mtge. The bonds are for \$1,000 each, in coupon form, with privilege of registration. Authorized issue, \$3,500,000 at the rate of \$115,000 per mile. Principal and interest payable in gold, in New York, N. Y. Trustee, United States Trust Co., New York, N. Y.

The *1st mtge. collateral trust gold bonds* are part of an authorized issue of \$7,000,000, to be secured by deposit in trust of \$5,000,000 1st mtge. 5 p. c. bonds of the Birmingham Mineral RR. Co., due Nov. 1, 1937, and \$2,000,000 1st mtge. 6 p. c. bonds of the Owensboro' & Nashville Ry. Co., due Nov. 1, 1931. The trustee holds as security for the amount of bonds outstanding \$3,120,000 Birmingham Mineral bonds, and \$1,200,000 Owensboro' & Nashville bonds. The mtge. is dated April, 1883, and the bonds draw interest from May 1, 1883. Principal and interest payable in gold, in New York, N. Y. The bonds are for \$1,000 each, in coupon form, with privilege of registration. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The *unified 4 per cent. 50-year gold bonds* are secured on the entire property and assets of the company of whatever description, but subject to prior liens. They are additionally secured, subject to the lien of the 10-40 adjustment mortgage, on \$16,209,700 stocks deposited in trust as follows: Louisville, Cincinnati & Lexington Ry., preferred, \$1,500,000; common, \$985,000; Mobile & Montgomery Ry. Co., \$2,939,700; Nashville, Chattanooga & St. Louis Ry. Co., \$3,385,000; New Orleans, Mobile & Texas RR. Co., \$3,985,000; Owensboro' & Nashville Ry. Co., \$250,000; South

Also secured by deposit of the following stocks and bonds, free from any prior lien: *Stocks*—Owensboro' & Nashville Ry. Co., \$713,400; Birmingham Mineral R.R. Co., \$1,972,600; Nashville, Florence & Sheffield Ry. Co., \$615,000; South & North Alabama RR. Co., common, \$942,400; Henderson Bridge Co., \$501,000; Pensacola R.R. Co., \$285,000; Louisville Ry. Transfer Co., \$100,000; Anniston & Atlantic R.R. Co., \$369,000; Anniston & Cincinnati R.R. Co., \$1,000,000—total, \$6,498,400. *Bonds*—Anniston & Atlantic R.R. Co. 1st 6s, of 1903, \$400,000; Anniston & Cincinnati R.R. Co. 1st 6s, of 1917, \$700,000—total, \$1,100,000. The authorized issue is \$75,000,000, of which \$41,917,660 was reserved for the retirement of prior liens. It is provided in the mortgage that no further bonds of prior mortgages shall be issued, but that those outstanding shall be gradually retired, and that there shall be no renewal or extension of them. Of the remaining bonds \$5,000,000 were issued in 1890 and the proceeds applied to the corporate purposes of the company, and it was provided that the balance should be issued only to provide for the cost of additions and improvements to the property and for premiums on prior lien bonds paid or to be paid. The bonds are for \$1,000 each, in coupon form. Coupon bonds may be registered as to principal only, or they may be exchanged for full registered certificates in sums of \$5,000. Principal and interest payable in gold, in New York. N. Y. Trustee, Central Trust Co., New York, N. Y.

The *Kentucky Central bonds* are secured on the Kentucky Central Ry., 247.49 miles, subject to the lien of the Maysville and Lexington mortgages (\$629,000 prior bonds outstanding, as shown below). The bonds are for \$1,000 each, in coupon form, with privilege of registration. Principal and interest payable in gold, at the office of the Louisville & Nashville RR. Co., New York, N. Y. Trustee, Metropolitan Trust Co., New York, N. Y.

The *Maysville and Lexington R.R. Northern Division bonds* are a first lien on the branch of the Kentucky Central Ry. extending from Maysville to Paris, Ky., 49.32 miles. They are \$1,000 bonds; interest payable at the office of the Louisville & Nashville RR. Co. in New York, N. Y. The *Maysville and Lexington R.R. Southern Division bonds* were issued in 1855 by the Covington & Lexington R.R. Co., fell due in 1875 and were extended to 1896, the interest rate being reduced from 7 per cent. to 6 per cent. The bonds are for \$1,000 each; interest payable at the office of the Louisville & Nashville RR. Co. in New York, N. Y.

History.—Consolidation in 1873 of the Nashville and Chattanooga and the Nashville and Northwestern RR. Cos. (See MANUAL for 1888, and subsequent issues.) The following lines, in addition to those noted in the mileage statement, were completed prior to June 30, 1893, but were not operated by the company until the present year: Tennessee and Coosa RR., Gadsden to Guntersville, Ala., 37.5 miles; Huntsville Extension: Huntsville, Ala., to the Tennessee River, near Hobb's Ferry, 15.89 miles; Sequatchie Valley RR., branch to the mines of the Sequatchie Valley Coal and Coke Co., 3.14 miles; Bon Air Br., extension from Bon Air to Blue Springs, 2 miles; Centreville Branch, extension from Lewis County Line to Allen's Creek, 17.45 miles; a total of 75.98 miles, making the total mileage completed 885.98 miles. There is also a river transfer of 20 miles, from Hobb's Island to Guntersville, connecting the Tennessee and Coosa RR. with the main system.

The West. & Atl. RR. is leased for 29 years from Dec. 27, 1890, at a rental of \$35,001 per month. The Memph. & Charl. RR. Co. uses this Co.'s tracks from Stevenson, Ala., to Chattanooga, Tenn., 38 m.; rental, \$60,000 per annum; contract terminates after Oct. 1, 1888, upon 2 yrs.' notice by either party. Under a 33-yr. agreement, dated Jan. 18, 1881, the Ala. Gt. So. RR. Co. uses the tracks from Wauhatchie to Chattanooga, 5 m., at an annual rental of \$14,400.

sidings (owned, 263.46; leased, 13.19), 276.65 miles. Gauge, 4 ft. 8½ in. Rail (steel—owned, 1,746.17; leased, 142.20—total, 1,888.37 miles), 63 lbs.

History.—Organized April 7, 1870, by the consolidation of the Union Pacific, Southern Branch, chartered Sept. 20, 1865; the Tebo and Neosho, chartered June 18, 1870; the Labette and Sedalia, chartered May 7, 1878; and the Neosho Valley and Holden, whose road was opened in 1871. The St. Louis and Santa Fé RR., Holden, Mo., to Paola, Kans., chartered Dec. 1, 1870, was purchased at foreclosure sale, April 29, 1872; and the Hannibal and Central Missouri, Hannibal to Moberly, 72.5 miles, chartered Feb. 13, 1865, was purchased in 1873. The line from Junction City to the southern boundary of Kansas was opened June 1, 1870; from Sedalia to Parsons, Mar. 1, 1871; from southern boundary of Kansas to Denison, Jan. 1, 1873; and from Hannibal to Sedalia, Sept. 1, 1873.

The increase in mileage in recent years has been chiefly by construction in Texas (for particulars of which reference should be made to the MANUALS from 1888 to 1893).

The Fort Worth line, from Fort Worth to Whitesboro', 71 miles, is owned and was built by the Texas and Pacific Ry. Co. It is operated jointly with that company by the M., K. & T. Ry. Co., which pays as rental 6 p. c. on \$10,000 per mile, and one-half taxes, expenses, etc. The Osage Division, 54 miles, is operated by the Missouri Pacific Ry. at an annual rental of \$27,500 and expenses.

The M., K. & T. Ry. Co. has a proprietary interest in the Osage Coal and Mining Co., operating the coal mines at McAlester, Indian Territory, by an ownership of one-third of the shares of the capital stock of that company. No revenue has been derived from this invest-

ment for several years. In June, 1893, however, the representation of the M., K. & T. company in the Board of Directors was increased, and a distribution of its net earnings, to the extent of \$6 per share, secured.

The M., K. & T. 1st mtge. 4 p. c. gold bonds were issued under the plan of reorganization; \$35,000,000 (Nos. 1 to 35,000 inclusive) are of \$1,000 each, and \$5,000,000 (Nos. 35,001 to 45,000 inclusive) are of \$500 each. These bonds are secured upon the entire property of the company, including the securities representing the control of, and ownership in, the several constituent companies organized under the laws of the State of Texas. A sufficient amount of the bonds is reserved for retirement of the \$187,000 bonds outstanding on the Tebo and Neosho R.R., from Sedalia to the Kansas State Line, 100 miles. Provision is made upon the bonds for registration of the principal. Trustee, Central Trust Co., New York.

The M., K. & T. 2d mtge. 4 p. c. gold bonds were issued under the plan of reorganization; \$17,000,000 (Nos. 1 to 17,000 inclusive) are for \$1,000 each, and \$3,000,000 (Nos. 17,001 to 23,000 inclusive) are for \$500 each. They are secured by 2d mtge. on the same property and securities as the 1st mtge. bonds. The payment of interest is not obligatory until after Aug. 1, 1895, it being provided that in the meantime interest shall be paid only if earned in the six months prior to the maturity of each coup., and shall be non-cumulative. The interest due Feb. 1, 1892, Feb. 1, 1893, and Feb. 1, 1894, was paid, but the Aug. coup. of each of the years named were passed, the earnings for the preceding six months not having been sufficient to warrant their payment. Provision is made upon the bonds for registration of principal. Trustee, Mercantile Trust Co., New York, N. Y.

Land Department.—Under several Acts of Congress the company received large land grants, both in the State of Kansas and in the Indian Territory; those in the latter claimed to amount to 3,110,400 acres subject to treaty stipulations and to the extinguishment of the Indian title. The lands received from the State of Kansas have all been sold. No lands in the Indian Territory have yet been received. On Mar. 3, 1893, a bill was passed in the National Congress providing for the appointment of a Commission to investigate and report to the

Government as to the expediency of opening up for settlement territory tributary to the M., K. & T. Ry.

Annual meeting, third Wednesday in May, at Parsons, Kansas. Registrar of stock, Central Trust Co., New York, N. Y. Interest on bonds payable at the company's office in New York.

SUBSIDIARY COMPANIES.

MISSOURI, KANSAS AND TEXAS RY. OF TEXAS.—Main lines, branches, etc., 910.66 m.; sidings, etc., 147.79 m.—total, 1,058.45 miles. Chartered Oct. 23, 1891. The lines of this company are those heretofore known as and constituting the M., K. & T. system in Texas. At the time of the reorganization of the M., K. & T. Ry. Co., the authorities of the State of Texas demanded, and by an act of the Legislature, approved April 16, 1891, authorized the transfer of the lines of the M., K. & T. Ry., within that State, to a corporation to be formed under the laws of the State. This company was, therefore, organized on Oct. 23, 1891, and all the property of the M., K. & T. Co. within the State of Texas was decided to it on Nov. 18, 1891. The entire capital stock of the company, \$8,000,000, is deposited with the Central Trust Co. of New York, as trustee, for the benefit and security of the stockholders and bondholders of the M., K. & T. Ry. Co. The company is authorized to issue bonds to the amount of \$10,000,000, or at the rate of \$20,000 per mile on a maximum of 500 miles in conjunction with its existing lines in Texas, and to issue stock against the same at the rate of \$10,000 per mile, the stock to be deposited with the Central Trust Co. of New York, as before stated. In the summer of 1892 the company began the construction of two new lines, one from Boggy Tank to Houston, 80 miles, and the other from Smithville to Lockhart, 37 miles. The latter was completed about Oct. 1, 1892, and the line to Houston, Mar. 1, 1893. To provide for this construction a mortgage was executed to the Central Trust Co. of New York, as trustee, to secure 1st mtge. 5 p. c. 50-yr. \$1,000 gold bonds, due Sept. 1, 1942, interest Mar. & Sept. The bonds are issued at the rate of \$20,000 per mile, and are guaranteed, principal and interest, by the M., K. & T. Ry. Co., the guarantee being endorsed upon each bond. They are in coup. form, but are subject to successive registrations and transfers to bearer. Interest payable at the office of the M., K. & T. Ry. Co. in New York. Provision was made in the mortgage for the retirement of the \$200,000 1st mtge. bonds of the Sherman, Denison & Dallas Ry. Co., by exchanging for them an equal amount of these bonds, which was done, the total amount outstanding being \$2,635,000. *Rolling Stock*.—Locomotives—passenger, 2; mogul, 5—total, 7. Cars—Passenger coaches (1st class), 2; passenger coaches (2d class), 2; baggage, 2; freight, (flat, 50; box, 93), 143; cabooses, 5; hand, 17; push, 17—total cars, 188.

MISSOURI, KANSAS AND TEXAS SYSTEM.—SOUTHWESTERN COAL AND IMPROVEMENT CO.

History and Financial Statement.—This company was incorporated April 8, 1889, under the laws of the State of West Virginia. Capital stock (\$100 shares), \$2,800,000; funded debt, \$1,000,000 1st mtge. 6 p. c. gold \$1,000 bonds, due July 1, 1929, interest Jan. & July. These bonds are secured by a first mortgage on the coal underlying about eighty square miles of land in the Ind. Ter. The property is reached by a short branch of the Missouri, Kansas and Texas Ry. from Atoka, Ind. Ter. The bonds are further secured by the deposit, with the trustee of the mortgage, of the entire capital stock (3,050 shares) and by the deposit also of \$1,000,000 of 1st mtge. bonds of the Denison and Washita Valley Ry. Co., being the entire funded debt of that company, and covering a line extending the Atoka branch of the M., K. & T. Ry., from its terminus at Lehigh, Ind. Ter., up to the mines of the Southwestern Coal and Improvement Co., at Colgate, 10 miles; covering also a line of completed railroad running from Denison, Tex., northward toward the Red River, about 6 miles, and about 150 acres of land at Denison. This line and the real estate have been availed of by the M., K. & T. Ry. Co. for a belt road around the city of Denison and extensive yards and terminals, comprising 11 miles of track, occupied under perpetual lease by the M., K. & T. Ry. Co. The proceeds of these bonds have created without other debt the present plant, already adequate for the output of 3,000 tons a day. For 1893 the gross earnings of the company were \$664,474.20; net, \$73,568.56; against fixed charges for the same period of \$54,000. The output of coal by this company in 1893 was 377,176 tons. The entire capital stock of the Southwestern Coal and Improvement Co. is owned by the Missouri, Kansas and Texas Ry. Co., which guarantees unconditionally the payment of principal and interest of these bonds, the guarantee being inscribed on each bond.

History.—Incorporated Feb. 28, 1893. Successor to the East Line and Red River RR. Co. Concerning the latter, see MANUAL for 1881, page 769. The entire capital stock of the company and \$2,000,000 of its bonds are deposited with the Central Trust Co. of New York, and are held as Collateral Trust to the mortgages of the M., K. & T. Ry. Co. of June 1, 1890. The coupons from these \$2,000,000 bonds of the Sherman, Shreveport and Southern Ry. Co. are not payable by the latter company as long as the Missouri, Kansas and Texas Ry. Co. pays the coupons on its own 1st mtge. bonds, but are cancelled as each coupon matures. The total interest, therefore, obligatory upon the company is upon the remaining \$1,100,000 bonds, only, making the interest charge upon the 155 miles at the rate of only about \$350 per mile.

Although the line is wholly owned by the Missouri, Kansas and Texas Ry. Co., by the deposit of capital stock referred to, and is an important feeder of that system, it is necessary, for legal reasons, to maintain a separate organization. The Missouri, Kansas and Texas, however, has guaranteed the payment of the principal and interest of these bonds.

Operations, six months ending Dec. 31, 1893.—Earnings (passenger), \$28,077.88; freight, \$153,837.01; mail, \$3,832.32; express, \$2,100; other, \$1,666.10—total, \$189,513.31. Ex-

penses, \$124,039.26. Net earnings (for 6 months), \$65,474.05, out of which were paid taxes for entire year \$10,978.99; interest on the funded debt for the 6 months, \$27,500—total \$38,478.99. Surplus, \$26,995.06.

Financial Statement.—Capital stock (\$10,000 per mile; par, \$100), \$3,000,000; issued, \$2,751,800. Funded debt 1st mtge. 5 p. c. gold bonds, dated June 1, 1893, due June 1, 1943, interest June 1 & Dec. 1; authorized (\$20,000 per mile), \$6,000,000; issued June 1, 1893, \$3,100,000, of which \$2,000,000 are held as collateral trust by the Central Trust Co., as above, leaving amount outstanding, \$1,100,000; guaranteed, principal and interest, by the Missouri, Kansas & Texas Ry. Co.

* NOTE.—Of the total mileage of leased lines, 505.85 miles, as above, 675.17 miles (indicated in the mileage statement, pp. 526 and 525, by an asterisk, *) are leased by one System Co. to another, and in adjustment of mileage are transferred from "Lines Leased" to "Lines Owned," increasing the mileage owned from 4,181.42 miles to 4,856.59 miles, the latter total representing the mileage owned and controlled by the capital stock of the Missouri Pacific Ry. Co. Total "Miles Leased," as above, 805.85, less 675.17 miles transferred, as previously shown, leaving mileage leased from foreign companies 130.68 miles, to which add mileage of Central Branch U. P. Ry. (388.19 miles, less 1.89 miles caused by duplication of connection at Atchison, Kan.), 386.30 miles, making total mileage of leased lines 516.98 miles, and total mileage in operation 5,373.57 miles.

Of the main line 1.89 miles, between Atchison Union Depot and Central Branch Junction, Kan., are owned by the Central Branch Union Pacific RR. The tracks of the Hannibal and St. Joseph RR. (St. Joseph Extension) from Atchison, Kan., to St. Joseph, Mo., 21 miles, are used under contract. The Boonville, St. Louis and Southern Ry., from Versailles to Boonville, Mo., 43.95 miles, is leased at an annual rental of \$25,000. The company also uses the Osage Division of the Missouri, Kansas and Texas Ry., from Holden, Mo., to Paola, Kan., 54 miles, paying therefor a rental of \$27,500 and all taxes and expenses.

History.—For history of this company, see MANUAL for 1891, page 784.

The Missouri, Kansas and Texas Ry. was leased to the M. P. Ry. Co. Dec. 1, 1880, the rental being the net earnings of the leased line. It was placed in the hands of receivers Nov. 1, 1888, the accrued interest in excess of surplus earnings being larger than could be advanced by the Missouri Pacific Ry. Co. under the terms of the lease. Lease abrogated by consent May 1, 1889. (See GENERAL INDEX.)

During the year 1881 the Missouri Pacific Ry. Co. acquired the ownership of the railroad, branches, and property of the St. Louis, Iron Mountain and Southern Ry. Co. by an exchange of three shares of its capital stock for every four shares of that of the St. L., I. M. & S. Ry.

The Missouri Pacific Ry. Co. leases the Central Branch Union Pacific RR. for 25 years from Dec. 31, 1885, accounting to the Union Pacific Co. (which owns it) for the net earnings.

EXTENSIONS AND BRANCH LINES.—In 1886 the Missouri Pacific Ry. Co. began the construction of a series of branch lines and extensions, "in order to protect the present traffic of your [the company's] railway and insure its future growth." To provide the means necessary for this purpose the stock was increased during 1886-87, at various times, from \$30,000,000 to \$45,000,000, of which there was outstanding Dec. 31, 1888, \$43,974,850. (See MANUAL for 1890, pp. 534-535.)

CONSOLIDATION OF BRANCH LINES.—For history of the several consolidations of the branch lines of this company, see MANUAL for 1891, page 786, and MANUAL for 1892, page 798.

PASSENGER TRAFFIC.—The general depression in business of every character was indicated by the decrease in local passenger earnings of nearly all western lines during the latter part of 1893. While, up to July 1, 1893, the passenger earnings of the Missouri Pacific System showed an increase from all sources and for all classes of \$120,927.03, as compared with same period of 1892, prevailing conditions caused a continuous shrinkage for the ensuing six months, the local earnings for this period showing a decrease of \$224,121.90, and foreign earnings also showing a slight falling off during these months. Compared with the previous year, the total decrease of earnings from passenger traffic from all sources was \$122,410.37. Foreign earnings show an increase of \$246.95, and local a decrease of \$122,163.42. As an offset to these figures, passenger train mileage for the year was reduced 26,814 miles. Expense of foreign agencies showed decrease of \$13,121.81. Advertising expenses showed decrease of \$4,237.78. Foreign commissions were reduced \$1,900.93.

The earnings per passenger show an increase over the previous year, as well as the earnings per passenger per mile, which, for 1893, were 02.256. Total number of passengers carried in 1893, 4,730,238; in 1892, 5,031,277; decrease, 351,039. Decrease in number of local passengers, 179,487; in special and excursion passengers, 111,462; in commercial passengers, 14,465; in commutation passengers, 62,211.

Number of foreign and emigrant passengers increased, 16,556.

Number of passengers carried one mile in 1893, 304,193,055; in 1892, 211,596,021.

In addition to the business depression so clearly indicated by these figures, the Missouri Pacific had also to contend with the World's Fair, which attracted to and via Chicago a large volume of business between the territory west of the Missouri River and the East. Reduced rates of transportation between eastern cities and Chicago were available in either direction, but no corresponding reduction was made to or from St. Louis. From the West, reduced rates, both one way and round trip, were made to St. Louis, proportionate with those to Chicago, but as there were no such low rates from our eastern gateway (St. Louis) as applied to and from Chicago, a great amount of the travel was undoubtedly diverted from the channel it would otherwise have taken. The same causes which so unfavorably affected the Missouri Pacific undoubtedly added to the earnings of the St. Louis, Iron Mountain & Southern Ry. by stimulating travel to the World's Fair. This is shown by the consistent and steady increase in the earnings of that line, which

for the year amount to \$2,213,105.79, an increase over the preceding year of \$125,497.00. The decrease being largely attributable to the falling off in local earnings, indicates causes and circumstances over which we exercise no direct control, and it is to be hoped that our earnings will again show satisfactory results when the general business of the country revives.

FREIGHT TRAFFIC.—Freight earnings, beginning the latter part of June, were adversely affected by the financial panic, which reached its height in the month of Aug., resulting in practical stagnation of West-bound freight. The grain crop of 1893 in the States traversed by this System fell below the average. Its early movement was retarded by the inability of grain-dealers to borrow money on bills of lading or any other good collateral owing to the distrust prevailing in banking circles, and, later, with restored confidence in banking circles, we were disappointed in the tonnage and revenue on this important class of traffic, due to the low prices prevailing. Northern Kansas, and Southern, Central, and Eastern Nebraska have furnished this Company the largest proportion of grain traffic it has enjoyed this year, Western and Central Kansas being practically barren owing to failure of crops, the Eastern portion of Kansas being sharply competitive. The results from live stock traffic compare favorably with previous year, the increase in through traffic compensating for lighter movements locally. Traffic in cotton was confined almost entirely to the Iron Mountain Line. The crop of 1893 was considered to be short of an average crop about 20 p. c. Notwithstanding this, the crop matured earlier and moved in good volume during the fall and winter seasons. The transportation of coal was seriously affected by the closing of manufactories, who were large consumers, and the continued mild weather up to the close of the year reducing commercial requirements. The freight traffic operations of the company have been conservative, our efforts being to maintain uniform rates and prevent violent fluctuations. The average revenue per ton per mile was as follows: 1892, .00.935; 1893, .00.922—a decrease of .00.013.

In the published report of 1892 the average revenue per ton per mile was stated at .00.949. The discrepancy between these figures and the ones enumerated above is due to the elimination this year of the Central Branch Union Pacific Railroad, whose statistics are tabulated separately and will be found in the appendix.

These bonds were extended 47 years at 5 p. c. from July 1, 1891. Average per mile, \$9,092. Trustee, Edwin D. Morgan and Joseph Seligman.

The *real estate mtge. currency bonds* (P. R.R. of Mo.) are secured on four blocks of ground in the city of St. Louis, Mo., valued at \$2,500,000. Bonds Nos. 1 to 600 are for \$1,000 each, and from Nos. 601 to 1,000 are \$500 each. These bonds matured May 1, 1892, and were extended 46 years at the rate of 5 p. c.; principal and interest payable in New York City. Trustees, R. J. Lackland and Dwight Durkee.

The *Carondelet Branch* (P. R.R. of Mo.) 1st mtge. bonds are secured on the line from Kirkwood, Mo., to Carondelet, Mo., 12.44 m. They are for \$1,000 each. Coupons payable at the National Bank of Commerce, New York, N. Y. Average per mile, \$18,846. Trustee, Jesse Seligman, New York, N. Y. James Baker, St. Louis, Mo.

The *3d mtg.* (Mo. Pac. Ry.) bonds of 1906 were issued on the organization of the original Missouri Pacific Ry. Co. as successor to the Pacific R.R. of Missouri in 1876. These bonds are secured by third mortgage on the main line and the Carondelet Branch, forming the old Pacific R.R. of Missouri. Total issue, \$4,500,000, of which \$672,000 were exchanged for consol. mtge. bonds, leaving outstanding \$3,828,000 as above. They are \$1,000 each. Interest payable at office of Mercantile Trust Co., New York, N. Y. Trustee, Central Trust Co., New York, N. Y. Average per mile, \$12,932.

The *Lexington Division bonds* are secured by 1st mortgage on the line from Lexington, Mo., to Selma, Mo., 55.5 m. They are \$500 and \$1,000 each. Interest payable at office of Mercantile Trust Co., New York, N. Y. Trustee, Jesse Seligman, New York, N. Y. Average per mile, \$11,818.

The amount of *consolidated mortgage bonds* authorized is \$30,000,000, of which \$15,000,000 are reserved to cover prior liens. The bonds outstanding (\$14,904,000) are secured on the Missouri Pacific Ry. main line (481.11 m.), and branches (536.01 m.) of road, aggregating 1,000.12 miles (see p. 525); also upon all franchises, rolling stock, etc., now owned or that may hereafter be acquired. Bonds are \$1,000 each, coupon, with privilege of registration as to principal. No sinking fund. Interest payable at office of the Mercantile Trust Co., New York, N. Y. Trustees, John P. Dillon and Edward D. Adams. Average per mile, \$13,844.19.

The *trust 5 per cent. bonds* were issued under authority of a resolution of the stockholders, adopted Dec. 10, 1886, and are secured by a deposit in trust of 1st mtge. bonds of railway companies controlled or operated as part of its system by the Missouri Pacific Ry. Co. The issue of this series of bonds is limited to actually completed mileage of railroads whose 1st mtge. bonds are deposited in trust as above. For statement of the companies issuing the underlying bonds and description of same, see page 536. These bonds are for \$1,000 each, and may be registered as to the principal only with the coupon still attached, or as to principal and interest with the coupons detached and cancelled. Bonds can be registered at the office of the Mercantile Trust Co., where also the interest is payable. Issue limited to \$15,000,000. Trustee Union Trust Co., New York, N. Y. Listed on the New York Stock Exchange.

The *collateral trust bonds* were issued by authority of the stockholders at a special meeting held July 15, 1890, in pursuance of a plan for discharging the floating debt and for providing means for the prosecution of current construction and improvements. Issue is limited to \$10,000,000; to be issued at a rate not exceeding 80 p. c. of the par value of the deposited and underlying 1st mtge. bonds of auxiliary companies. For statement of securities covered by the collateral trust bonds, see page 537. Bonds are \$1,000 each. Bonds may be registered as to principal only, with the coupons still attached, or as to principal and interest, with the coupons detached and cancelled. Interest payable at the office of the trustee, the Mercantile Trust Co., New York, N. Y. Listed on the New York Stock Exchange.

The Transfer steamer *Wm. T. Hart* and floats owned by the company operate between Newburgh, N. Y., and Fishkill-on-Hudson, N. Y., a distance of 0.79 mile.

This company's passenger and freight trains are hauled by the New London Northern RR. Co. over that company's tracks between Norwich and New London, a distance of 13.50 miles. The company controls through its lease of the Norwich and Worcester RR. the *Norwich and New York Transportation Co.'s* line of steamers, between Norwich, New London and New York, 125 miles. The total number of miles of transportation lines controlled by the New York and New England RR. Co. is 684.48 miles.

History.—This company was formed by the organization, in 1873, of the holders of Berdell mortgage bonds issued by the Boston, Hartford and Erie RR. Co. (See MANUAL for 1888.) The company has authority from the Legislature of Connecticut to purchase the Rockville RR., and to issue \$100,000 5 p. c. 30-yr. bonds for that purpose. For terms of leases see subjoined statements for the several companies.

Temporary receivers were appointed Dec. 27 and Dec. 29, 1893, and on Jan. 24, 1894, the receivership was made permanent. Default was made on 1st mtge. interest Jan. 1, 1894, and on 2d mtge. interest Feb. 1, 1894. John I. Waterbury and Henry W. Cannon, of New York, and T. Jefferson Coolidge, Jr., of Boston, have organized as a committee of reorganization.

The *New York, New England & Northern RR. Co.* was chartered July 22, 1893, with a capital of \$3,000,000, to build a road from a point on the main line of the N. Y. & N. E. RR. near the Connecticut State Line to Leggett's Point, in New York City, a distance of about 50 miles. It was proposed to lease the road to the N. Y. & N. E. RR. Co., but the matter is held in abeyance owing to the financial embarrassment of the N. Y. & N. E. RR. Co.

"The mileage and operations of the Dunkirk, Allegheny Valley and Pittsburgh RR., the Beech Creek RR., the Mohawk and Malone Ry., the Carthage and Adirondack Ry., and the Gouverneur and Oswegatchie RR. are not included in this report, as separate accounts have been kept and separate reports made by the officers of those companies. It is intended, however, to incorporate the mileage and operations of the three last-mentioned roads in the report for the next fiscal year and thereafter."

History.—Consolidation Nov. 1, 1869, of the New York Central and the Hudson River RR. Cos. (See MANUAL for 1890 and MANUAL for 1892.) For terms under which leased lines are operated, see statements of the several companies.

At a meeting held April 19, 1893, resolutions were approved authorizing leases of the Mohawk and Malone, the Gouverneur and Oswegatchie, and the Carthage and Adirondack RRs., and a vote was recorded in favor of the acquisition of a controlling interest in the stock and bonds of the New York and Northern Ry. Co. and the making of a lease of that company's railroad and property. (See statements of these several companies for particulars.)

Rolling Stock, June 30, 1893.—Locomotives, 1,188. At a special meeting of the stockholders, April 19, 1893, the directors were authorized to increase the capital stock from its present amount of \$89,428,300 to \$100,000,000, "in order to provide means for the cost of extension of station and terminal facilities at New York City; for block signals from New York to Buffalo; for increased cost of Harlem River improvement; for the purchase of additional real estate at Buffalo and other points on the line; for additional equipment; and generally for such other construction work, improvements, extensions, or betterments as may from time to time be necessary for the proper and effective development of the property." In accordance with this authority, there has been issued \$6,000,000 additional capital stock, making total amount at date, \$95,428,300.

The *first mortgage bonds* were issued partly to provide means for retiring certain maturing bonds, and partly to provide means for additional tracks and other improvements. The mortgage covers the entire road. The sterling bonds of this issue are numbered 1 to 10,000, are on the official list of the London Stock Exchange, and are also quoted at Glasgow, Liverpool, and Manchester. Principal and interest payable in London, at the Union Bank. The dollar bonds are listed on the New York Stock Exchange, and are also quoted at London, Dublin, Glasgow, Liverpool, and Manchester. Denominations—coupon, \$1,000; registered, \$5,000 and \$10,000. Coupon bonds are convertible into registered bonds without coupons, and interest payable to order. Principal and interest payable in New York, at the Grand Central Station.

The *5 per cent. debenture bonds* are of \$1,000 each, to bearer, with provision for exchange into registered certificates of \$1,000, \$5,000, or \$10,000. These debentures rank after all prior issues of bonds, and it is provided that any mortgage placed upon the company's property prior to July 1, 1902, shall include the present issue. Principal and interest payable in New York, at the Grand Central Station.

The *4 per cent. debentures* are for \$1,000 each, to bearer, or, at the option of the holder, in registered certificates of \$1,000, \$5,000, and \$10,000 each. The coupon bonds are convertible into registered. Principal and interest payable at the Grand Central Station, New York. The debentures of this issue will be specifically provided for in any subsequent mortgage up to 1905. Each bond must be countersigned by the Union Trust Co., as registrar.

The *extended debt certificates* are dated Aug. 1, 1883, and fell due May 1, 1883, when they were extended ten years with interest at the rate of 5 p. c. per annum. On May 1, 1893, they were extended to May 1, 1905, and the rate of interest was reduced to 4 p. c., principal and interest to be paid in gold. These certificates are in coupon form, for \$500 or \$1,000 each. Owing to the cancellation of many of the original certificates the numbers do not run consecutively, the highest \$1,000 certificate outstanding being 8,000, and the highest of the \$500 certificates 1,847. New

coupons and extension agreements have been affixed to each certificate extended, and holders of extended certificates in coupon form, who may so desire, will have the right to convert them into registered certificates of \$1,000 and \$5,000, each series commencing with No. 1.

History.—Reorganization, April 27, 1878, of the Erie Ry. Co., whose property was sold under foreclosure April 24, 1878. (For plan of reorganization, etc., see MANUAL for 1890.)

The tracks of the Cincinnati, Hamilton and Dayton RR. are used to gain entrance into Cincinnati, under a contract dated April 24, 1890. At the same time arrangements were made for through car service between New York, Indianapolis, Ind., and Lima, O.

The Buffalo, Rochester and Pittsburg Ry. Co. uses part of this company's track under contract. (See page 36 for terms of this contract.)

The contract with the Delaware and Hudson Canal Co. having expired, a new one to run to Jan. 25, 1898, was made, embracing largely the features of the old one; the Canal Co., however, to pay a reduced rate of trackage on the Jefferson Branch. An agreement was also made releasing this company from the payment of interest which it had previously made to the Canal Co. under its guarantee of Boston, Hartford and Erie bonds.

For further particulars in reference to the leased and operated roads, see subjoined statements for the several companies.

EXTRACTS FROM THE COMPANY'S REPORT FOR FISCAL YEAR ENDING IN 1893.

"The contract under which the Lehigh Valley RR. Co. had used this company's tracks between Waverly and Buffalo since 1876 was terminated on Aug. 31, 1892, so that eleven months of the operations under that contract were included in the report for the fiscal year ending Sept. 30, 1892. For those eleven months the revenue accruing to this company from that source was \$1,207,668.03. During the present fiscal year this company has received no benefits whatever from that contract, but itself supplied the local coal trade along its lines with its own coal, and has thereby to a large extent overcome the loss, as it will be seen that the decrease in net earnings was but \$202,890.65.

"The onerous character of the N. Y., P. & O. lease has been shown in former reports. In any readjustment of the affairs of the Erie system some proper modification of the terms of this lease should be made, and a financial plan adopted whereby funds may be obtained upon the security of the property, without materially increasing the annual burdens of the N. Y., P. & O. Co., and which, judiciously expended thereon, would place that line in a condition to successfully compete with its rivals.

"**Chicago and Erie RR.**—The fiscal year of this company ends upon the 30th of June of each year; the second complete year of its operation was that ending upon June 30, 1893. The gross earnings of the road for this year were \$2,916,901.40. As provided in the income mtge., 27½ p. c. of this sum is applicable, 1st, to interest on the 1st mtge. bonds; 2d, to interest on income bonds. 27½ p. c. of \$2,916,901.40 equals \$802,147.89; deduct interest on 1st mtge. bonds, \$600,000—leaves, applicable to interest on income bonds, \$202,147.89—from which amount 2 p. c. was paid to holders of the \$10,000,000 of income bonds on Oct. 2, 1893.

"Dividends were received of 4½ p. c. upon the \$1,000,000 of the Chicago and Western Indiana RR. Co., and 4½ p. c. upon the \$240,000 stock of the Belt Ry. Co. of Chicago belonging to this company.

"Under the plan of reorganization, \$2,000,000 of 1st mtge. bonds were reserved for betterments and improvements and for acquiring equipment for the road. These have been expended for such purposes with the exception of \$217,000, which are reserved to provide for the balance due to the United States Rolling Stock Co. for equipment, \$193,395.30."

The floating debt having reached a figure which it was found impossible to manage, the property was placed in the hands of receivers on July 26, 1893. Default was made in interest payment on the 2d consols on Dec. 1, 1893.

PLAN OF RELIEF.—A reorganization of the company's finances is now being effected under the terms of a plan of relief, dated Jan. 2, 1894. This plan provides for the issue of \$70,000,000 100-yr. consol. bonds, bearing interest from Dec. 1, 1893, principal and interest payable in gold coin of the present weight and fineness. This new mtge. will cover the property of the New York, Lake Erie and Western RR. Co., including its leasehold of the New York, Pennsylvania and Ohio Ry., and the capital stock of the Chicago and Erie RR. Co., thus giving it control of the entire line to Chicago. The new bonds to be used only as follows:

\$3,597,400 to acquire the present 2d consol. mtge. bonds * at par, conditioned on each depositor of such bonds subscribing and paying in cash at 90 p. c. and interest for additional bonds of the new issue, in the proportion of \$1,000 new bond for each \$4,000 2d consols deposited.

On 2d consols deposited hereunder the coupon due Dec. 1, 1893, will be allowed for in cash simultaneously with the delivery of the new bonds.

\$4,031,400 to acquire the present funded coupon bonds of 1885 at par, conditioned on each depositor of such bonds subscribing and paying in cash at 90 p. c. and interest for additional bonds of the new issue, in the proportion of \$1,000 new bond for each \$4,000 funded coupon bonds deposited.

\$505,008 to acquire the present income bonds at par, conditioned on each depositor of such bonds subscribing and paying in cash at 90 p. c. and interest for additional bonds of the new issue to an amount equal to the income bonds deposited.

\$9,915,208 for subscription by depositors of 2d consol. bonds, funded coupon and income bonds, as above.

\$6,512,800 to be reserved to acquire, or provide for, the present reorganization first lien bonds and collateral Trust bonds on such basis as the new mortgage shall provide.

\$15,435,184 to be specifically set apart and used under proper restrictions only for construction, equipment, the acquisition of new property and betterments, to an extent not exceeding \$1,000,000 in any one year, except that said reserved bonds may be further used in any year to the extent of \$500,000, in order to acquire existing car trust liens.

The second consolidated and funded coupon bonds of 1885 will, when acquired, be kept alive and deposited with the trustee to be held, as long as may be deemed necessary, for the protection of the new bonds.

* This embraces the bonds known as "new second consolidated mortgage" and "second consolidated mortgage funded coupon" bonds.

† The average rates are for year ending June 30, 1893, figures for Sept. 30, 1893, not being obtainable.

‡ Proportions due to leased lines worked upon a percentage of earnings.

Net income, as above, \$7,192,848.08; add receipts from other sources (details in profit and loss account following), \$1,043,908.68—total available revenue, \$8,236,756.76. Payments: Interest on funded debt, \$4 680,781.39; fixed rental of leased lines and other charges, \$2,638,537.17—total, \$7,319,318.56. Balance, surplus for year, \$917,438.20.

General Profit and Loss, Sept. 30, 1893.—Surplus, Oct. 1, 1892, \$9,708,631.07. *Contra:* Interest on \$508,008 income bonds (6 p. c. paid Jan. 16, 1893), \$30,480.48; uncollectible accounts written off, adjustments, etc., \$706.89; discount on common stock, \$354,812.50; deficit from Oct. 1, 1892, to July 25, 1893, \$770,503.27—total, \$1,156,503.14. Balance to credit of profit and loss, Sept. 30, 1893, \$8,552,127.93.

The interest on the funded debt, and also on the various equipment trusts, for the *entire* year has been charged against the income accruing prior to the appointment of the receivers. These charges have caused a deficit on the books of the N. Y., L. E. & W. RR. Co., as shown above, of \$770,503.27. The surplus on the books of the receivers, as per their balance sheet (see page 571), increased by the fact that these charges were made on the company's books, was \$1,687,941.47—making the combined results a surplus for the year of \$917,438.20.

Preferred stock is entitled to 6 p. c. dividends, if earned, before the payment of any dividend on the common stock. Dividends ($3\frac{1}{2}$ p. c. each) on the preferred stock were paid for the years ending June 30, 1872, and 1873, and for the half year ending Dec. 30, 1873. A dividend of $1\frac{1}{2}$ p. c. on the common stock was paid for the year ending Dec. 31, 1872, and 1 p. c. for the half year ending June 30, 1873. Dividends of 6 p. c. each were paid on the preferred stock during the three fiscal years, 1882 to 1884; then none till Jan. 15, 1892, when 3 p. c. was paid.

The assessments paid upon the stock to Sept. 30, 1893, have been as follows: Preferred stock—\$3 per share on 23,372 $\frac{1}{2}$ shares, \$70,116.75; \$2 per share on 58,245 shares, \$116,490. Common stock—\$6 per share on \$72,982 shares, \$437,892; \$4 per share on 697,806 shares, \$2,791,224. Total number of shares paying assessments was 81,557 $\frac{1}{2}$ of preferred and 770,838 of common; par value, \$85,240,500. The total amount realized was \$3,415,722.75, and adding interest, \$3,792,459.47. Of this sum, \$3,205,958.68 was applied to the improvement of the road and \$586,357.93 to the charges of reorganization and expenses in London, leaving unapplied, \$412.84. Holders of 9,162 shares of common and 3,802 of preferred failed to pay assessments on same. Of the common stock thus delinquent, 5,000 shares were sold in 1880–81 and 3,802 shares during the fiscal year 1888–89, and the proceeds of sales placed to the credit of the company. The total amount of capital stock of the company, as authorized by its articles of incorporation, is \$86,536,900—\$78,000,000 common, and \$8,536,900 preferred. Of this there had been issued on Sept. 30, 1893, in exchange for stock upon which assessments had been paid, \$85,033,400 (\$76,927,000 common and \$8,156,400 preferred), leaving \$157,100 of assessment paid stock then awaiting such exchange.

The *1st mtge. bonds* of 1897 were originally issued in 1847 by the New York & Erie RR. Co., and were extended for 30 years from their maturity in 1867.

The *2d mtge. bonds* were issued Mar. 1, 1849, and matured Mar. 1, 1859. They were extended to Sept. 1, 1879, and again to Sept. 1, 1919, the rate of interest being reduced at the last extension from 7 p. c. to 5 p. c.

The *3d mtge. bonds* were issued in 1863 at 7 p. c., and matured Mar. 1, 1883. They were extended to Mar. 1, 1923, at 4½ p. c.

The *4th mtge. bonds* are dated Aug. 15, 1857 (at 7 p. c.), and matured Oct. 1, 1880. They were extended to Oct. 1, 1920, at 5 p. c. All bonds of the foregoing issues are in coupon form for \$1,000.

The *5th mtge. bonds* were originally issued at 7 p. c., dated June 1, 1858, matured June 1, 1888, and were extended for 40 years from the latter date at 4 p. c. interest. The auth. issue was \$6,000,000, and all but \$709,500 were exchanged for 1st consol. mtge. bonds of the old Erie Ry. Co. Of the bonds outstanding, 665 are for \$1,000 each and the remaining 39 for \$500 each. Trustees, James Brown and J. C. B. Davis.

1st, 2d, 3d, and 4th mtges. are secured in the order of their priority on the lines from Piermont to Dunkirk, N. Y., 447 m.; the *5th mtge. bonds* are secured on the line from Newburgh to Greycourt, N. Y., 18.73 m.; and the *Buffalo Branch bonds* cover the line from Hornellsville to Attica, N. Y., 60.79 m.

The *1st consol. mtge. bonds* are of \$1,000 or £200 each, and to bearer, with provision for registration of principal. The *1st consol. funded coup. bonds* are of \$500 and \$1,000, to bearer, with provision for registration of principal of coupon bonds. Trustee, Farmers' Loan and Trust Co., New York. The 1st consols and the 1st consol. funded coup. bonds are secured on the line from Piermont to Dunkirk, 446.64 m., and branches to Greycourt and to Attica, in all 526.29 m., subject, however, to prior mortgages, as above; also on various leasehold interests in 213.13 m. of road, subject to prior mortgages aggregating \$2,900,000.

The *2d consol. 6 p. c. bonds* are of \$500 and \$1,000, to bearer, with provision for registration of principal of coupon bonds. Provision is made in the mortgage securing these bonds that in the event of default in the payment of interest no proceedings to enforce same can be instituted until the company fails to pay six successive coupons. Interest due Dec. 1, 1893, on these bonds is in default. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The *reorg. 1st lien bonds* are for \$1,000 or £200 each, principal and interest payable in gold, in New York and London. They are a lien prior to the 2d consols. They are redeemable only by purchase. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The *income bonds* bear interest at the rate of 6 p. c., or at such lesser rate for any fiscal year as the net earnings of the company, as declared by the board of directors and applicable for that purpose, shall be sufficient to satisfy. Interest at full rate was paid in the fiscal years ending in 1882, 1883, 1884, 1889, 1891, 1892, and 1893. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The *collateral trust bonds* may be called for redemption at 10 p. c. premium at any time before maturity, on three months' notice. Trustee, United States Trust Co. of New York. Secured by deed of trust covering certain bonds and stocks representing interests of this company in branch lines, coal properties, terminal facilities, and improvements connected with the lines of its railroads as follows: 10,000 shares Blossburg Coal Co.'s stock; 5,759 shares Buffalo, New York and Erie RR. stock; 1,249 shares Buffalo Creek RR. stock; 10,000 shares Hillside Coal and Iron Co. stock; 8,000 shares Long Dock Co. stock; 9,941 shares Union SS. Co. stock; 5,000 shares Northwestern M. & E. Co. stock; 185 bonds Buffalo, Bradford and Pittsburgh RR.; 250 bonds Newark and Hudson RR.; 166 bonds Newburgh and New York RR.; 1,900 bonds N. Y., L. E. and W. Coal RR.; 349 bonds Paterson and Newark RR., \$1,000 each; 800 bonds Paterson and Newark RR., \$500 each; 604 bonds Docks and Improvement Co.; 438 1st mtge. bonds New York and Greenwood Lake Ry., \$1,000 each; 1st mtge. bond N. Y. & G. L. Ry., \$500; 2 1st mtge. bonds N. Y. & G. L. Ry., \$100 each; 382 2d mtge. bonds N. Y. & G. L. Ry., \$1,000 each; and four \$100 2d mtge. bonds, N. Y. & G. L. Ry.

The *funded coupon bonds* of 1885 were issued for coupons of the 2d consols, and the 2d consol. funded coupon bonds falling due from June, 1884, to June, 1886, inclusive. They are of \$1,000 each, are redeemable at any time at 105 and interest, and are secured by deposit with the trustee of the coupons funded, which coupons preserve all of their original lien. Farmers' Loan and Trust Co., trustee.

The *reorganization first lien bonds*, the *2d consol.*, the *2d consol. funded coupon bonds*, and the *funded coupon bonds* of 1885 are secured in the order named on the 526.29 m. before referred to, subject to the lien of prior mortgages; also by first lien on branches from Main Street, Buffalo, to International Branch, 4.50 m.; from International Junction, to Black Rock, N. Y., 1.14 m., and from Hamilton to Lakeville, N. Y., 1.63 m.; and on various leasehold interests in 596.94 m. of road covered by \$14,409,500 prior mortgages, and in the Niagara River and Erie and the Brockport and Shawmut RRs.

Car Trusts.—Under the original agreements governing the car trusts, there was payable in 1885 on account of principal and interest, \$1,201,200. The company, however, proposed to holders of those securities that no drawing of principal should be made in 1885, that 1 p. c. each should be paid on that account in 1886 and 1887, 2 p. c. each in 1888 and 1889, and not less than 5 p. c. yearly thereafter. The company further agreed to pay the interest regularly on condition that the rate on series "F" and "G" should be reduced to 5 p. c. This proposition has been accepted by nearly 92 p. c. of the holders, and interest payments have been made to them regularly since.

In June, 1890, the Court of Appeals decided the litigation brought by the non-assenting holders of certificates of the old car trusts, series "F" and "G," against this company, holding that these holders are entitled to 6 p. c. dividends. Such of these certificates as have been presented were purchased by the company at par and accrued interest, amounting to about \$650,000, thus reducing the car trusts to that extent.

The total amount of capital stock issued to Sept. 30, 1893, is, as given, \$86,363,600; amount of assented stock unissued, \$157,100; amount on hand, subject to sale (common, 162 shares), \$16,200. Total amount auth., \$86,536,900.

Merchandise Freight.—The tonnage on the N. Y., L. E. & W. RR. proper was 6,718,186 tons, a decrease compared with the previous year of 684,802 tons, or 9.25 p. c. The number of tons carried one mile was 1,450,911,726, a decrease of 247,699,276 tons, or 14.33 p. c.

The principal articles transported were as follows:

	Tons.		Tons.

NEW YORK, PENNSYLVANIA AND OHIO RR.—(Milage as per statement on page 567, 429.5 m.) Akron Branch, Cereal Mill track, 1.07 miles. This company also leases the Cleveland & Mahoning Valley Ry., Westernman RR., Sharon Ry., New Castle and Shenango Valley RRs., the Youngstown and Austintown RRs.—total mileage, 169.01 m.—total all lines operated, 599.58 m.; 2d track (leased), 65.74 m.; sidings (owned, 132.99; leased, 125.96); 906.95 miles. The Atlantic and Great Western R. R. Co. was organized Nov. 10, 1871, as successor of the A. & G. W. Ry. Co., organized Aug. 19, 1865, by the consolidation of various companies in New York, Pennsylvania, and Ohio. The road was opened for through traffic in 1865. The property went into the hands of receivers April 1, 1867; was transferred by lease to the Erie Ry. Co., Dec. 8, 1868; again placed in receivers' hands April 9, 1869; re-leased to the Erie Ry. Co. Jan. 1, 1870; sold July 1, 1871, and again leased to the Erie Ry. Co. May 1, 1874. The last lease had been in operation only a few months when the road was placed under a receivership, Dec. 9, 1874. The entire property was sold under foreclosure of the consolidated mtge. of the A. & G. W. R. R. Co., Jan. 6, 1881, and bought by reorganization trustees, by whom it was conveyed to the corporations of the New York, Pennsylvania and Ohio R. R. Co., March 5, 1880. Under the terms of sale and reorganization, provision was made for the issue of \$8,000,000 prior lien bonds, \$25,000,000 1st mtge., \$14,500,000 2d mtge., and \$30,000,000 3d mtge. bonds, 200,000 shares (\$50 each) of preferred stock, and 700,000 shares (\$50 each) of common stock. It was also provided that the capital stock should be held in trust, to be voted upon by five voting trustees, three to be named by the 1st mtge. bondholders, one by the 2d mtge. bondholders, and the other by the leased lines bondholders of 1872. The road was operated by the receiver of the A. & G. W. RRs. from date of sale to the organization of the new company, Mar. 20, 1880. The gauge on the entire road, originally 6 feet, was changed to 4 ft. 8½ in., June 22, 1880. On the 1st of May, 1883, the road was leased to the New York, Lake Erie and Western R. R. Co., and has been operated by that company since that date. The lease was amended on Oct. 1, 1889, making the rental 32 p. c. of gross earnings up to \$6,000,000, with a reduction in rental of one-tenth of one p. c. on the whole gross earnings for every increase of \$100,000 over that amount and up to \$8,000,000. When the gross earnings reach \$9,000,000 the rental is to be 23 p. c., and to so remain so long as earnings exceed \$9,000,000.

Rail—iron, 50 to 60 lbs., and steel (on lines owned, 510.41 m.; leased, 655.01 m.), 60 to 7½ lbs.

Trackage.—The company uses the New York & Harlem RR. from Woodlawn to the Grand Central Station in New York, 12.03 m.; the Fitchburg RR. from Conway Junction to Shelburne Falls, Mass., 4.67 m.; the New York and New England RR. from junction to station in Willimantic, Ct., 0.36 m., and the Boston & Albany RR. from junction to station in Worcester, Mass., 0.15 m.; a total of 17.21 miles. The rental of the New York & Harlem is paid directly from earnings and does not appear in the operating accounts.

History.—Consolidated, Aug. 6, 1872, of the Hartford & New Haven and New York & New Haven RRs. The Stamford & New Canaan RR. was absorbed Oct. 1, 1890; the New York, Providence & Boston, and the Hartford & Conn. Valley, in 1892. (See MANUAL for 1893.)

On Oct. 19, 1892, the company leased, for 99 years from July 1, 1892, the Housatonic RR. and its leased lines, the Danbury and Norwalk, New Haven and Derby, Berkshire, Stockbridge and Pittsfield, and West Stockbridge RRs. A new lease of the Providence and Worcester has been made direct to this company, superseding the one to the New York, Providence and Boston RR. Co. The terms of the leases are shown in the companies' lessor statements.

The company during the past year offered its shares in exchange for stocks of its leased lines, at the rate of share for share of New York, Providence & Boston and Hartford & Connecticut Valley one share for eight of Housatonic preferred, four shares for thirteen of New Haven & Derby, one share for four of Danbury & Norwalk, two shares for five of New Haven & Northampton and Boston & New York Air-Line. share for share of Naugatuck, and three shares for four of Shore Line stock. In accordance with this offer the New York, Providence & Boston and Hartford & Connecticut Valley have exchanged all of their stocks, and shares of the other companies named have been exchanged as follows: New Haven & Northampton, 24,035 shares out of a total of 24,600; B. & N. Y. Air-Line, 15,725 shares out of a total of 29,985; Shore Line, 8,068 shares out of a total of 10,000; Naugatuck, 9,551 shares out of a total of 20,000; Housatonic, 22,504 out of a total of 28,756 shares preferred stock; Danbury, & Norwalk, 8,928 shares out of a total of 12,000; New Haven & Derby, 3,497 shares out of a total of 4,470. Stocks of leased lines held in the company's treasury were also converted into New Haven stock, resulting in \$1,332,400. This stock has been sold and the proceeds, amounting to \$3,398,555.61, used for the improvement of the property.

On Feb. 28, 1893, the company entered into an agreement for the lease for 99 years from Mar. 1, 1893, of the Old Colony RR. system, assuming all obligations of the Old Colony

R.R. Co., and agreeing to pay annual dividends of 7 p. c. on Old Colony stock. An agreement was also entered into for an exchange of stocks on the basis of nine shares of New Haven for every ten shares of Old Colony.

The exchanges for stock of leased lines before mentioned, together with the issue of convertible debenture certificates, referred to hereafter, and which are convertible at the expiration of ten years into capital stock at par, practically exhausted the authorized capital stock. In order to comply with the terms of the lease of the Old Colony the company, therefore, obtained authority to increase its capital stock to \$100,000,000 (by Act approved Mar. 2, 1893). The total number of shares of Old Colony stock received for exchange is 55,180. The privilege expired Dec. 19, 1893. This company began operating the Old Colony system on July 1, 1893.

Among the obligations caused by the absorption of the New York, Providence and Boston, and the lease of the Providence and Worcester, and of the Old Colony property (which includes the Boston and Providence), is the creation of new terminals in Providence. An expenditure of not less than \$1,500,000 must be made at that point. Of this substantially one-half will be required for the necessary real estate to be conveyed by the city at prices fixed by the contracts existing when this company came into possession of these roads. Work upon these terminals has been commenced, and will be prosecuted to completion. To effect this two or three years will probably be required.

The 1st mtge. main line bonds are part of an authorized issue of \$5,000,000. The bonds are in registered form. \$1,500,000 being \$5,000 bonds (numbered Series A 1 to 300), and the remainder (numbered Series A 1 to 500) \$1,000 bonds. Trustee, the Treasurer of the State of Connecticut. The bonds are registered in the office of the State Comptroller ; they are also registered and transferred at the company's office. Interest payable at the Chemical National Bank, New York, N. Y., and also at the company's office in New Haven.

The New York, Providence and Boston 1st 7s are a first lien on the portion of the Stonington Division between Providence and Stonington, 50 miles. They are for \$1,000 each, in coupon form, with privilege of registration. The 1st 4s are secured on the line from Stonington to New London, 12 miles. They are also \$1,000 coupon bonds, with registration privilege. The general mortgage bonds are secured on the entire property of the New York, Providence & Boston RR. Co., now Stonington Division, and (5) branches. The authorized issue is \$4,000,000, of which \$1,300,000 were reserved for prior liens, and \$1,700,000 for future needs of the company. The remaining \$1,000,000 were is-

sued to pay for additional stock in the Providence & Stonington S. S. Co. for new construction, real estate, etc. The bonds are for \$1,000 each, in coupon or registered form. Interest on all three issues is payable at the Central Trust Co., New York, N. Y.

The *convertible debenture certificates* are intended to be used for the purpose of completing the four-tracking of the New York Division, double tracking between New Haven and New London, for terminals at various points, for other additions and improvements to road and equipment, and for the payment of floating debt already incurred for improvements. The total authorized issue is \$15,000,000, the amount shown in the balance sheet representing the subscriptions to June 30, 1893. The certificates were offered to stockholders to the amount of 40 per cent. of their holdings, payments to be made in four semi-annual instalments of 25 per cent. each, the first having been paid April 1, 1893. The certificates will be issued in denominations of \$1,000, and also in denominations of \$100 when necessary, and will be in coupon and registered forms. They may be exchanged for stock on April 1, 1903, or within 60 days thereafter, and if not then surrendered for exchange they will become payable in cash on April 1, 1908. They will be countersigned by the Farmers' Loan and Trust Co. as registrar. Interest payable in New York.

The deferred liabilities shown in the balance sheet consist of—Housatonic RR. rolling stock certificates, due 1899, \$200,000; H. RR. certificates of indebtedness, due \$50,000 yearly in 1894, 1895, and 1896, \$150,000—total, \$350,000.

History.—Organized May 3, 1881, as successor to the Atlantic, Mississippi & Ohio RR. Co., whose property was sold under foreclosure Feb. 10, 1881. The New River RR. Co., of Virginia and of West Virginia, and the East River RR. Co., of West Virginia, chartered to build extensions and branches of the Norfolk and Western, were consolidated with it on May 9, 1892. (See MANUAL for 1884, pp. 391 and 392.) The Scioto Valley and New England RR. was purchased Feb. 1, 1890, and the Shenandoah Valley RR. on Sept. 30, 1890. The Ohio Extension was completed and opened for traffic Nov. 1, 1892. The Lynchburg & Durham and the Roanoke & Southern were leased in 1892, and the Columbus Connecting & Terminal RR. in 1893. (See appended statements.)

The company uses the track of the Richmond & Petersburg RR. to gain entrance into Richmond, and leases to the Norfolk Southern RR. Co. trackage facilities over the N. & W. RR. into Norfolk, and the use of the terminal facilities at that point.

The *Norfolk & Petersburg bonds* are for \$1,000 each, and are a first lien on the line between Norfolk and Petersburg, 81 miles. Average rate per mile, \$6.123. These bonds originally carried 8 p. c. They matured July 1, 1893, and were extended to July 1, 1900, the interest rate being reduced to 5 p. c. The *Southside RR. 1st preferred consols* are for \$1,000 each. They bear interest, \$98,000 at 6 p. c., and \$192,000 at 5 p. c. The 2d preferred consols are for \$500 and \$1,000 each; the \$500 bonds (\$84,500) and \$93,000 of the \$1,000 bonds bear 5 p. c. interest; the remaining \$93,000 bear 6 p. c. These two issues, maturing July 1, 1900, are in extension of original issues. The 3d preferred consols are all 6 p. c. bonds, \$200,000 for \$1,000 each, \$200,000 for \$500 each, and \$52,800 in \$100 and \$300 bonds. The bonds mature \$100,000 on the 1st of Jan. each year from 1896-1899, and \$52,800 on Jan. 1, 1900. The mortgage is a first lien on the line between Petersburg and Lynchburg, 123 miles, and the City Point branch, 10 miles; a total of 133 miles. The outstanding bonds are secured by the mortgage in the order given, and constitute an issue at the rate of \$7.619 per mile. The *Virginia & Tennessee bonds* are \$1,000 each. Enlarged mortgage is an extension of the original issue. These two issues of bonds and the preferred stock are, in the order given, a first lien on the line between Lynchburg and Bristol, 204 m., and the Saltville Branch, 9.5 m.; a total of 213.5 miles, at the rate of \$9.325 per mile.

The *Norfolk & Western gen. mtge. bonds* are for \$1,000 each in coupon form, with provision for registration, and are secured on the main line, and on the City Point and Saltville branches, 427.5 miles, subject to lien of preceding \$3,500,000 divisional bonds (\$8.188 per mile); average per mile, \$17.036. The mortgage provided for an issue of \$11,000,000 bonds, of which the trustee has reserved an amount which, at 95 p. c., is sufficient to retire at maturity the \$3,500,000 divisional liens noted before. Subject to the payment of such divisional liens these bonds are a lien upon the main line and the City Point and Saltville Branches. In all 427.5 miles; the bonds outstanding being at the rate of \$17.036 per mile. Trustee, the Fidelity Insurance, Trust & Safe Deposit Co. of Philadelphia.

The *New River Division bonds* (\$1,000 each in coupon form) are a first lien on the New River Division, from Radford to point of beginning of Ohio Extension, 85.48 m., branches to coal mines, 17.43 m., the Cripple Creek Extension, 30.40 m., and branches to ore mines, 19.44 m., aggregating, Dec. 31, 1893, 152.93 miles; and upon all other branches and extensions hereafter constructed under the privileges derived from the companies consolidated to form the New River Division; all such branches or extensions come under the lien of the same mortgage without increasing the present issue of bonds. The bonds (limited to \$2,000,000) represented, Dec. 31, 1893, a first lien at the rate of \$13.079 per mile.

The *Clinch Valley Division bonds* are for \$1,000 gold each. They are a first lien upon the Clinch Valley Division from near Graham, in Tazewell Co., to a connection with the L. & N. RR. in Wise Co., and all branch roads that may hereafter be constructed under the privileges derived from the Clinch Valley RR. Co., and also upon rolling stock acquired, costing \$500,000. The mortgage provides for an issue of \$2,500,000, in addition to which further bonds not exceeding \$825,000 may be issued on branch lines of this division at the rate of \$15,000 per mile.

The *Improvement and Extension bonds* are for \$1,000 each in coupon form, with provision for registration of principal. By agreement with the trustee the maximum amount of bonds which can be issued is \$5,000,000. The bonds are a lien upon the main line and City Point and Saltville branches, subject only to the lien of the divisional securities and of the general mortgage. They are a 2d lien upon the New River Division and the Flat Top and Cripple Creek Extensions thereof. (See MANUAL for 1891.)

The *Adjustment Mortgage bonds* are for \$1,000 each, in coupon form, with privilege of registration of principal. They are a lien upon the property and franchises of the company, subject to the lien of the divisional securities, and also of the bonds issued and to be issued under the general mortgage, the New River Division 1st mortgage, and the improvement and extension mortgage. They are dated Oct. 29, 1884, and redeemable at option of the company any time after ten years from date at 110.

The *equipment mortgage bonds* are for \$1,000 each; authorized issue, \$5,000,000. They are a first lien upon equipment costing \$1,000,833, and upon such additional equipment and principal of car trust obligations as may from time to time be acquired with the \$5,000,000 of bonds authorized to be issued. A sinking fund of 3 p. c. per annum on the bonds outstanding is provided, applicable during the first 10 years to the purchase of these bonds at par, or under, if obtainable, otherwise to the purchase of any of the before-described mtge. bonds of the company, and after 10 years to compulsory drawings by lot. The bonds may be redeemed by the company after June 1, 1898, at par and interest.

The *debenture* 5 p. c. bonds mature Oct. 1, 1912. The company has the right to redeem them, at par and interest, on any interest day before maturity.

The *convertible debenture bonds* were paid off at maturity, Jan. 15, 1894.

The *100-yr. mtge. bonds* are limited to an issue of \$45,000,000. (See MANUAL for 1891.) The bonds are for \$1,000 gold each, and \$10,000,000 of them will be applied as follows: For redeeming Norfolk Terminal Co.'s 1st mtge. bonds, and for acquiring tugs and barges for transporting coal, \$1,000,000; to reimburse the company for amounts expended for improvements, extensions, additions, and construction, \$975,000; for the construction of the Ohio Extension, \$6,000,000; for the North Carolina Extension, \$1,500,000; for retiring the convertible debenture loan, \$525,000. A further issue of \$10,000,000 bonds may be made, of which \$5,000,000 is to be used for additional terminal facilities, branches, and extensions, and other additions and improvements, and \$5,000,000 for double tracking. The mtge. also provides for the issue of bonds, with interest at not exceeding 5 p. c., for refunding the existing mtge. bonds of the company. The bonds issued under this mtge. are a first lien upon the terminal facilities at Lambert's Point and at Norfolk, formerly the property of the Norfolk Terminal Co., upon the Ohio and North Carolina Extensions, and upon any other branch lines constructed from proceeds of these bonds. They are also a lien upon the railroad property of every nature, and the franchises of the company, subject to the lien of previous mtges.

The *Scioto Valley & New England RR. 1st mtge. gold bonds* are a first lien upon the line from Columbus to Petersburg, O., 128.6 miles. Under supplemental mtge. of July 22, 1890, the maximum amount of these bonds which may be issued is \$5,000,000. Bonds are to bearer, with provision for registration. Principal and interest guaranteed by the Norfolk & Western RR. Co. in accordance with the terms of the deed of conveyance, dated July 22, 1890, from the S. V. & N. E. RR. Co. to the N. & W. RR. Co. Interest payable in Philadelphia, Pa., and New York, N. Y. Trustee, Central Trust Co., New York, N. Y.

The *Maryland & Washington Division 1st mtge. gold bonds* are a first lien upon the former Shenandoah Valley RR. from Hagerstown, Md., to Roanoke, Va., 238.11 miles, with 19.20 miles of branches; upon the branch line to be built to, and terminals which may be acquired in the city of Washington, and upon all branches and improvements which may be constructed or acquired with the proceeds of these bonds. Of the authorized issue of \$10,000,000 there have been set aside: \$2,000,000 for the construction of a branch line about 70 miles in length to a point on the Potomac River, opposite Washington, D. C.; \$500,000 for the construction of an extension of such branch into the city of Washington, and for terminal facilities; and \$450,000 for future requirements and improvements. There are in the hands of the trustee \$344,000 of these bonds, not yet drawn.

All of the bonds mentioned, excepting the divisional securities, may be registered as to principal at the office of the company in Philadelphia, Pa., or at the agency in New York.

Car Trust Obligations, Jan. 1, 1894.—The original cost of rolling stock, against which the Norfolk and Western RR. Co. has issued car trust obligations prior to Dec. 31, 1893, amounted to \$5,077,366.85. The principal of the obligations originally issued amounted to \$4,446,688.50, of which \$793,035.01 have been paid, leaving balance outstanding, Dec. 31, 1893, of \$3,653,653.49, which is secured by the rolling stock, costing \$5,077,366.85.

History.—Chartered in 1864; construction begun in July, 1870, and the entire main line from Ashland, Wis., to Portland, Ore., opened Sept. 9, 1883. The line between N. P. Junction and Duluth, 23.50 miles, is owned jointly with the St. Paul and Duluth RR. Co., each company contributing to its maintenance on the basis of train mileage. (See **MANUALS** for 1885, 1886, 1888, and 1893.)

The Wisconsin Central lines were leased for 99 years from April 1, 1890, but the lease was cancelled on Sept. 27, 1893, on the application of the Wisconsin Central, the rental due Aug. 1, 1893, by the Northern Pacific RR. Co. having been defaulted.

The St. Paul and Northern Pacific Ry. and the lines built by the Oregon and Transcontinental Co. are controlled under agreements, the terms of which are given in the statements for the several lines.

In July, 1890, this company acquired a controlling interest in the Seattle, Lake Shore and Eastern RR. Co., and guaranteed by indorsement both principal and interest of its bonds. The traffic contract between the two companies was declared illegal by the United States Circuit Court, and the property of the Seattle, Lake Shore and Eastern was turned over to a receiver appointed on June 27, 1893. See GENERAL INDEX statement for that company.

The Chicago and Northern Pacific RR. (see GENERAL INDEX) was subleased from the Wisconsin Central, and interest on its bonds guaranteed, but in Sept., 1893, the lease was cancelled.

The Northern Pacific RR. Co. owns all the stock and bonds of the Chicago and Calumet Terminal Ry. Co. (see page 609).

The Baltimore and Ohio RR. Co. now uses the Chicago Terminal under contract from Dec. 1, 1891, paying therefor an annual rental.

Receivers appointed for the Northern Pacific RR. Co. on Aug. 15, 1893. In Oct., 1893, separate receivers were appointed for the leased lines and for the branch lines in Montana and other States. The court ordered the receivers of the N. P. to issue certificates to the amount of \$5,000,000, to be used solely to redeem securities which, when so redeemed, were to be held as a primary pledge and security for such certificates.

Committees have been appointed by holders of 2d and 3d mtgs. and of consols, and foreclosure proceedings have been instituted under those mortgages.

Dividends are payable on the 15th of Oct., Jan., April, & July, 1 p. c. each on preferred stock; ten payments have been made to date. The dividend for July, 1892, was passed, and nothing has been paid since then. A scrip dividend at the rate of $11\frac{1}{2}$ p. c. on preferred stock was paid Jan. 1, 1883. The scrip (or dividend certificates) fell due Jan. 1, 1888, and \$1,274,500 were extended to Jan. 1, 1907, the company, however, reserving the right to pay off the principal on any interest day after 1892, and agreeing to include them in any mortgage prior to their redemption.

The \$3,347,000 consol. mtge. bonds referred to in the MANUAL for 1892 as having been set aside for the benefit of the preferred stock have been deposited with the Farmers' Loan and Trust Co., as trustee for the preferred stockholders as the absolute owners of the bonds. It was resolved at a meeting of the preferred stockholders, held Oct. 20, 1892, that the bonds be not sold or disposed of, in whole or in part, below 90 and accrued interest, and, in the event that all of the bonds be not sold at that price, and smaller lots can be so disposed of, then in the fiscal year ending in 1893, or in any succeeding fiscal year, that the board of directors be authorized to sell so many of the bonds as may be necessary to produce in cash an amount sufficient to make up any deficiency in dividends of 4 p. c. in preferred stock; and that this amount be paid as a special dividend until the bonds are all sold. In the case of all the bonds being sold at once, the entire net proceeds of them shall be distributed to preferred stockholders as a special dividend. When the regular dividends equal or exceed 4 p. c. in any fiscal year, then a sufficient amount of the bonds shall be sold to produce an additional 1 p. c. for that year, which shall be paid as an extra dividend at the end of each year. Coupons of bonds remaining in the hands of the trustee shall, according as they mature, be cancelled and delivered to the company without payment until the net earnings, as defined by the plan of reorganization, shall equal 8 p. c. yearly on preferred stock. It is proposed to pay dividends semi-annually hereafter, instead of quarterly.

The preferred stock is convertible, at par, into any lands of the company east of the Missouri in Minnesota and Dakota, and is also extinguishable by the proceeds of all such lands sold. The stock is entitled to 8 p. c. non-cumulative dividends from surplus earnings, after payment of all interest and sinking-fund charges, and cost of new equipment, if necessary, and to share equally with common in any surplus over 8 p. c. on both issues. Of the original issue (\$51,000,000), \$14,859,868.59 has been cancelled by land sales.

The deferred payments on account of land sales, amounting as per balance sheet to \$5,079,651.77, bear interest at the rate of 7 p. c.—

In addition there are bonds in sinking fund as follows:

General first mortgage bonds.....	\$3,550,000
Missouri Division mortgage bonds.....	226,000
Pend d'Oreille Division mortgage bonds.....	255,000
General second mortgage bonds.....	784,000
Total of bonds in sinking fund.....	\$4,815,000
The annual interest charge on bonds outstanding is.....	7,568,620

There is also cash in hands of trustees applicable to retirement of the outstanding bonds as follows: Missouri Division mtge., \$25,503.08; Pend d'Oreille Division mtge., \$208,503.64; gen. 1st mtge., \$354,510.14; gen. 2d mtge., \$120,736.82—total, \$709,253.68.

The *Missouri Division bonds* are a first lien on the line from Missouri River to Yellowstone, 205 m., and on the lands appertaining to that division, and are receivable at par and accrued interest in purchase of said lands. The bonds may also be retired at any time with proceeds of land sales or may be called in to the amount of 7 p. c. per annum for sinking fund. The original issue provided for was \$2,500,000, being at the rate of about \$12,000 p. c. The decrease from this amount to that shown in the foregoing statement of bonded debt was the result of the application of proceeds of land sales, etc. Denominations, \$100, \$500, and \$1,000. Holders of coupon bonds may register same. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The amount of bonds provided under the *Pend d'Oreille Division* mtge. was \$4,500,000—\$20,000 p. m. Denominations, \$100, \$500, and \$1,000. The bonds are secured on 225 m. of road, from the mouth of Snake River, Wash., to Lake Pend d'Oreille, Idaho, and on the lands appertaining to that division, and are receivable at par and accrued interest in purchase of said lands at appraised value. The bonds may be redeemed at any time from proceeds of land sales, or may be called in to the extent of 1 p. c. per annum for sinking fund. Trustee, Farmers' Loan and Trust Co., New York, N. Y.

The *general 1st mtge. gold bonds* are secured on the entire railroad and property, including the land grant, except the lands in Minnesota and Dakota east of the Missouri River, and subject only to the lien of the Missouri Division and Pend d'Oreille Division mteges., and an amount of the general firsts sufficient to discharge those are held by the trustee. The lands in Minnesota and Dakota east of the Missouri River are pledged to the redemption of the preferred stock; but in the event of a default in the payment of interest on these bonds, those lands become an additional security for the payment of the general 1st mtge. The bonds are in coup. form, for \$1,000 each, with provision for registration as to principal, such registered bonds being re-exchangeable into bonds to bearer; or they may be exchanged for full registered bonds in sums of \$5,000, which registered bonds are not retransferable to bearer. There is a sinking fund of 1 p. c. per annum, beginning Jan. 1, 1886, for purchase of bonds in the open market, at not exceeding 110; but if such purchases cannot be effected, the bonds are drawn at 110 and accrued interest, none of the registered bonds to be drawn until all the coup. bonds shall have been redeemed. The bonds are receivable for lands at 110, and proceeds of land sales may be applied to payment of interest on them if the earnings of the road are insufficient. Drawings for the sinking fund are made about May and Nov., and drawn bonds are paid off at once; but if not presented immediately they carry interest to the interest day following the drawing. Principal and interest payable in New York, free of all United States taxes. Trustee, Central Trust Co., New York.

The *general 2d mtge. gold bonds* are secured on the same properties as, but are subject to the lien of, the general firsts, to which they are in all respects similar, as to security, provision for registration, redemption, etc., except that the sinking fund did not begin till Oct. 1, 1888. Trustee, Farmers' Loan and Trust Co., New York. Interest is in default since Oct., 1893.

The *general 3d mtge. gold bonds* are in all respects similar to the general firsts and seconds as to security, provision for registration, redemption, etc., except that the sinking fund did not begin till Jan. 1, 1894; and that the rate of redemption is 105 p. c. The mtge. is for \$12,000,000, and the unissued balance is reserved to retire the outstanding dividend certificates. Trustee, Farmers' Loan and Trust Co., New York. Interest was defaulted Dec. 1, 1893.

The *dividend certificates* are for \$500 and \$1,000 each. They were issued Jan. 1, 1888, in payment of 11¹/₁₆ p. c. on preferred stock, that amount representing net revenue applied to capital purposes up to July 1, 1882. The original issue fell due Jan. 1, 1888, but were extended to Jan. 1, 1907, the company having the option of redeeming them on any interest day after 1902, on thirty days' notice. These certificates were included in the general 3d mtge. and it was provided that they might be exchanged for bonds issued under that mtge. till Jan. 1, 1893, upon adjustment of interest. Interest was defaulted Jan. 1, 1894.

The authorized issue of *consol. mtge. bonds* is \$160,000,000, and by the terms of the mtge. they are to be issued as follows: For retiring general 1st, 2d, and 3d mtge. bonds, \$75,000,000; for retiring bonds of branch lines, \$26,000,000; for building and acquiring additional roads, \$30,000,000; for enlargement, terminals, etc., \$20,000,000; for premiums on bonds exchanged, \$10,000,000; for general purposes of the company, \$9,000,000. They are \$1,000 gold coup. bonds, with provision for registration of principal; payable, both principal and interest (which latter is free from all taxes), at the office or agency of the company in New York. Certificates of \$5,000 each, for the registration of both principal and interest, are issued in exchange for coup. bonds surrendered for exchange and cancellation. The bonds are a lien, subject to prior mteges., on the entire property, rights, and franchises now owned by the company, or which may hereafter be acquired, including all of its land grant except the lands in Minnesota and Dakota east of the Missouri River. Bonds may be registered and transferred at the office of the treasurer of the company, New York. Trustee, Farmers' Loan and Trust Co., New York. Interest was defaulted Dec. 1, 1893.

Under the operation of the consol. mtge. the funded debt is converted from a sinking fund to a non-sinking fund debt, by reason of the fact that consol. mtge. bonds take the place of prior bonds retired by operation of the sinking funds. Under this provision there has been acquired by the company \$1,332,000 in consolidated bonds in lieu of a like amount in 1st and 2d mtge. bonds retired by action of their respective sinking funds.

The *collateral trust notes* were issued for the purpose of paying off the floating debt, and are authorized to the amount of \$15,000,000, of which \$12,000,000 have been subscribed for by a syndicate, subject to the subscription rights of the stockholders. They are dated May 1, 1893, due May 1, 1898, interest May & Nov.; principal and interest payable in gold, the former at the office of the trustee, the Farmers' Loan and Trust Co. of New York, and the latter at the office of the company in New York. They are for \$1,000 each, in coupon form, but may be exchanged for registered notes of the same denomination, at the Treasurer's office. They are subject to redemption at par and accrued interest at any time after May 1, 1896, on ninety days' notice. The notes are secured by pledge with the Farmers' Loan and Trust Co. of New York, of \$10,000,000 Northern Pacific 5 p. c. consols of 1889; \$3,000,000 1st mtge. 5 p. c. bonds, of the Chicago and Northern Pacific RR. Co.; \$6,000,000 Chicago and Calumet Terminal 5 p. c. 1st mtge. bonds of 1893; \$7,000,000 stock of St. Paul and Northern Pacific Ry. Co.; \$15,010,000 Chicago and Northern Pacific stock (certificates of beneficial interest in same); \$343,000 Northern Pacific Express Co. stock. There have been issued up to May, 1894, \$10,375,000 of these notes, of which \$1,244,000 are held as collateral for loans, and \$101,000 are still on hand.

In addition to its bonded debt, as above, the Northern Pacific RR. Co. is liable, under lease agreement, for interest on bonds of the St. Paul and Northern Pacific RR. Co., of which there were outstanding on June 30, 1893, \$5,423,000; and, under joint guarantee, for interest on \$3,000,000 bonds of the Northern Pacific Terminal Co. of Oregon;

and, under guarantee, for interest and sinking fund charges on bonds of branch roads, amounting to \$21,024,000 as shown in the following statement :

Land Grant.—This company received from Congress a land grant of 20 sections, or 12,-000 acres, p. m., within the States (Wisconsin, Minnesota, and Oregon), and of 40 sections, or 25,600 acres to the mile within the Territories (Dakota, Montana, Idaho, and Washington), through which its road passes. The nominal area of this land grant is about 47,000,000 acres. By the construction of its road previous to June 30, 1879, the company claimed to have earned 10,579,200 acres—7,891,200 in Minnesota and Dakota, and 2,688,000 in Oregon and Washington Territory. Against this there had been certified to the company 746,390 acres. The total sales to same date had been 2,312,129 acres, of which 686,000 were sold before the reorganization. By the completion of the main line of road the company acquired title to the total extent of the grant.

* Deficit—from cancellations.

The total number of purchasers of land during the year was 358, showing an average of 221.10 acres to each. The receipts from Minnesota and Dakota Division land sales included \$274,118.63 in preferred stock, which was received at par for lands sold on that division. The amount of preferred stock received for lands in former years was : In 1892, \$94,-362.40 ; in 1891, \$324,711.35 ; in 1890, \$189,254.11 ; in 1889, \$316,040.26 ; in 1888, \$297,581 ; in 1887, \$272,111.82 ; in 1886, \$552,273.33 ; in 1885, \$1,196,484.02 ; in 1884, \$1,725,570.70 ; in 1883, \$159,668.30 ; and in 1882, \$403,456.75.

The land grant to the company was conditioned upon the completion of its road prior to July 7, 1876 ; but subsequently an extension of three years was granted.

Within the States the company was allowed to go beyond the 20-mile limits, provided the 20 sections of the public or unoccupied lands could not be found within those limits, and within the Territories the company was allowed to go beyond the 40-mile limits.

"The Land Forfeiture Bill, as agreed upon by the Conference Committee, passed the Senate and House, and was signed by the President of the United States on Sept. 29, 1890. This bill provides that there shall be forfeited to the United States all lands heretofore granted

to and in aid of the construction of railroads, opposite to and coterminous with the portion of any such railroad not completed at the date upon which the bill became a law. This forfeits that portion of the company's grant lying between Wallula and Portland, but confirms the rest of the Northern Pacific land grant to the company."

Sales for fiscal year ending June 30, 1893, 280,571.16 acres; amount, \$1,025,842.93; average per acre, \$3.66. Sales cancelled, 201,415.53 acres, representing \$662,308.41; deferred payments—rebates for improvement, \$4,373.49; net land sales for the year, 79,155.63 acres for \$359,161.03; add sales, timber, town lots, etc., \$179,532.50—total new business, \$538,693.53.

Following is the acreage selected, and certified to the company up to June 30, 1893:

* For the purpose of uniformity in these statements the freight tonnage, gross earnings, and operating expenses of the Delaware and Raritan Canal are omitted from the preceding statement of operations of the United RRs. of New Jersey Division; but the net results of operating the canal (a loss of \$14,329.01 in 1893) are shown in "Other Receipts" of the New Jersey Division; the object for so separating the account being to keep the operations of the railroad system distinct. On the Delaware and Raritan Canal there were moved 767,670 tons of freight, a total of 26,287,355 miles, making the aggregate tonnage of the whole system 69,887,460, and tonnage mileage, 7,452,766,486. The actual gross earnings of the United RRs. of New Jersey Division, including canal, were \$18,805,758.84; operating expenses, \$14,819,151.26; net earnings, \$3,986,607.58; expenses to earnings, 78.60 per cent. Gross earnings of all lines were \$196,375,223.83; operating expenses, \$46,906,017.28; net earnings, \$149,379,206.55; expenses to earnings, 70.0 per cent.

Compared with those of the preceding year the total gross earnings for 1893 decreased \$2,240,184.12, or 5.29 per cent., and the operating expenses \$1,886,903.52, or 4.86 per cent., making a decrease in net earnings of \$853,280.60, or 6.18 per cent. The decrease in gross earnings was due to a reduction of \$2,068,123.90, or 6.59 per cent., in earnings from freight traffic; \$74,388.88, or 0.87 per cent., in earnings from passenger traffic; \$48,836.31, or 6.59 per cent., in earnings from express traffic; \$9,079.74, or 0.98 per cent., in earnings from transportation of mails; and \$44,202.37, or 16.09 per cent., in earnings from rents; there being an increase of \$4,507.08, or 0.93 per cent., in earnings from miscellaneous sources.

The total operating expenses for 1893 amounted to \$27,178,809.47, a decrease of \$1,386,903.52, or 4.86 per cent., compared with those of 1892, accounted for by a decrease of \$200,308.91, or 1.92 per cent., in conducting transportation expenses; \$162,226.27, or 2.03 per cent., in motive power expenses; \$95,183.35, or 2.27 per cent., in maintenance of cars expenses; and \$948,321.75, or 18.14 per cent., in maintenance of way expenses; there being an increase of \$19,136.76, or 2.60 per cent., in general expenses.

"Notwithstanding the severe depression which prevailed in all branches of industry throughout the country, and which was so largely reflected in the gross revenues, and necessarily in the net results, the foregoing statements," reads the report of the company, "present quite a satisfactory exhibit for the year, us, in addition to a cash dividend of five per cent., an extra dividend of two per cent. in scrip, convertible into stock, was paid out of the Profit and Loss Account, and as large a balance left to its credit as at the close of the previous year. This was done after expending \$2,163,910.10 in straightening lines, improving grades, and other extraordinary renewals, and advancing to the Allegheny Valley Ry. the sum of \$242,975 toward meeting the interest upon its bonds guaranteed by your company, which, by reason of the depression already referred to, it was unable to provide out of its own revenues."

SINKING FUNDS.

Under the provisions of the consol. mtge. of the company, \$324,780 were set apart on July 1, 1893, out of the net income, as a sinking fund for the redemption of the outstanding bonds secured by that mortgage. None of the series of bonds to which the sinking fund was applicable could be purchased under the terms of the trust, and the amount was placed to the credit of the trustees for investment under the terms of the mortgage. The amount in securities in the fund for the redemption of these bonds equals \$3,386,375.09.

The trustees of the sinking fund for the redemption of the trust certificates issued for the purchase of the shares of the capital stock of the Philadelphia, Wilmington and Baltimore RR. Co. purchased \$121,000 of these securities during the past year. The total amount so purchased and cancelled to Dec. 31, 1893, equalled \$2,212,000, leaving outstanding \$7,788,000.

The trustees of the sinking fund for the redemption of the collateral trust loan were unable to obtain any of these securities during the year at the limit fixed in the agreement. The amount of this loan outstanding Dec. 31, 1893, is \$9,900,000.

Under the provisions of the 4 p. c. equipment trust gold loan, there was paid to the trustee during 1893 for the sinking fund the sum of \$137,400. The trustee was able to obtain but \$10,000 of the bonds at the price fixed in the lease, and in accordance with the terms thereof the balance, \$127,412.50, has been invested in additional equipment.

There are now in the sinking fund, for the redemption of the obligations of the various companies forming the United New Jersey RR. and Canal Co., securities of the par value of \$1 808,000, and a cash balance, uninvested by the trustees, of \$204,265.92, making an aggregate of \$5,012,265.92.

FUNDED DEBT.

In order to provide a portion of the capital needed for construction and equipment purposes, an issue of \$6,000,000 4 p. c. consol. mtge. bonds due 50 years from May 1, 1893, was authorized, of which only \$3,000,000 were sold during the year. For the purpose of securing the control of the outstanding interests in piers 3, 4, and 5 on the North River, New York, the company also created \$2,000,000 of 4 p. c. real estate bonds, maturing in 30 years from May 1, 1893, and has disposed of \$1,675,000 of these securities.

The amount of funded debt, including mortgages on real estate and ground-rents, at the close of the year was \$82,496,639.88, being an increase of \$4,978,913.50, accounted for as follows:

Increase in Consolidated Mortgage Bonds	\$3,000,000 00
Real Estate Bonds	1,675,000 00
Increase in Mortgages and Ground-rents	434,913 50
Total	\$5,109,913 50
Less Amount of Equipment Trust Gold Bonds Redeemed	\$10,000 00
Less Amount of Philadelphia, Wilmington and Baltimore RR. Stock Trust Certif. Redeemed	121,000 00
	131,000 00
Net Increase	\$4,978,913 50

* On account of these advances to branch and auxiliary lines there has been received in securities of those companies, \$388,754.71.

CAPITAL STOCK.

The amount of capital stock outstanding at the close of the year was \$129,271,050, an increase of \$2,496,550, due to the conversion of that amount of the scrip dividend declared in May, 1893.

SECURITIES.

During the year there were additional securities purchased at a cost of \$4,037,704.44, making the entire cost of the securities of other corporations now held by this company \$118,686,408.69. The direct revenue received therefrom was \$4,955,036.93, which is more than 4 p. c. upon their cost, and nearly \$1,000,000 in excess of the interest on the funded debt.

That portion of the equipment received from the United New Jersey RR. & Canal Co. at the time of the lease of that system, which remained on hand and was adapted to the uses of this company, was purchased by it, and the residue sold, so that that item no longer appears in the General Account.

CAR TRUSTS (not included in preceding statement of funded debt).

No further issues of these securities were made during the year, and the outstanding certificates of Series E, F, and G of the Pennsylvania Car Trust were paid and cancelled. These series covered 525 box and 500 hopper gondola cars in service on the Pennsylvania RR.; 1,659 box cars, 1,152 gondolas, 200 flat cars, and 50 stock cars, subleased to the Pennsylvania Co.; and 1,250 box cars, 350 stock cars, and 326 gondolas, subleased to the Pittsburgh, Cincinnati, Chicago & St. Louis Ry. Co., representing in all 6,012 cars, and a total cost of \$3,000,000.

The total amount of Car Trust certificates issued to date is as follows :

The result of the operations of these four coal companies shows a decrease in gross earnings of \$305,501.57, in expenses of \$29,415.85, and in net earnings of \$276,085.72 as compared with the previous year. This apparent decrease, however, is fully offset by the increased amount of stock coal on hand at the close of the year. The average receipts per ton at point of sale, aggregating the results of the four companies for 1893, were \$3.28, as against \$3.17 in 1892.

PENNSYLVANIA CANAL COMPANY.

This company is controlled by the Pennsylvania R.R. Co. The canal extends from Columbia to Nanticoke, Pa., with branches from Northumberland to Loyalsock Creek, and from the mouth of the Juniata River to Newton Hamilton, Pa., a total of 249 miles. The following statement shows the operations of the canal for 1893 as compared with 1892:

The larger portion of the expenditure on capital account was in the construction of second, third, and fourth tracks on the Pittsburgh, Ft. Wayne & Chicago and Pittsburgh, Cincinnati, Chicago & St. Louis Rys., and in providing additional motive power and equipment. These expenditures, the most of which were made in time to meet the exceptional demands created by the passenger traffic to and from the World's Columbian Exposition, proved of great service, and emphasized the strong necessity for completing the double track of the Fort Wayne road as rapidly as a proper regard for economy will permit.

For the purpose of providing the funds for these expenditures and the acquisition of other lines, referred to in "General Remarks," page 682, the Pennsylvania Co. sold \$7,000,000 of the 50-yr. 4½ p. c. consol. mtge. bonds of the Pittsburgh, Cincinnati, Chicago & St. Louis Ry. Co. held in its treasury.

SINKING FUNDS.

There have been redeemed through the sinking fund \$2,237,000 of the issue of \$3,200,000 of the Pennsylvania Company's 6 p. c. bonds, secured by Pittsburgh, Fort Wayne & Chicago Ry. Co. stock as collateral, leaving the amount outstanding \$963,000. No further redemptions could be made of the 4½ p. c. bonds secured under the \$20,000,000 mtge. of that company, so that the amount outstanding at the close of the year was \$19,467,000.

The report made by the trustees of the sinking funds of the 1st and 2d mtges. of the Pittsburgh, Fort Wayne & Chicago Ry. Co. shows that the regular annual payment of \$104,100 was

made thereto. They redeemed during the year \$70,500 of the 1st mtge. and \$28,500 of the 2d mtge. bonds, making the total amount redeemed to Dec. 31, 1893:

First Mortgage Bonds.....	\$2,323,000 00
Second Mortgage Bonds	2,614,000 00

With a balance of cash in the hands of the trustees, uninvested, Dec. 31, 1893:

On Account of First Mortgage Sinking Fund.....	\$943,556 90
On Account of Second Mortgage Sinking Fund.....	986,826 07
Total	\$1,930,382 97

The further amount of \$202,820.20 was added to the sinking funds provided for the redemption of the existing mortgages of the Cleveland & Pittsburgh RR. Co., in addition to the amounts contributed directly to other sinking funds by the individual companies.

Under the provisions of the sinking fund established for the redemption of the 1st mtge. 7 p. c. bonds of the Jeffersonville, Madison & Indianapolis RR., one of the constituent organizations of the Pittsburgh, Cincinnati, Chicago & St. Louis Ry. Co., \$551,000 of these securities had been redeemed to Dec. 31, 1893, leaving outstanding \$2,392,000. The trustee had also on hand \$18,941.42, which has since been applied to the further redemption of the bonds under the terms of the mortgage.

Under the arrangement stated in the MANUAL for 1892 \$302,000 of the 7 p. c. bonds of the Grand Rapids & Indiana RR. Co. have been extended at 4½ p. c.; the total amount so converted at the end of the year was \$1,641,000. There are yet outstanding \$2,453,000 of the guaranteed, \$346,000 of the unguaranteed land-grant, and \$935,000 of the land-grant 1st mtge. bonds of that company. The land department made sales of 35.437 acres of farm land, and 400 acres of pine land, for the aggregate price of \$287,864.77, being an average price of \$.83 per acre. The amount sold to the close of the year, after deducting cancelled contracts, and including 6,183 acres of worthless land, was 604,469 acres, and the aggregate price received therefor was \$7,660,662.53, an average of \$12.67 per acre.

The assets on hand Dec. 31, 1893, applicable to the redemption of the 1st mtge. land-grant bonds were: Cash in the hands of the trustees, \$488,023.56; cash in the hands of cashier, \$5,885.03; bills and accounts receivable in hands of cashier, \$249,587.59; bills receivable and securities in hands of trustees, \$1,093,676.99—total, \$1,837,173.17

The total line charged in construction account for road between Philadelphia and Pittsburgh includes the Harrisburg, Portsmouth, Mt. Joy and Lancaster R.R., 109.22 miles, represented by \$1,882,550 guaranteed stock and bonds of that company; the branches to Indiana, Hollidaysburgh, and Morrison's Cove; branch at Tyrone and branch to connect with P., V. & C. R.R. and branch; Columbia Bridge; branches from Columbia to York, and sundry other branches and extensions, and including wharves and grain elevator, and cost of stations, warehouses, and shops. The equipment, charged in equipment account, consists of locomotives, passenger cars, baggage, mail, and express cars, freight cars, and road cars, as well as shop machinery, steamboats, car floats, and canal equipment, schooners, barges, and tugs.

The stock trust certificates of 1921 (originally \$10,000,000) were issued to provide part of the means for the purchase of the P., W. & B. R.R. (see SUMMARY OF PROGRESS, in MANUAL for 1882, page 288), and bear 4 p. c. interest. For the payment of these certificates the faith of the Pennsylvania R.R. Co. is pledged, and they are further secured by deposit in trust with the Pennsylvania Co. for Insurance on Lives and Granting Annuities, of 100,000 of the shares purchased. The dividends upon this stock, after providing for the interest on the outstanding certificates, are applied as a sinking fund for their purchase and cancellation, whenever they can be obtained at a price not exceeding par.

The general mtge. bonds are secured, under a deed dated July 1, 1867, by a mortgage of \$35,000,000 on the railroads, real and personal estates, premises, hereditaments, etc., made to two trustees for the benefit of the holders. Denominations, \$1,000 or £200. The sterling bonds (£2,781,200) are all in coupon form. Interest on them is payable at the London Joint Stock Bank, Limited, London, Eng.

The consol. mtge. was executed in 1873, and authorized an issue of \$100,000,000 bonds, secured on the entire property and franchises of the company, including rolling stock and also by a deposit of securities of an estimated cost value of \$54,025,301.16. All consols are equally secured under the same deed of trust, though issued at different periods. The bonds maturing in 1905 were issued July 1, 1873, July 1, 1874, and June 15, 1875. Of the amount outstanding, £4,693,200 are sterling coup. bonds of £200 each. These sterling bonds may be registered as to principal at the Company's London Agency. Interest is payable in London, Jan. 1 & July 1; principal in London, July 1, 1905. Coupons of the currency issue are payable June 15 & Dec. 15, and the registered interest Mar. 15, June 15, Sept. 15, & Dec. 15; principal and interest payable in Philadelphia, Pa. The consol. loan of Sept. 1, 1879, is in coup. and reg. forms—coup., for \$1,500,000, with interest payable Mar. & Sept.; reg., for \$3,498,000, with interest payable Mar. 1, June 1, Sept. 1, & Dec. 1. Bonds are for \$1,000 each. A sinking fund of 1 p. c. is provided, which is applied to purchase of the bonds if at par or under, or is allowed to accumulate if they are not. The bonds of May 1, 1893 (\$6,000,000 in all to be issued), were issued to meet the cost of certain improvements. They are for \$1,000 each, in coup. form, but may be registered as to principal at the registration offices of the company in New York and Philadelphia, and at the London Joint Stock Bank, Limited. The bonds of 1879 and those of 1893 are payable, principal and interest, in gold. Interest on the bonds of 1903 is payable at the Farmers' Loan and Trust Co., New York, N. Y.

The authorized issue of the collateral trust loan was \$10,000,000, of which \$100,000 have been retired by the action of the sinking fund. The bonds are for \$1,000 each, "to bearer," and are a direct obligation of the company. They are secured by deposit with the Provident Life and Trust Co. of Philadelphia, of \$13,845,000 bonds of subsidiary lines. The bonds are not liable to be drawn or compulsorily redeemed before maturity, but a sinking fund of 1 p. c. and interest on bonds redeemed will be applied half yearly to their purchase if they can be obtained at or below par and interest. They may be registered with the transfer agent at Philadelphia, in which case no transfer is valid as to principal, except upon the books of the company, unless the last transfer be to bearer, which restores its transferability by delivery. The bonds are subject to successive registrations and transfers to bearer at the option of each holder, but the coupons in all cases remain to "bearer." Interest is payable in gold, free of all taxes, at the Provident Life and Trust Co., Philadelphia, Pa.

The *equipment trust gold bonds* are for \$1,000 each, in coup. form, but they may be registered in Philadelphia, both as to principal and interest. These bonds are known as Series A, and are secured by a mortgage on the equipment purchased with the proceeds. There is provision made in the mortgage for a sinking fund of 5 p. c. per annum, to be applied to purchase of the bonds at par and accrued interest, or if bonds cannot be had at that price, to the purchase of additional equipment, which will be added to the same trust. Interest is payable in Philadelphia, at the Girard Life Insurance, Annuity and Trust Co.

The *real estate mortgage bonds* are for \$1,000 each, in coup. or reg. form. Coup. bonds may be registered or may be exchanged for full reg. bonds. The bonds were issued (the authorized amount is \$2,000,000) for the purpose of securing the control of the outstanding interests in Piers 3, 4, and 5 on the North River, New York. Interest is payable in gold at the Farmers' Loan and Trust Co., New York.

GENERAL REMARKS.

The report of the Managers of the Trust created Oct. 9, 1878, shows that there has been paid by the Company to Dec. 31, 1893, the sum of \$4,346,965.33, that the total income therefrom has been \$4,573,288.57, and that securities have been purchased amounting at par to \$3,847,680, yielding an interest of 5.29 p. c. for the year. There was appropriated to that Trust for the year 1893 the sum of \$75,854.70.

The statement of the Insurance Fund shows assets on hand at the end of the year of \$3,217,147.33, being an increase of \$239,327.73 over the previous year.

From the statement of the Employees' Relief Fund, it will be seen that the amount contributed by this company and affiliated lines during the year was for operating expenses, \$91,700.68, for deficiencies, \$4,328.35, and, in addition thereto, the sum of \$24,323.50 for extra benefits to members of the fund whose disability had continued over 52 weeks, and who were, therefore, no longer entitled to regular benefits from the fund, making an aggregate contribution on the part of the company and affiliated lines of \$120,352.53. The amount contributed by the employees was \$603,531.19, and the receipts from interest were \$4,349.76, which, with the contributions by the companies, as stated above, \$120,352.53, made a total of \$728,133.48. This, added to the balance on hand at the beginning of the year, \$158,333.33, aggregated \$886,466.81. Of this amount there was paid to the families of employees in death benefits, and for sickness and accidents, the sum of \$642,505.18, an average of over \$1,700 per day, and for expenses, as before stated, \$91,700.68, leaving a balance of \$192,370.95 with which to adjust outstanding claims. The number of these death benefits paid was 452, and the average paid in each case was \$621. There were 32,827 members of the fund at the close of the year.

The statement of the Employees Saving Fund shows that the employees continue to avail themselves of its benefits, the number of depositors having increased during the year from 3,797 to 4,058. The amount received during

1893, as will be seen by the statement hereto appended, was \$470,480, and the balance in the fund at the close of the year was \$1,262,032.64. Of this amount, \$1,200,000 have been securely invested in 4 p. c. bonds.

The traffic conditions prevailing on the railways of the country during the past year presented a marked contrast to those of its immediate predecessor. During 1892 the utmost activity existed in all departments of industry, and the facilities of the transportation companies were unequal to the demands made upon them. To relieve this condition of affairs upon your lines, the work of extending second, third, and fourth track east of Pittsburgh, and double track west of Pittsburgh, was prosecuted with exceptional activity in the early part of the year; but, before many months had elapsed, there were marked indications that the prosperity previously existing was on the eve of a change, which was first evidenced by a severe financial disturbance, and followed by a rapid depression in all classes of industries, which still continues.

Upon the first evidence of this change, your management suspended work on all new construction and equipment, and instituted rigid and thorough economies in every branch of the service. This policy resulted in maintaining the finances of your company in good condition, and will be pursued during the present year, unless the return of prosperity warrants a change therein.

The amount expended upon the Main Line and branches between New York and Pittsburgh, and charged to capital account, was \$8,332,164.09.

The work of extending Broad Street Station and providing for the removal of the general offices to that point was continued and will be finished during the present year; the other large items of outlay were for equipment, real estate, and third and fourth tracks on the Main Line, of which 26 additional miles were completed, and also a large amount of grading and other work done in connection with their further extension. The second track on the Trenton Cut-off was entirely completed, and 12 miles of double track added to the Harrisburg, Portsmouth, Mt. Joy & Lancaster RR., which line was greatly improved by a revision of its alignment, including, among other heavy work, the construction of a double-track stone bridge across the Conewago Creek. These expenditures have resulted in increasing the facilities for the prompt movement of traffic upon the line of your road.

The policy of elevating or depressing the tracks so as to avoid grade crossings was further carried out, resulting in the elimination of several dangerous street crossings in the city of Philadelphia and in considerable progress toward the elevation of the tracks in the city of Elizabeth, N. J.

The opportunity having been presented to the company to acquire the valuable properties in New York City known as piers Nos. 3, 4, and 5, North River, for which large rentals on temporary leases had heretofore been paid, the management deemed it advisable to purchase them and thus secure permanently the wharf and dock facilities necessary for the business in that city. The money required for this purchase was obtained from the sale of bonds directly secured upon that property.

The amount expended in the construction of branch and auxiliary lines was \$1,332,167.14, which was considerably less than in the previous year, as the same necessity did not exist for the development of the local territory tributary to the system. Of this sum, \$677,735.65 was repaid by these companies in cash.

The principal items were in the extension of the Philadelphia, Germantown and Chestnut Hill Road to connect with the Trenton Cut-off; in the further extension of the Cambria and Clearfield RRs., and in the partial construction of the Ebensburg and Black Lick RRs., a new line projected for the development of additional bituminous coal territory.

The management, believing it to be for the best interests of the company, secured by purchase a large portion of the securities of the Cresson and Clearfield County and New York Short Route RR. Co., which was referred to in the last annual report as having been leased.

The St. Louis, Vandalia and Terre Haute RR., which was built about 1868 by this company, in conjunction with the Terre Haute and Indianapolis RR. Co., for the purpose of extending this company's system to St. Louis, passed at that time by lease under the direct control of the latter corporation, in which this company had no share interest; so that, while a majority of the stock of the Vandalia Line was owned by this company, it had no voice in its management. An opportunity having offered during the year, the Pennsylvania Co. purchased a large portion of the capital stock of the Terre Haute and Indianapolis RRs., and thus finally secured the control of the direct line to St. Louis. The Terre Haute and Indianapolis RR. Co. also operates through lease or ownership the Terre Haute and Logansport and the Indiana and Lake Michigan Roads, extending from Terre Haute *via* Logansport to St. Joseph, Mich., and the Terre Haute and Peoria Road, extending from Farrington, Ill., to Peoria, which are worked as a portion of its system, making in all an aggregate of 637 miles.

For the purpose of securing a more direct connection between its southwestern lines and the Chicago, Burlington and Quincy and other Western railways, this company acquired the ownership of a majority of the stock of the Toledo, Peoria and Western Ry., 231 miles long, and extending from one of the Western termini of the Pittsburgh, Cincinnati, Chicago and St. Louis Ry. at the Illinois State Line, by the way of Peoria, to Warsaw, Ill. This road, which forms a natural extension of the last-named line to the Mississippi River, traverses a fine belt of farming country, besides reaching the important cities of Peoria, Keokuk, and Burlington, and it is believed that its acquisition will be of value to the company. Negotiations are now pending with the Chicago, Burlington and Quincy RR. Co. for such joint ownership and management of this property as will be to the mutual interest of both companies, and enable them to take advantage of its important geographical position.

That portion of the Toledo, Wauhatchie Valley and Ohio RR. referred to in the last annual report as being under construction was completed and opened for traffic during the year. With the view of securing a more permanent control of a fair share of the coal traffic destined to Toledo and the State of Michigan than could be obtained through a traffic contract, the Pennsylvania Co. purchased the Cleveland and Marietta RR., extending from New Philadelphia, its point of connection with the Cleveland and Pittsburgh RRs., to Marietta, on the Ohio River, a distance of 97 miles, and traversing the extensive Cambridge coal field of Ohio. This line will not only secure to this system the coal traffic referred to, but also gives the large iron manufacturing interests in the Mahoning and Shenango Valleys of Ohio a direct connection with the Southwest.

The acquisition of these railways, having an aggregate length of 965 miles, was necessary to protect the interests of this company's Western lines, and it was deemed more advisable to secure this result by direct purchase than by lease. The results of their operations do not appear in this report, as their purchase was not concluded until the close of the year.

The entire system of railroads at the close of 1893 comprised 140 corporations, with an aggregate of 8,500 miles, controlled either by lease or ownership, and having a total share and bond capital of about \$815,000,000.

Statement showing the mileage of railroads operated by the Pennsylvania RR. Co., at the close of the year 1893 as compared with the operated mileage for the year 1892:

UNITED NEW JERSEY RR. AND CANAL COS.—Jersey City to Trenton, N. J., 56.54 m.; South Amboy to Camden, N. J., 61.15 m.; branches, 27.14 m.—total, 144.83 m.; 2d track, 93.28 m.; 3d track, 55.38 m.; 4th track, 55.49 m.; sidings, 226.09 m.—total (steel, 430.62 m.), 575.07 miles. Canal owned: Bordentown to New Brunswick, and feeder, 66 miles. The Delaware & Raritan Canal Co., and the Camden and Amboy RR. Co., were both chartered Feb. 4, 1830, the former to construct a canal to connect the Delaware and Raritan Rivers, and the latter to build a railroad from the Delaware River to Raritan Bay. In Feb., 1831, an act was passed authorizing the consolidation of the capital stocks of these two companies; they were thus practically consolidated, although nominally distinct corporations. Their affairs were managed jointly by the directors of both, and they were to share equally in profits. Under this joint management the construction of the works was begun. The main lines of the railroad and canal were completed in 1834, and the branches in 1838. In 1836 the United Companies acquired a controlling interest in the stock of the Philadelphia & Trenton RR. Co., and entered into an agreement with that company for an equal division of their joint profits.

In Jan., 1867, an agreement was entered into between the United Cos. and the New Jersey RR. & Transportation Co., which owned the line between New Brunswick and Jersey City, forming a link in the through New York-Philadelphia route, for a consolidation of interests; and under this agreement the profits were equally divided between the four companies—the Delaware & Raritan Canal Co., the Camden & Amboy, the New Jersey, and the Philadelphia & Trenton RR. Cos.

On June 30, 1871, the entire property was leased to the Pa. RR. Co. for 999 years, the lessee receiving all assets and assuming all obligations, and guaranteeing to the United Cos. an annual rental equal to 10 p. c. on the aggregate capital stock, and dividends of an equal rate to the Philadelphia & Trenton.

Second track (lines owned, 119.27; leased, 3.39), 122.66 miles; sidings (lines owned, 105.01; leased, 80.57), 185.58 m. Total tracks (lines owned, 369.69; lines leased, 311.38), 681.07 miles. Gauge, 4 ft. 9 in. Rail—iron, 60 and 64; steel (662 m.), 60 lbs.

In addition to the mileage shown above, the company uses 7 miles of the track of the N. Y., L. E. & W. RR., between Soutiport and Horseheads, N. Y., making the total length operated (excluding Union RR.) about 377 miles. For operating purposes these lines are formed into five divisions, as follows: Main line, 148 m.; Shamokin, 28 m.; Elmira, 78 m.; Summit Branch RR., 20 m.; Canandaigua, 103 miles.

History.—Consolidation Dec. 9, 1854, of the Baltimore & Susquehanna, York & Maryland Line, York & Cumberland, and Susquehanna RR. Cos. The main line reaches the Elmira & Williamsport RR. and its northern extension by using, under a traffic arrangement, 40 miles of the Philadelphia & Erie RR. between Sunbury and Williamsport. The Shamokin Valley & Pottsville, and Elmira & Williamsport RRs. were leased in 1863, for 999 years. The Elmira & Lake Ontario RR. is controlled through ownership of its entire capital stock.

In 1882 the company purchased the entire capital stock of the Union RR. Co., \$600,000. That railroad (see GENERAL INDEX) is operated distinct from the Northern Central, and the financial results are kept separate. The Rockville Branch is operated under contract as an extension of the Susquehanna Division. (See MANUAL for 1885, page 261.) A traffic contract with the Stewartstown RR. Co. secures to this company all traffic controlled by the former and destined to and from points on this company's main line and its connections. A controlling interest in (not a majority of) the share capital of this company is owned by the Penn. RR. Co.

Rolling Stock, Dec. 31, 1893.—Locomotives, 191. Cars—passenger, 96; combination, 16; baggage, 24; express, 22; postal, 3; freight (box, 2,361; gondola, 4,458; stock, 26; stone, 50; lime, 55; caboose, 102), 7,054—total revenue cars, 7,213; tool and working cars, 311. In addition, there are 700 Penn. Car Trust gondola cars and 1,756 Penn. Equipment Trust gondola cars, assigned to and in service on this road.

† The statements of passengers and tons of freight moved are given as they appear in the company's report. It will be observed that the total of the numbers credited to each division is in excess of the number given in the "Total" column. This is probably due to transfer passengers and freight being credited in full to each division over which they passed. The mileage of passengers and freight, and the total number of each moved, given in "Total" column are correct.

Extracts from the company's report for 1893:

On May 12, 1893, the company sold to the Columbia & Port Deposit Ry. Co. its Perryville Branch, from Perryville to Port Deposit, 3.7 miles, receiving in payment therefor \$400,000 of the capital stock of that company. This branch can be worked to greater advantage by the Columbia & Port Deposit R.R., and the price received represents its full value. The decrease in construction and equipment account is due to the sale of this branch, the total expenditure on that account having, as already stated, been but \$538,713.64 for the year.

The general account shows an increase of \$500,000 in the outstanding debentures. This represents a portion of the \$1,900,000 4 p. c. loan issued under date of Oct. 1, 1892, which was sold after Oct. 31, 1892, and therefore did not appear in the balance-sheet for last year.

Funded Debt (\$5,834,409.62) consisted November 30, 1893, of the following:

Consol. sinking fund 7 p. c. \$1,000 coup. bonds of 1867, due Nov. 1, 1900, interest May & Nov.....	\$1,584,000 00
Construction & Equip't "Series A" 7 p. c. 40-yr. \$1,000 coup. bonds, due Jan. 1, 1913, int. Jan. & July.....	792,000 00
Gen. Mtge. 4½ p. c. 50-yr. \$1,000 "Series A" bonds, due Jan. 1, 1942, interest Jan. & July.....	3,000,000 00
Gen. Mtge. 4½ p. c. 50-yr. \$1,000 "Series B" bonds, due Oct. 1, 1942, interest April & Oct.....	443,000 00
4th mortgage bonds (part due and provided for), and 4th mortgage scrip issues (\$8,409.62)	15,409 62

Of the consols, \$1,256,500, and of the construction bonds, \$578,000 are in the sinking fund and not included in the above list. Releases of the liens of the 2d, 3d, and 4th mtges. were secured from the trustees and discharged during the past year. The consol. mtge. bonds are secured by a lien on the whole road; the construction and equipment bonds are a lien on the income.

The *gen. mtge. bonds* were issued in 1892. The Series "A" bonds were issued for the following purposes: To retire 4th mtge. bonds and scrip (matured Jan. 1, 1892), \$1,100,000; to be exchanged, bond for bond, for construction and equipment bonds, as agreed by the Pa. RR. Co., \$1,010,000; to pay lessee for betterments for the years 1887 to 1891, inclusive, any amount over that necessary to pay for same to be applied toward bonds due the lessee on account of bonds which have been redeemed under the sinking fund clauses, \$80,000—total, \$3,000,000. The remainder of the authorized issue (\$7,000,000) is reserved for retirement of outstanding bonds, betterments, etc. A sinking fund of not less than 1 p. c. on the total amount of outstanding bonds is provided for the redemption of these bonds, whenever they can be had at or under par and accrued interest. A second series of bonds under the provisions of this mortgage—Series "B" for \$2,000,000—was requested by the lessee, and authorized by the directors in May, 1892. The bonds of this series run for 50 years from Oct. 1, 1892, with interest, payable April & Oct., at 4½ per cent. per annum. They bear the guarantee of the Pa. RR. Co. in the same form as that placed upon the bonds of Series "A," and are in all other respects the same in form as the Series "A" bonds. Up to Dec. 31, 1893, \$443,000 bonds of this series were issued and \$300,000 additional were issued Mar. 6, 1894, on account of betterments, etc., for the year 1893. Bonds of both series are for \$1,000 gold each, in coupon form, with privilege of registration; principal and interest and instalments for sinking fund guaranteed (by indorsement) by the Pa. RR. Co. A sinking fund of not less than 1 p. c. of the total amount outstanding is provided for the redemption of these bonds, whenever they can be purchased at or under par and accrued interest. Registrars of bonds, Winslow, Lanier & Co., New York, N. Y. By an agreement entered into with the Farmers' Loan & Trust Co., trustee of the consol. sinking fund bonds of 1900, no further issues of those bonds will be made. The lessee agrees to accept the bonds of the new gen. mtge. for all betterments hereafter to be made; therefore, no further issues of the construction and equipment bonds will be made.

The 1st mtg. land grant bonds were issued under a mortgage dated Oct. 1, 1869, securing an authorized issue of \$3,000,000 bonds and covering the railroad and appurtenances from Fort Wayne, Ind., to Mackinaw City, Mich., and also the land grant of the company. Bonds numbered 1 to 4,000, inclusive, had attached to them an undertaking assumed by the Pennsylvania RR. Co. to purchase the coupons at any time should default be made by the company, and also to purchase the bonds at maturity, if not paid off by the mortgagor. The remaining \$4,625,000 bonds had no such guarantee, and \$2,500,000 of them were retired by an issue of income bonds. Endorsed bonds amounting to \$66,000 were also retired, leaving the total amount of 1st mtg. bonds outstanding, \$5,375,000—endorsed, \$3,984,000; not endorsed, \$1,441,000. Of the unendorsed bonds, only \$505,000 retained their security on the land grant, that security having been removed from the remaining \$936,000. On Mar. 13, 1891, an agreement was entered into providing for the extension of the entire \$5,375,000 1st mtg. bonds for 50 years from July 1, 1891, the interest to be reduced to 4½ p. c. and the additional security of the land grant, together with the clause relating to purchase of bonds and coupons by the Pa. RR. Co. to be detached from the bonds, each extended bond to be endorsed with a new undertaking by the Pa. RR. Co. for the purchase of the bonds and coupons in case of default by the company, upon 60 days' notice by the holders of the bonds; such bonds and coupons to be kept alive and held as a debt against the company. The land grant bonds may be bought (not drawn) at 110 out of proceeds of land sales. The company has in the hands of trustees of its sinking fund, \$1,857,173.17 proceeds of sales of lands, applicable to the redemption of its land grant bonds at maturity or when obtainable at 110. The 6 p. c. bonds of 1899 were issued to liquidate the floating debt incurred in building the Mackinaw extension, and to pay amounts due the Pennsylvania RR. Co. for coupons, etc. The authorized issue is \$3,000,000, of which \$25,000 have not yet been negotiated. The authorized amount of 5 per cents. is \$13,000,000. Of this issue a sufficient amount is reserved to retire prior liens. The amounts included in outstanding funded debt is \$4,625,000, but of these \$879,000 are in the company's treasury, unsold. Interest due Sept. 1, 1892, on these bonds went to default, and an arrangement was made with the bondholders to fund the coupons from Sept., 1892 to Mar. 1, 1900, in bond scrip, dated Mar. 4, 1893, bearing 4 p. c. interest on such coupons, as they shall become due, and payable on or before Sept. 1, 1924, the total issue amounting to \$1,498,400. These have all been executed and placed in the hands of the Commonwealth Title Ins. & Trust Co., trustee, Philadelphia, Pa.

To provide the means for building the Muskegon, Grand Rapids and Indiana RR. there were issued \$750,000 5 p. c. 40-yr. \$1,000 gold corp. bonds, due July 1, 1926, interest Jan. & July. These bonds are a direct obligation of the G. R. I. & I. RR. Co., and to provide additional security the company agreed to set apart each half year 20 p. c. of its gross earnings on business to and from the Muskegon Division to be applied to payment of interest on the Muskegon Division bonds accruing during such six months, should any deficiency arise in the earnings of the Muskegon Division applicable thereto. Interest on these bonds went to default Jan. 1, 1894. See *Muskegon, Grand Rapids & Indiana RR. Co.*

The consol. mtge. bonds (Series "A," "B," and "C") are secured on "the company's entire railway and estates, personal and mixed, acquired and to be acquired, also all franchises, including the franchise to be a corporation." Authorized issue, \$75,000,000, which may be issued in different series on different dates, designated by the different letters of the alphabet from time to time as the directors may determine, and the different series may bear different rates of interest. The authorized amount of series "A," "B," and "C" is \$10,000,000 each. Nos. 1 to 10,000 inclusive (series "A"), of which \$10,000,000 are outstanding, are dated Oct. 1, 1890, and run 50 years, to Oct., 1940. Nos. 10,001 to 20,000 inclusive (series "B"), of which \$10,000,000 are outstanding, are dated April 1, 1892, and run 50 years, to 1942. Nos. 20,001 to 22,956 inclusive (series "C") of which \$2,956,000 are outstanding, are dated Nov. 1, 1892, and run 50 years, to Nov. 1, 1942. The bonds are for \$1,000 each; principal and interest payable in gold at the trustee's office. A sinking fund of 1 p. c. per annum on the bonds outstanding is provided for the retirement of these bonds effective on and after Oct. 1, 1895; if, however, bonds are not obtainable at par or less, the 1 p. c. lapses into the treasury. Bonds are in coupon form, but principal may be registered at the trustee's office. Trustee, Farmers' Loan & Trust Co., New York, and William N. Jackson, Indianapolis, Ind. A sufficient number of these consols is reserved for the retirement of prior lien bonds. The Pennsylvania Co. unconditionally guarantees principal and interest of these bonds, and the guarantee is endorsed on each bond.

The P. C. & St. L. Ry. consols are secured on the main line from Birmingham, Pa., to Newark, O., and on Bridgeville & McDonald, and New Cumberland Branches as far as constructed on Sept. 30, 1890, and undivided one-half of line from Newark to Columbus, O., in all about 213 miles. They are for \$1,000 each, coupon and registered, interest payable at the office of the Penn. RR. Co., Philadelphia, Pa.

The Steubenville & Indiana RR. bonds are secured on the line from Steubenville to Newark, O., 116 miles. Interest payable at the National City Bank, New York, N. Y.

The C., St. L. & P. RR. consols are secured on 580.52 miles of railroad, as follows: Columbus, O., to Indianapolis, Ind., 187.13 m.; Bradford Junc., O., to Chicago, Ill., 290.98 m.; Richmond, Ind., to Anoka Junc., Ind., 102.22 m.; and Logansport, Ind., to Illinois State Line, 60.19 m.—total, 580.52 miles. Authorized issue, \$22,000,000. Bonds are for \$1,000 each, in coupon form, but may be exchanged for registered bonds of like denomination. Trustees, Conrad Baker, Indianapolis, Ind., and Union Trust Co., New York, N. Y. Principal and interest payable in gold, at the Union Trust Co., New York, N. Y.

The Union & Logansport RR. bonds are secured on the road from Union City to Logansport, 93 miles. They are \$1,000 each in coupon form, but may be exchanged for registered bonds. Interest payable at the Union Trust Co., New York, N. Y.

The Chicago & Great Eastern RR. bonds are secured on the line from Chicago, Ill., to Richmond, Ind., 234 miles. Coupon bonds are exchangeable for registered bonds. Interest payable at the Union Trust Co., New York, N. Y.

The Columbus & Indianapolis Central Ry. bonds are secured in the order of their priority on the main line from Columbus to Indianapolis, 187 miles. The 2d mtge. is also a first lien on the 21 miles of road between Bradford Jct. and Union City, Ind. The bonds are in coupon form, but are exchangeable for registered bonds. Interest payable at the Union Trust Co., New York, N. Y.

The Cincinnati, Richmond & Chicago RR. 1sts are secured on the line from Hamilton, O., to Indiana State Line, 35½ miles. They are for \$1,000 each, in coupon form. Interest payable at the Union Trust Co.'s office, New York, N. Y. The 2ds matured Jan. 1, 1889, but are still outstanding.

The Jeffersonville, Madison & Ind. RR. bonds are secured on 222.35 miles of road, as follows: Louisville, Ky., to Indianapolis, Ind., 108.40; Columbus to Madison, Ind., 44.90; Columbus to Cambridge City, Ind., 63.04; New Albany to Jeffersonville, Ind., and branch, 6.01—total, 222.35 miles. A sinking fund of not less than \$15,000 per annum is provided for the redemption of the 1sts, which can be drawn at 110. The bonds are coupon, exchangeable for registered. Interest on both issues payable at the Farmers' Loan & Trust Co., New York, N. Y.

Annual meeting, 2d Tuesday in April, at Pittsburgh, Pa.; books close 30 days in advance, and stock owned then may be voted. Trustees of bonds, Farmers' Loan & Trust Co., New York, and W. N. Jackson, Indianapolis, Ind. Registrar of stock, National Bank of Commerce, New York, N. Y.

The Little Miami mortgage is a lien on the road from Cincinnati to Springfield; the Dayton and Western on the road from Dayton to Indiana State Line, and the Cincinnati Street Connection, on the connecting tracks, etc., in Cincinnati. The renewal mtge. bonds were issued to take up bonds maturing in May, 1883. The Dayton & Western bonds are guaranteed jointly by the Little Miami and Columbus & Xenia RR. Cos. The Cincinnati Street Connection Ry. bonds were issued jointly by the Little Miami Co. and the old Cincinnati & Indiana RR. Co., and were guaranteed by the two companies, but the Cin., Inl., St. L. & Chicago Ry. Co., successor to the C. & I., repudiated all liability on account of them. Interest on renewal bonds and on Dayton & Western bonds payable at the Bank of America, New York, N. Y.; on Cincinnati Street Connection Ry. bonds, at the company's office, Cincinnati, O. Trustees of bonds: Renewal mtge., Julius Dexter; Dayton & Western bonds, S. E. Wright; Cin. St. Con. Ry. bonds, *vacancy*.

At the annual meeting in Jan., 1890, the stockholders authorized an issue of \$3,000,000 7 p. c. bonds, to be issued to the lessee from time to time, as required, for betterments and improvements to the property, also \$3,000,000 additional stock, into which the bonds will be convertible.

Annual meeting, last Tuesday in Jan. at Cincinnati, O. Dividends payable at Cincinnati, O. Books close 10 days in advance of dividend days; total number of dividends paid to close of 1893, 144. Registrar of stock, Cincinnati Safe Deposit and Trust Co.

History.—Chartered April 4, 1833; work begun in the spring of 1835, and portions of the line opened in July, 1838. Through line, Philadelphia to Pottsville, opened in Jan., 1842, and the Mt. Carbon RR. to Pottsville, 1 mile, merged May 13, 1842. The line from the Falls of the Schuylkill to Port Richmond, from which the shipments of coal are made, was completed in 1842; the other lines were acquired subsequently, as shown in the foregoing statement. (See MANUAL for 1891.)

In addition to its lines of railroad the Philadelphia and Reading RR. Co. leases and operates the following canals: Schuylkill Canal, 108.23 miles—leased for 999 years from Jan. 1, 1870; Susquehanna Canal, 45 miles—leased for 999 years from Jan. 1, 1872.

The liability of the company on account of its leased properties is shown in the statements of the several companies, and the rentals paid for the past year are shown in the statement on page 703 *et seq.*

The chief business of the company is the transportation of coal from the first and second anthracite coal-fields of Pennsylvania to tide-water in the Delaware River, at Port Richmond, Philadelphia. At this eastern terminus are 23 wharves, extending from 300 to 800 feet into the river, with trestlework and shutes, allowing a direct discharge of coal from the cars into vessels. More than 60 miles of track are distributed on the wharves of the immediate neighborhood. The company's fleet of sea-going steamers and barges distributes a considerable quantity of coal to points along the coast. The main line of road winds through the Schuylkill Valley, numerous branches extending east and west into the two southern coal-fields. The Broad Mountain dividing the two coal-fields is crossed at four different points, three of which lead directly into the Mahanoy coal-field, and one into the Wisconsin Basin.

The completion of a large terminal station, with 1.3 miles of elevated roadway, in the centre of Philadelphia, materially added to the passenger business for the year 1893.

A contract running for 900 years, from Feb. 4, 1882, between the New York Central & Hudson River RR. Co., the Fall Brook Coal Co., the Philadelphia & Reading, RR. Co., and companies controlled by these, provides for an interchange of through and local traffic and the formation of a through line between Philadelphia and Buffalo. (See MANUALS for 1883 and 1884.)

The entire tonnage of the Beech Creek RR. to Philadelphia and New York, and all points South and East is thrown upon the lines of the Philadelphia & Reading RR. Co., under a contract for 900 years, which provides for a *pro rata* of joint charges between the several connecting lines.

The Schuylkill River East Side RR. affords access to the traffic from the lines of the Baltimore & Ohio RR. Co. and its connections, over the P. & R. System.

The Port Reading RR., controlled by this company, gives the Reading an entrance to Staten Island Sound, where extensive terminals have been established.

The company was reorganized in 1887, under the terms of a plan, an abstract of which was published in the MANUAL for 1887, page 281. The property was again placed in the hands of receivers on Feb. 20, 1893, the floating debt having grown beyond the control of the company. A plan of readjustment was promulgated in the summer of 1893, but failing of the necessary support from security-holders in interest, it was abandoned.

The Lehigh Valley RR. and the Central RR. of New Jersey were leased in Feb., 1892, for 999 years—the former to the Philadelphia & Reading and the latter nominally to the Port Reading RR. Co. In Aug., 1892, the Central of New Jersey was turned over to its own officers, the lease having been enjoined by the Chancellor of New Jersey, and the lease was cancelled in Jan., 1893. The operation of the Lehigh Valley having resulted in a heavy loss to the Reading during the first year of the lease, the rental was reduced by \$806,696 per annum from Mar. 31, 1893; and the loss continuing to increase, the lease was abrogated as of July 31, 1893, the Lehigh Valley Co. resuming possession of its lines on Aug. 8, 1893. At the same time were abrogated the contracts to purchase coal mined by the Lehigh Valley Coal Co. and by a number of private coal operators, having been found unremunerative and requiring the expenditure of too large a capital.

On Aug. 15, 1893, a contract entered into on May 14, 1891, with Coxé Bros. & Co., was

annulled, it having proved unsatisfactory to the Reading. This contract provided for the transportation over the Reading system of a large tonnage of coal from the mines of Coxé Bros. & Co. to New York tide-water and to other markets.

The Philadelphia, Reading & New England RR., which went under the control of the Reading in July, 1892, was surrendered to a receiver on Aug. 19, 1893.

The Philadelphia & Frankford RR. Co. commenced in June, 1892, to construct a railroad from Crescentville, on the Philadelphia, Newtown & New York RR., to Frankford, 3 miles. The Reading Co. agreed that on the completion of the road it would guarantee principal and interest of \$500,000 1st mtge. bonds of the P. & F. RR. Co., which were issued for its construction. The proceeds of the sale of these bonds were not sufficient to meet the entire cost of completing the road, and as the Reading receivers had no fund which they might apply to that purpose, work was suspended in April, 1893, and has not since been resumed. An arrangement has recently been made, however, whereby the holders of the bonds agree to advance the necessary amount of money, the Reading on its part agreeing to such a division of the revenues from the operation as will provide the interest on the whole cost of construction.

The 1st mtge. bonds of the Lancaster & Reading Narrow-Gauge RR. Co., \$310,000 of which were guaranteed by the Reading, matured July 1, 1893, and as there were no funds available to take up this loan, and the holders refused to extend the bonds at a rate of interest within the earning power of the road, the receivers surrendered the property to the trustees under the mortgage, Nov. 13, 1893. Since then a basis of an agreement has been reached with the committee of bondholders, under which it is proposed to reduce the rate of interest on the bonds to 5 p. c.

Since the close of the fiscal year the floating debt has been reduced to about \$4,250,000, and the amount of receivers' certificates outstanding has been increased to \$3,750,000. The floating debt is secured by pledge of the collateral trust bonds to be referred to hereafter, which are in turn secured by the pledge of shares and bonds of affiliated and tributary companies, the control of which is essential to the earnings of the main line.

Sterling mtge. loans.—The 6 p. c. sterling loans are in bonds of £500 each, coupons payable in London, in sterling, Jan. 1st and July 1st. Principal payable Jan. 1, 1910.

Consol. mtge. loan, 1871-1911.—The 6 p. c. bonds are for £200 or \$1,000 each; principal and interest payable in Philadelphia in gold, or in London. The 7s are currency bonds, interest payable in Philadelphia or in London. The

bonds were originally issued in coupon form, with provision for registration in Philadelphia but not in London. Interest is payable June 1st and Dec. 1st; principal, June 1, 1911. There is an accumulative sinking fund of 1 p. c. per annum for purchase of the bonds at or under par.

Improvement mtge. loan, 1873-97.—Secured by a mtge. next after the consols of 1871. The bonds are in coupon form, for \$1,000 or £200 each; interest payable April 1st and Oct. 1st; principal within 24 years from date, from an accumulative sinking fund of 2 p. c. per annum, by drawings at 100, which commenced in July, 1874. Drawings have been suspended for several years, and about half of the amount shown in the table is now subject to be drawn. Both principal and interest are payable in gold, in Philadelphia or in London.

Gen. mtge. loan, 1888-1938, —Issued under the reorganization plan of 1886, as shown in *MANUAL* for 1893. Secured by a mortgage, dated Jan. 3, 1888, conveying all the property of the company, and the lands and estates of the Coal and Iron Co., to the Pennsylvania Co. for Insurances on Lives and Granting Annuities, of Philadelphia, as trustee. Until the final retirement and satisfaction of the present income mtge. and cousof. 5 p. c. mtge., this issue will be protected by a deposit with the trustee of all the old improvement and gen. mtge. bonds of the Railroad Co., and divisional mtges. of the Coal and Iron Co. surrendered, retired, or acquired under the plan of reorganization, or of respectively equal amounts of 1st series 5 p. c. consols to be issued in their place. The bonds may be registered in Philadelphia, New York, or London, and wherever the bonds are exchanged there also transfers must be effected. The bonds are for \$1,000 each, in coupon form, with privilege of successive registrations of principal, with subsequent transfers to bearer; or in registered form, for \$1,000, \$5,000, \$10,000, and \$100,000. Principal due Jan. 1, 1898; interest payable Jan. and July: principal and interest, free of all taxes, payable in Philadelphia, in gold. The authorized issue is \$100,000,000, of which \$10,000,000 were reserved to take up divisional coal land mortgages of the Coal and Iron Co., \$15,000,000 to take up shares and bonds of leased lines, and \$10,095,080 for additional betterments, equipment, and other acquired property, and for working capital. It was provided in the mortgage that if the \$15,000,000 reserved to take up securities of leased lines are not all used for that purpose by Jan. 1, 1898, what remain may be used for betterment, equipment, and other after-acquired property. The amount outstanding includes fractional scrip for \$25,188.77.

1st, 2d, and 3d preference income mtge. loans are second, in the order of their priority, on the property covered by the gen. mtge. but subject to the lien of that mortgage. They are \$1,000 gold bonds, in coupon form, but the 1sts may be registered, as to principal only, in Philadelphia, New York, or London, and bonds so registered may be again made payable to bearer. The bonds are dated Jan. 3, 1888; due Jan. 1, 1958; interest payable only if earned, on Feb. 1st, yearly. The 3d preference may be increased to any amount "for value." These bonds, issued in exchange for convertible bonds, and stamped to that effect, are convertible at any time into common stock. The amounts of preference income bonds outstanding, as shown before, include fractional scrip as follows: 1sts, \$89,950.70; 2ds, \$20,588.75; 3ds, \$83,216.58.

Deferred income bonds, issued in 1881, were taken over on reorganization and stamped as assenting. Holders, on payment of an assessment of \$25 in cash, received a similar amount in 1st preference bonds. Interest on these bonds will be deferred until common stock is paid a dividend of 6 p. c. per annum, but afterward interest up to 6 p. c. per annum will be paid, if earned, and further interest will be paid *pari passu* with dividends on the common stock. The bonds are irredeemable and to bearer, but may be registered in Philadelphia. They are for \$50, \$100, \$500, and \$1,000 each. The nominal par value of these bonds is \$25,568,090.30, including fractional scrip for \$248,556.97; only the proceeds of the sale of them is shown in the balance sheet.

Consol. mtge. loan, 1882-1922.—Under the reorganization plan of 1886 these bonds were stamped as liable to be redeemed, at the company's option, at any time, on 10 days' notice. The bonds are for \$500 and \$1,000 gold each, in coupon form, but may be registered in Philadelphia. Arrears of interest to Nov. 1, 1887, was funded in 2d preference incomes; since then it has been regularly paid. The amount of these bonds outstanding includes fractional scrip for \$542, and \$535 of fractional scrip is included in the outstanding amount of consols of 1883-1933.

The floating debt of the Railroad Co. was largely increased during the fiscal year 1892, mainly through advances of money and by use of the credit of the company in aid of the Coal & Iron Co. Under the methods of conducting the business which has prevailed, a large amount of working capital and current earnings had been invested in the business of the Coal & Iron Co., but under the obligation imposed by the reorganization to apply the entire net income of the railroad, if required, to the payment of interest on the income bonds, it became necessary to adopt other means of providing the necessary working capital for the Coal Co. Accordingly a contract was entered into on Dec. 22, 1892, with the Finance Co. of Pennsylvania to provide capital to carry on the coal business on pledge of the coal and coal accounts of the Coal & Iron Co. The minimum sum to be so advanced was set at \$3,000,000, under a modified contract. It was afterward provided (in Mar., 1894) that the Coal & Iron Co. should issue 6 p. c. 5-10 yr. gold certificates, secured by the coal and coal accounts in its possession, and limited to an amount which would always leave a margin of 25 p. c. of value in the hands of the Finance Co.; and \$4,000,000 of these certificates have been issued and the proceeds applied to the reduction of the floating debt. The certificates are dated April 2, 1894, and mature April 1, 1904, the company, however, having the right to pay them off at par on or after April 1, 1899, or to redeem them at any intermediate period at 105 and accrued interest.

A loan of \$3,000,000 to the Railroad Co. by a New York syndicate, on pledge of \$5,700,000 collateral trust bonds and \$1,000,000 3d preference income mtge. bonds, the difficulty of carrying which was one of the Reading's chief embarrassments during the past year, was paid off Mar. 5, 1894, by means of a temporary loan which the receivers negotiated, and which was repaid April 2, 1894, from the proceeds of the sale of the Coal & Iron Co. coal trust certificates referred to before.

EAST MAHANAY RR.—East Mahanoy Junc. to Waste-House Run and branches, 14.1 m.; 2d track, 2.6 m.; total track (steel), 24.6 miles. Chartered Mar. 9, 1856; road opened July 10, 1860. Leased Jan. 12, 1863, for 99 years, to Little Schuylkill RR. Co.; subleased from July 1, 1868, to P. & R. RR. Co. Rental (6 p. c. on stock, and \$2,000 for organization expenses), year ending Nov. 30, 1893, \$31,865; other receipts, \$265.50—total, \$32,130.50. Payments: Taxes, \$3,201; dividends (Jan. & July, 2.9 p. c. each), \$28,869.50—total, \$32,070.50. Surplus, \$60. Regular semi-annual dividends of 3 p. c. were paid each year from Jan. 15, 1863, to Jan. 15, 1892. Owing to an increase in State tax rate on capital stock from 3 mills on par value (\$50) to 5 mills on market value (\$64.50), the \$2,000 allowed by lessee did not suffice to meet taxes, and the rate of dividends was consequently reduced to 2.9 p. c. on July 15, 1892. Capital stock, \$497,750; sundry credits, \$7,063.16; sundry dividends, \$55.50; income balance, \$103.50—total, \$504,972.16. *Contra*: Cost of road, \$497,792.68; cash, \$6,929.48. RAILROADS LEASED OR OWNED BY THE READING AND COLUMBIA RR. CO.

LANCASTER AND READING NARROW-GAUGE RR. (Quarryville Branch).—Lancaster to Quarryville, Pa., 15.30 m.—total track, 17.80 miles. Gauge 4 ft. 8½ in. Chartered Sept. 9, 1871; road opened May 12, 1875. Leased to Reading & Columbia RR. Co., Mar. 11, 1874, for 999 years; rental, 30 p. c. of gross receipts, with a guarantee of interest on bonds. Capital stock (par, \$50), \$82,720; funded debt, 1st mtge. 7 p. c. 20-yr. bonds, due July 1, 1893, \$350,000—total liabilities, \$432,720. Cost of road, etc., to date of lease, \$142,041.43. The bonds were guaranteed to the amount of \$310,000 by the P. & R. RR. Co., and on their maturity that company offered to extend them at a lower rate of interest, but this the bondholders refused. In consequence of this refusal the Reading receivers surrendered the road to the mortgage trustees, Nov. 13, 1893. Since then a basis of agreement has been entered into with the Reading, under which the bonds are to be extended at the reduced rate of 5 p. c. per annum, and the guarantee to be continued. A. H. PEACOCK, *President*; W. Leaman, *Treasurer*, Lancaster, Pa.
